Tackers W

Match Report

This year's winter has been very kind to tackers, not only has it been mild on just about every Sunday morning, it's been almost perfect for training. So much so that we haven't had a single rain drop to contend with.

Heidelberg's home ground was in great condition, no mud, soft under foot, perfect for the kids. However the tackers don't seem to enjoy the really early starts, another 8:45 start and another sluggish beginning. The game was a bit of a let down from the previous few weeks were the boys displayed good form. Right from the outset, Heidelberg seemed to have more numbers around the ball, the game was probably the most physical the boys have played. The term break is coming at just the right time to give the team a rest and a chance to regroup.

The boys are enjoying themselves and have developed fantastic camaraderie; they always look out for each other. There were several fantastic passages of play up the wing with loads of handballs and shepherding. They are always looking to kick to team mate in a better position. The team is loving the contest, tackling and bumping and getting in and dirty.

Sam kicked the team's only goal, a great individual effort in the goal square, he is always hard at it and stands his ground and keeps his footing, he will be an excellent player. Will had another great game, he is solid and dependable and hardly ever gets knocked off line, and his work in the ruck was a standout. Jack played his best game, he reads the play well and, always stays in position. Robbie tackled hard all game, he never takes a backward step. Evan and Tommy are having a great month of football, they are in great form and run and run all game.

Tackers B

Match Report

Round 11 saw our co-captains Asher and Leo lead the team out against Bulleen Temp on a super Sunday morning at Bulleen Park.

Q1 - We were off to a sluggish start with B/Temp dominating the first 10 minutes of the game. The boys then clicked into gear with Ned clearing the ball from CHF and co-captain Asher kicking a goal from a strong mark in the goal square. This got the team going and saw us play great football from hereon in.

Q2 - Our midfielders, Tom P and Luca B, started to get on top as they continually won centre clearances. A great snap by Seth saw the team register another goal. With Anthony, Luca N and Max controlling the backline we now had the game on our terms.

Q3 - This was our best quarter of the game as we showed that by leading into space we were able to then move the ball quickly into our forward line which saw Tate, Luca and Lachlan score goals. The team now knows that we can exploit the opposition by using our running game as we have elite runners in our team. Hunter and Leo held the backline together during this term as B/Temp were unable to penetrate our defence.

Q4 - This was a tight quarter with both teams playing an impressive brand of footy. Tate again showed his canny goal sense as he swooped on the ball and kicked truly.

This game would rank as one of the best viewing games of the year as both teams kicked 6 goals (highest combined team scores for the year of 83 points) and showed that both teams had the ability to create space and move the ball quickly from defence to attack.

Enjoy your holidays and be energised for your last 4 games of the Tackers 2013 season.

Thank you to the parent helpers.

Match Report

Ivanhoe arrived at a frosty Ford Park prepared for a competitive game with Park Orchards, second vs third on the ladder. Our boys got off to a flying start, dominating the first five minutes of play that led to a mark & goal by Koray. The team were taking strong overhead marks led by tall timber Isaac and slick kicking by James.

Determination to win possession by Ivanhoe led to a second goal by Koray, followed up by a terrific clean pick up by Harvey to snap our third goal for the quarter. The second quarter commenced with some great defending led by Bede & some inspiring chasing by Drew. Our game was really starting to come together which resulted in our fourth goal by Zac. We finished the first half strongly with 4 goals two points to Park Orchards one point.

Half time break key messages for the boys were to direct the football through the centre corridor and to keep up the desire to be first to the ball & to "keep your feet". Our boys started the 3rd quarter slowly with Park Orchards kicking their first goal by catching our back line out of position. The opposition put up a strong fight in this quarter & dominated the footy.

Ivanhoe was kicking to the non-scoring end in the last quarter & the opposition were continuing to gain momentum. Ivanhoe continued to apply pressure & finished the game strongly with Jordan kicking our fifth goal to seal the result & a good win against a finals contender.

Match Report

Coming off our first win for 2 years, the heat was well and truly off the coach Tim (for now).

The boys were playing with something that they haven't had before. Confidence! JT put in another CAREY like performance with strong marking and goals and has made a real difference since being shifted up forward.

Special thanks to the 3 boys who filled in from the Under 10's, Spike, Jordan and James who were all very influential. Joe was a solid performer through the middle all day and Elio was in under at every chance. Nick and Otto are combining well through the backline and Jakey Leech played a ripping game, his best for the season.

Overall, the boys displayed great teamwork and look as though they have turned the corner. The highlight of the day was a real opportunists' goal by Lukey (flea) Polis in the last qtr that put the game beyond doubt.

