BIG GAME COMING UP AGAINST SOUTH CROYDON!

It is a big game for us this week against South Croydon at home. This is now a very important must win no excuses. It is not negotiable.

Also this week a very important milestone will be set by Stephen McDonald who will play a club record breaking 282 games! Congratulations to Steve on achieving this remarkable feat and being the great clubman he is. Enjoy it mate and I hope you play on for many more!

The big news on our players ball to be held on Saturday 13th July is that we now have 2 big Acts performing. Firstly you will remember Lisa Edwards the exciting vocalist from our "Night in Paris" ball accompanied by Michael Chistiano. Also we have probably one of the best comedy acts you will see in Mr Peter Dee . I guarantee this will be a night to remember. This year's theme is "Fairy Tales" but dress up is not compulsory. However do so and have fun with it. Be sure to book your tickets now. See Vicki Hottes.

Remember for all your car service and repair requirements call Glenn Mayes Automotive Lilydale on 9735 1644. Support the local businesses that supports us. Go Falcons.

We had a very slow start against quality opposition. Except for the second and third quarters when we contained them somewhat, we were outclassed. But our endeavour could not be faulted and the bonus was the exceptional debuts by our 3 first gamers Kane Quilty, Tom Herbert and Tom Van Veen.

This week we started well in contrast to previous weeks but we failed to maintain our tackling pressure and despite it being an arm wrestle and goal for goal for most of the second half, they managed to get a break and take the points. Thank you to the Under 19 boys who helped out. They were great and it is much appreciated.

FINALS ARE LOOMING!

Three games to go until finals and the pressure is on. All the competitive teams are in the final five and looking like playing finals. The opposition of the Under 17D side forfeited so that is why there is not match report for this week.

Congratulations to Jake Gilbert, Pat Klep, and Bryce Batty for being selected in the Victorian Metro team. Bryce unfortunately is injured and will miss the championship. Bad luck Bryce but good luck to Jake and Pat. The original selection process started with 20,000 players and now the squad is 35. That is a magnificent effort to have three Lilydale boys in the squad.

The under 14 (2) Inter league Grand Final was played on Saturday. Jamie SHAW and Bay SCIORTINO and Joel KOGER represented the EFL and won against the Southern Junior Football League. Shane KALLOSHE from the under 15s played in the under 14 (1) Grand Final the Saturday before and also won the Grand Final for the EFL. The EFL had 3 premiership teams out of four which was a fantastic effort. Congratulations to all the boys representing our club, you did us proud.

The coaches and team managers and sponsors night is on the Saturday at the Grand Hotel Warrandyte. We have karaoke and finger food. Everyone is welcome to come and support our volunteers. If you would like to come contact the club secretary Kerri SKEWES.

On a more serious note. Can we make sure when you are representing our club you don't need to eat a snickers. I have seen a few parents becoming far too vocal and aggressive towards, umpires and opposition players in recent weeks. Can we try and get through a Monday without me receiving complaints from the EFL or opposition clubs. These people degrade the name of our club and cause myself and the committee many hours of needless work.

Congratulations to Pat Klep and Jake Gilbert (right) on being selected to play for Vic Metro this weekend. Also well done to Bryce Batty for being selected but unfortunately he was injured and was unable to play. The boys started with the selection process 2 years ago with 20, 000 boys trying out and the squad eventually got to 35. This is a great effort for by Pat and Jake. Good luck to all the boys this week.

Go Dales! Pete

Today's game against North Ringwood was a hard fought battle again with the Dales undermanned with injuries and players in the TAC Cup squad also out. But that's no excuse. We put players in all different positions and every one stood up and lifted to the occasion in the second half with great passion and character and playing as one. A special thanks to Zac Wyles and Pat Kovac for helping out today.

What a physical game. They threw everything at us and with 5 injured players at half time, things were looking scary, but a team that resorts to head hunting will never win a game. To our boys' credit they focused on the ball and followed instructions to move it into the forward line quickly and convert which they did. Let's work on our accuracy.

Today we played the Basin at home where for our team each week is must win.

In the first quarter we started well kicking 5-3 to 1-3. In the last few weeks we have dropped the ball in the second quarter but not today. We kicked 6-3 to 0 setting up a big half time lead. I asked the boys at half time to keep the pressure on and really try and move the ball and they stepped up a gear kicking 16 second half goals to 2. We had 4 guys kick their first goals for the year and one of those his first ever. We ran away winners by 158 points. By far this was the best team display this year, with 14 goal kickers. Well done boys. Keep up the hard work! Special thanks to John Gordon and the U/19s for allowing us to train with them this week. It showed the boys where they need to be in a few years.

Not enough superlatives to describe the boys performance today as we beat the second team on the ladder who had only lost to the top side. A tight first quarter saw UFTG score 8 behinds but many were rushed so I was still pretty confident in the boys to take it right up to them. We played a great second quarter but now our poor kicking for goals started to cost us kicking 4.8 for the quarter but the boys were playing terrific football. The boys continued to play some great team football in the second half and when Luke Willemssen went down with a dislocated thumb we were down to just 18 players and the boys all needed to stand up. In a very tense last quarter we managed to hold on for what I think is our best win in the last 2 years. Congratulations to Caleb Price who played his 50th game and played the best game of his life picking up plenty of possessions on the wing.

This was the first time that the boys have strung 3 wins in a row together this year and you can see the self-belief growing. They were beautifully led by Beau, Kyle and Josh White through the middle, while the half back line of Dan, Josh and Lachlan were in complete control. Our forward line looked dangerous when we went forward with Curtis, Jack, Brad and Riley leading the way early. Again the most pleasing thing was the 4 quarter effort from ALL the boys and it helped Jack Bateman, Beau Tennant, Josh White, Matt Knox and Brad "Iceman" Pennington all celebrate their 50th game. Well done boys but the hard work continues with three hard games to finish the year, so is going to take our best effort. Finally, well done to Ben Blackey on kicking his first goal!

