

## Policy R2013-04.2: Replacement Policy

**Purpose:**

Provide guidelines to Kilsyth referees on what the expectations are when organising replacements for their rostered appointments.

**Persons Responsible:**

Kilsyth Referees  
Technical Official's Committee.  
Referee Administrator  
Director of Referees (DOR)

**Policy:**

Referees who become unavailable after the roster has been published are expected to find their own suitable and capable replacement. In the event a replacement is required it is expected that this person will be of equal or better grading.

If this is not achievable, permission must be gained from the Referee Administrators and/or DOR to use a referee of a lesser grading.

All Kilsyth referees are expected to make a reasonable effort to find their own replacement prior to contacting the Referee Administrators for assistance.

Any Kilsyth referee without reasonable excuse or making reasonable attempt to find their own replacement will face a two (2) demerit point penalty.
