## Footballer Notes - Tyntynder - Round Eleven

This weekend we are celebrating 94 years of history with our Tyntynder Back To. So to all past and present players, committee persons, members and supporters we say a massive welcome, we hope the weekend is enjoyable with lots of laughs had and stories told.

To the organising committee led by Russell Coburn, Keg Wilson, Kevin Storer, Rod Carroll and Licky Worner, plus their many helpers, we say thank you for your efforts to ensure the weekend is a great success.

We have a massive game today against undefeated ladder leaders Kerang in front of what no doubt will be a huge crowd. One way to ensure the success of the weekend off the field is to experience success on the field. We know our boys will lift at home and take the game right up the Blues and hopefully come away with the points at the final siren.

One of our young guns, Lachie Gilbert, plays his 50<sup>th</sup> senior game today and no doubt he will be looking to weave some of his magic to lift the team to victory. Enjoy the game Lachie.

Last weekend we travelled north to Balranald, who despite their struggle on the field in recent seasons, remain a vibrant and well organised club. It is always a pleasure to be entertained by them as the place is never short of food or drink.

Our **Senior** footballers, despite missing a number of key players due to niggling injuries, came out of the blocks running to be clearly the dominant side in the first half in establishing a 112 point buffer at the major break. The locals battled hard after time to restrict the damage but a victory by 164 points is always satisfying for a team.

Better players on the day were Jesse Hawkins, Simon Bunyan, Brad Carroll (9 goals), David Andrivon, Ben Fuller and Bryce Delmenico.

The **Reserves** were looking for their first win for the season but despite scoring their highest total a win eluded them. With a number of players missing from the senior team the depth of the club was really tested and it is a huge thanks to the likes of Joe Bibby, Mick Crowe, Tim Triplett, John Walker and Chris Gibbons making themselves available that the game even ahead. Hopefully this week will see a younger and stronger team take to the park.

Better players were Jake Gilbert, Bo Mitchell, Stu Dixon, Joseph Bennett, Paul Munro and Will Hemming.

The **Colts** game was a real exciting affair, and despite holding a narrow lead most of the day our lads went down by 7 points in the end. Again a massive thank you to our Under 15 boys who continue to assist each week to ensure we field a full side.

Best players were Ben Seton-Stewart, Tom Gilbert, Cameron Cook, Marcus Wattie, Ryal Yak and Brodie Gibbons.

The **Under 15's** controlled their game from the opening bounce to establish a match winning lead by quarter time but to the credit of the Roos they did fight the game out to the end in fine style. Our boys remain undefeated but face a tough game this week against Kerang but if they continue to play strong team football they should be up to the challenge.

Lachie Carroll, Angus Op t'Hoog, Adam Hendy, Bailey Fry, Connor Gibbons and Tom Sala were named best.

In a very tight but skilful game all day, the **Under 13's** suffered their first defeat for the season in going down by 4 points to the Roos. Both teams played some very good football and the game there to be won right until the final siren.

Better players were Luke McKay, James Sala, Cayden Crowe, Jack Mazzarella, Alex Smith-Ralph and Jack Cook.

Our **Under 11's** continue to go from strength to strength and the development of their overall game is a credit to the commitment of the boys under the coaching of Zac Bull and his support staff.

These boys are the future of our club and it would be fantastic if, as a club, we can provide them with lots of support week in week out. So supporters and senior players, get along early and sneak along and take a look at our future.

On the **Netball** court we clearly took the overall points, with comfortable wins recorded in all but the Under 15 Reserve grade game. This was a very close contest with the locals taking the points at the bell.

The Under 15 and Under 17 girls remain as ladder leaders, whilst A Reserve, U15 Reserves, and U13 Reserves all are still in the fight to play finals netball. The next few weeks will be very important for all these teams.

This weekend we welcome Kerang to our kennel, with three junior football games on Friday night as a starting point. With the Back To celebrations commencing in conjunction with these games, the youngsters will have the opportunity of playing in front of a finals like crowd, especially with strong numbers expected up in the Social Rooms.

Good luck to all teams, take up the challenge and do your club proud in front of our many past and present supporters.

Go Dogs!!