Awesome stuff to watch boys!

Match Report

Round 11 saw us back at Ivanhoe Park against Park Orchards, though we were starting from a low base as we only had 15 available players for our team so we had to play 3 players from the opposition.

The first quarter we initially played hard but this started to wane as players stopped putting in a solid effort, chasing the ball appeared to be an effort and we started to leave opposition players unmanned.

During the break Steve stressed the need to improve performance and play to the agreed game plan, so we started to see noticeable improvement in our teams play during the second and subsequent quarters.

We started a strong comeback in the third and final quarters, Lachlan played an exceptional game and constantly chased the ball, Reece played some massive kicks from the goal area, Aiden and Oscar were constantly following the ball and gaining possessions that helped our team to win back points.

Sam did his customary charge down the oval with the ball to play it into our forward lines, equally were the back line players who appeared out numbered by the opposition, irrespective they tackled hard and managed to foil the opposition's try's at goals, well done boys. Amos, John played hard throughout the game and we saw good tackling and defensive support to other team members by JP, Brodie, Jake and Harry.

The chance for a win this day was there, we had kicked another goal and it was only 1 point difference and the ball was in our forward lines but the final siren went and we just missed out on a win by 1 point.

Well done team.

Match Report

A fantastic team effort by the boys on the weekend, we were undermanned but the boys worked as a team and were able to come home with another win. We were led out by our boys celebrating their 50 game Milestone – Jarrod, Xavier, Noah and Riley, their team mates were determined to get a win on the board for the boys. We went in behind at the end of the first qtr, however I wasn't concerned as the boys were playing hard committed team footy, but just couldn't get the score on the board. In the 2nd term the boys continued to maintain the pressure and finally the goals started to flow through Ben courtesy of a great handball from Tom and Froggy on his left. The backline led by Jack W, Jarrod, Jack C, Stefan and Isaac held together under enormous pressure. In the middle Ben was dominating in the ruck and providing first use to our hard running onballers in Xavier, Adam, Noah, Jessie, Marcus and Riley.

We took a slender lead into the second half and swung Jack W into the middle where he blitzed and played his best game on record for the Hoes. With Marcus O creating plenty of chances through strong leads form Full Forward it gave our crumbing forwards Tom and Patrick first use. Well done to Daniel who showed great endeavour at the bottom of every pack and set the example for the forwards who all played in front and worked the zone to ensure that we scored from every opportunity. The boys continued the pressure for the 2nd half and we were able to kick away to a resounding win. A big thankyou to Luke Perrone who come up from the underage group to help out and he looked very comfortable playing against the older boys.

The weekends game demonstrated to the boys that when they come ready to play and work as a team that we can match it with any team in the competition

Match Report

It was the last game of the round before the school break and welcome back Oscar Pisasale. A great sunny morning and early game for the boys. Mick selected the side with a few late changes and put a fast pace to the game from the outset. We got the ball in the forward line and saw Oscar turn it on with his marking and goal shooting.

It was a close 2 first quarters with both sides keen to get the advantage over the other. A ½ time spray by Mick to the boys fired them up as he was tired of seeing the boys being soft and scared in putting in there bodies and effort in getting the ball. 3 goal third quarter and it was all over the boys got the lead and maintained it well.

A good last quarter with great play from all the boys, saw Camberwell scoreless and Ivanhoe maintain the lead. A great win, the song was back in full swing and all smiling for another week.

Match Report

Ford Park was looking a treat, the match conditions were perfect and even though we had a few players out because of school holiday trips and sickness our pre match preparation was excellent.

We knew it was going to be a tough contest from the beginning but right from the first bounce and with a rock solid mark at centre half back from Seb the indicators were there to show “The Sharks” we had come to play.

Our onballers Hugh, Kane , Victor , Mitch and Harry , just to name a few continually controlled possession and pushed forward where great passages of play were rewarded with 2 goals to Maison , a long bomb from outside fifty to Kane , a couple of Viv classics and a blinder from Jacob over his head. Hamish courageously assisted up and down the ground with plenty of support from Jake P, Isy , Tommy and others I haven’t mentioned.

However the true heroes of the day were the whole backline with Leechy and Coops at the helm, the springboard of many attacks. They linked , spread and pressed forward for a very satisfying win.