We were extremely slow to start in the first quarter, being too loose across the whole ground. We were beaten to the ball and leaked many unanswered goals. Our second term was our best for the day, showing some intensity and a willingness to respect our direct opponents. The boys showed they can play good footy against the best sides. Pricey dished out the best hip and shoulder of the season as our back line held up against constant attack. Kai Martin and Jacob Milsom all keeping their opponent quiet. We had a poor last term leaking goals as we tired and became disillusioned with the umpiring? Heads up for four quarters next week.

We played really good team footy today. We got in front and the umpire rewarded us with plenty of free kicks. We couldn't get the score on the board but it wasn't from lack of trying and good teamwork. We just need to concentrate when we do get a free kick to go back and then look more for our team mates long down the ground. Great game and great goal by our captain for the day Birra.

This week Stephen McDonald plays his 282nd senior game for the Lilydale Football Club and is so doing, breaks the club record for the most senior games played. The current holder of the record is Warren Cruse who played his 281st game in the 2009 season.

Steve has played his whole football career with the Lilydale Football Club. He commenced playing in the midgets or Under 10s at age 9 way back in 1988 and finished his junior career in 1984 in the Under 16s when the team were runners up under the coaching of Gerry Toohey. He has played throughout his career with great mates including Sean Toohey, Lucas Skelton, Chris Goodlet, Garret Dobson and Jamie Cruickshank. Jamie will play in the same side with Steve this week as he breaks the club record. He played in the Under 18s in 1995-96 finishing fourth in the best and fairest in 1996 with 28 votes winning the most determined award. He then graduated to the seniors in 1997 playing 17 games. At that time the club record was held by Bill Harrop with 271 games.

Except for a break during 2001 when he travelled overseas, Steve has not missed a season playing with the Falcons. He has since clocked up another 264 senior games to put him on the threshold of the record which he will establish with his 282nd game against South Croydon in front of his home crowd. Steve has won many accolades and achieved many milestones along the way. When he was in the Under 16s he played with the Carlton Football Club along with Sean Toohey. He completed the Kokoda Trail trek with 14 other Lilydale Football Club stalwarts in October 2007 again including Sean. He has earned such prestigious awards such as the best team man and most disciplined on several occasions throughout his illustrious playing career.

Steve played his 150th game in 2006 when great mates Jamie Cruickshank and Lucas Skelton also played their 150th senior games with the club and the current club record holder Warren Cruse played his 250th game. Warren at the time joined Billy Harrop, Hector Cruickshank, Graeme Ellis and Brett Toohey as the only players to have reached that milestone. Steve then went on to play his 200th game in 2008 and his 250th game in Round 15 of the 2011 season during which he also celebrated one of three premierships he has achieved with the Dales the others being in 1998 and 2003. In 2008 he was also awarded life membership for playing his 200th senior game.

From a personal perspective Steve reckons the person who has influenced his career the most is his mother who took him to the football all through those junior years and still comes to watch me play now. The best footballer he has played with is Peter Skewes for the courage he displayed on the football field. He has stayed with Lilydale because you get to play footy with genuine great blokes and the majority of Lilydale recruits are mates of current players who come to play for the right reasons not just for money.

The President, Committee, sponsors and supporters of the Lilydale Football Club salute Stephen McDonald and congratulate him on setting a new club record for the most senior games played with the Falcons. Stephen has been a real monument to the game and a true blue and gold player who epitomises what loyalty and sportsmanship are all about. This is a most deserving and popular milestone set by one the true gentlemen of the game.

Congratulations to Lilydale's Under 14's Jamie Shaw, Joel Koger and Bayley Sciortino for winning their under 14s Interleague grand final on 29th June.

Fathertoosa sent 3 reminders to John Gordon to send his Under 19 match report for the Flanker before John finally sent this reply. "They had a good win. It is called a BYE". Good one GT.

There was a couple of silly old codgers on the Muppets who used to watch proceedings from the balcony whose behaviour and comments were senile to say the least. They went by the name of Statler and Waldorf. Well it seems we have our own S & W at Lilydale.

It seems Hector Cruickshank and Mick Wrotny had been at the Reserves for about 5 minutes on Saturday, when Mick dislocates his finger picking up a bouncing ball from the game. They took it to Tanya for fixing. After 2 blokes standing nearby tried to put it back to no avail it was off to the Docs. Not having heard from them by 3pm Tanya and Karen called Hecy's phone which rang out. This was repeated at 5pm but still no response. At 5.30pm getting a little worried they rang Michael's daughter Kylie who rang Michael and discovered that he and Hecy were on their way back home although Mick didn't know which home he was going to? It seems Hecy didn't have his phone, wasn't sure where it was but later found it on top of the rubbish bin in the carport. Karen got home from footy to find a message on the home answering machine from Mick, "We're on our way home and the finger is straight again!" Needless to say there was a few giggles over the dottering old men. The next day Hecy and Mick were at the under 17's on Sunday standing on their balcony with Mick holding his strapped fingers up in the air. One of these days we will find out what S & W did for those 6 hours!

Lisa Edwards

Lisa is a consummate performer and her success as a vocalist has been well documented. She has worked with high-profile Australian acts such as: Noiseworks, Black Sorrows, Real Life, Ross Wilson, Billy Thorpe, Brian Cadd and Kate Ceberano, and was one of the most impressive vocalists on the Kylie Minogue European tour. However, Lisa is probably best known to Australian audiences as one of John Farnham's accomplished and dynamic backing singers.