Well Done boys

Match Report

The challenge of playing the second team on the ladder confronted the boys on our home ground this week. Without our regular ruck, Coach Duke threw the challenge to Ashish to take on their large ruck, and as the game went on, Ashish seemed to jump higher to become a match winner. The first half was a real contest as we could only get a couple of goals after Banyule dominated the second quarter...and yet we were only four points down. Strong leadership play from Liam, including a strong mark and goal, and Lachie G's clever score goal kept us in it on the scoreboard. But in hindsight the way the boys made every possession a contest meant we could turn it around in the second half.

In the third Banyule seemed tire as our boy's relentless desire for the ball saw us kick away. Luke Gedi would break through the pack at CHF and torpedo off the side of his boot a thirty metre goal, and Lachie takes a mark between two players to get our fourth. In defence Dean, Zane, Xavier and Jack would give us plenty of rebound. And Angus got his fist on a couple of high balls in defence as well. Would we get over run in the last? Not this week! Nick Geary ruck roved beautifully all day and Nicholas Ramsay showed real poise and class in swinging the ball forward. Nat demonstrated some gaelic skills down the wing, and in the end hit his mate on the chest to score LGs third goal for the game.

Banyule would only score a point in the second half as our boys made a real statement to the rest of the teams in the comp by drawing away at the end of game.

We now face the top team at a great time for our team. Coach Duke now has real options in the ruck, and we even have a bench! Look forward to our biggest challenge.

Match Report

The old saying in Sport "the way you train is the way you play" couldn't have been more highlighted with the performance our boys displayed against the undefeated Fitzroy lads on Sunday.

The way our boys trained on Thursday night was just outstanding - the ability to want to train well and for the team was most apparent. This translated onto the field from the very first bounce where the Ivanhoe jumper displayed great determination to win the hard ball & the clearances to take control of the game early. Our ability to be first in assisted us in many attacking moves - which resulted in our forwards putting great pressure on the Fitzroy boys when they won the ball. Our forwards in Emerson, Alex, Rory, Oscar & Jack W were all terrific with there pressure & were willing to put their bodies in at all times - great work boys.

Our back line was outstanding it was just great to see our backs play in front & the attack on the ball was 10/10. Jack Sullivan was outstanding and showed why he is such an important player for our team. Jack used his pace to advantage & his ball use was excellent. Harry Fraser's confidence to attack the ball was great along with DK, Stefan & Liam Daniels. The boys took long calculated risks & it paid off - with strong clearance work all day.

Linc again in the ruck gave us the drive along with Patrick, Mitch & Antony in the midfield. Alex Federico was most significant in the first half in the middle - shutting down the opposition's best player.... well done Froggy. Lucas gave us the strength in the middle & worked tirelessly all day in the middle.

The win against Fitzroy was our break out game for the season - all boys contributed & what was most pleasing was the spirit & want of the boys to work strongly for each other & our TEAM. This spirit & willingness to work together as a unit will see us continue to improve to ensure we feature in the finals. This weeks game sees us play Kew Rovers - I am sure if we bring the same attitude & hard training we can beat another team above us on the ladder.

Match Report

Round 11 – The small team with the big comeback round.

Ivanhoe got off to a slow start as the boys minds were obviously thinking about Vinnie, Travis, Sam etc - getting a tan on the northern Beaches of Australia (or swimming through record breaking rain – Scott)

Trailing by 2 goals at quarter time Trevor spoke to the boys about pride and passion and doing the little things that can help make a big difference leading to a second quarter which saw a whole new Ivanhoe take control of the game.

The backline was solid as a Rock with Walter, Seb and Jake not giving their opponents any space, the half back line saw some great rebounding play from Emory and Kosta. Harrison Carter was playing as a loose man and directing more traffic than a police man in the middle of Flinders and Swanston street. The midfield led by a hard working Alex Pilinis in the ruck started to take control - both Peter & Callum created some great attacking moves and manned up when required. Alex Dickson had more marks than a graffiti wall - the wings saw Ivanhoe's speed machine Grady Xanthos take numerous bounces and set up countless attacks on goal and on the other wing we saw Harry play his best game all year - Running hard, chasing and clearing the play at every opportunity

The forward line worked hard and in many instances were extremely unselfish to share the spoils of some great team work, Tim presented as an option over and over again from Centre half forward, Ned presented as a marking target in the goal square and capped off some great work with a lovely goal. Josh 'hop a long' Atwell while hampered by a sore ankle, continued to keep the score board ticking over, Elliott Atwell ran and caused havoc around the goals. Last but not least - the ultimate team player Nic Spokes continued to make everyone around him look good through his numerous goal assists (let alone his 3 personal goals. By far the best team effort all year – well done boys.

(Big thankyou to Brian Keenan for the report & to Peta Carter for covering team management). Scott Moorhen – Team Manager U14 Black

Match Report

Played in Sunshine we head to Macleod to take on one of the top teams Q1. Macleod put the pressure on early and the backline is feeling it. Max M is fighting hard along with Adam and Kane. Brody wins a clearance after a Macleod goal which Robbie follows up with a trademark hard effort. Brody gets on a loose ball and passes to Jack for our first goal. Some good pressure from Sean and tackle by Nikko but at the first break Macleod are 4.6.30 to Ivanhoe 1.0.6

Q2. Coach Hogan's message at the break was for more talk after Connor was run down without a warning or block from teammates. Macleod score early but through Adam, Dylan and Will L we are working hard to attack. Once again the backs are under pressure, with Kane working really hard but it seems Ivanhoe is second to the ball. Not enough running with the Macleod mids who seem to be everywhere. Adam takes a good strong mark kicks to a pack and Will G kicks our second. Great attack Kane on the half time siren has Macleod 7.8.50 to Ivanhoe 2.0.12

Q3. Coach Hogan hands over the reins to his assistant Sutters who tells the boys to take the game on. He is swinging the moves as Macleod kick a few more and he tries to get Brody free from a tight tag. Nikko is working hard and earns a free and while we kick 2 goals ourselves Macleod pile on 8 more to take a strong lead. 15.10.100 to 4.0.24.

Q4. Free kick in the middle to start the last quarter upon which we goal through Brody. Dylan is marking everything coming his way and is having a great last quarter. Jordan Z cops a nasty wack in the nose and is done for the day with Mitch continuing to tough it out and play strong footy. Jack marks and goals from a Conor kick and while the scoreboard is looking like a one sided affair the Ivanhoe boys are fighting until the end. We end up with no one available on the bench and look forward to the break where we will hopefully regain a couple of players after it.

Match Report

Ivanhoe Park had been freshly mowed and rolled; it felt like spring had arrived early as we took on the new ladder leader Ashburton. The 1st quarter started off with opposition putting the first goal on the score board, which followed with an avalanche of shots on goal which fortunately for Ivanhoe resulted in only 5 points. It wasn't until the 12 minute mark that we finally posted our first major through Aansens.

The 2nd quarter was pretty much identical to the 1st, Ashburton was first to the ball winning the contested ball and once again putting the backs under extreme pressure. The backs lead by Reeves-Smyth, Bailey & Blackmore-Moore and the run of Byrne-Connell were repelling time and time again. At last we started to use the ball better to advantage and Knight lead up well and converted. Another good passage of play by Bailey resulted in Perry & Zema kicking majors.

After half time Clayton is getting on top in the middle and giving Zito, Prendergast & Knight first use of the ball. Perry at full forward is presenting and our on ballers are rewarding his leads with kicks to advantage as he kicks his second for the term.

The final quarter much like the previous three is played in our back half, and not for the heroics of Jordan, Reeves-Smyth & Blackmore-Moore the result could have been a lot worse. We are getting enough of the ball, but our disposal and decision making is letting us down. Instead of looking and leading to space we are simply panicking and not using the ball to advantage.

To the credit of the team we played out the game with a number of injuries to key players, however too few stood up when the game was in the balance and was there to be won. Let's all have a well-deserved week off after a hard month of football.

Match Report

This round marked a return to Binnak Park, the venue for Ivanhoe's premiership triumph over Warrandyte in 2012. The Hoes also enjoyed a comfortable win over St. Damians at the same ground last season, but the combination they encountered in this round was a far tougher proposition.

The Saints' first eighteen is an extremely well-drilled team. They run and spread from the half back line with great effectiveness. Combine this factor with bigger-bodied players and a dominant ten-goal performance from their full forward and you have a tough day at the office. St. Damians progressively built their lead throughout the afternoon to eventually win by 118 points.

Nevertheless, Jeremy and the coaching staff felt their boys were far from disgraced. In his post-match remarks Jeremy urged them to forget the scoreboard and take pride in how hard they fought the game out, particularly in the second half. He felt that a number of players had actually played their best games of the season. Harry Hopkins was crunched in a massive shirt front late in the match. He rose immediately to his feet for the resulting free kick before jogging up the field in search of further possessions. Moff took a towering mark in the third quarter. Mark Ferraro was lauded for the manner in which he kept running and hundredth-gamer Tom Doran praised for his often unheralded efforts against bigger opponents in the ruck. Greeny received a medal from St. Damians which they award to the player they regard as the best from the opposition on the day.
