

## Policy R2013-08.2: Roster Publication

**Purpose:**

Provide a clear set of parameters by which the roster will be locked and published for the referees to see.

**Persons Responsible:**

Kilsyth Referees  
Referee Administrators  
Director of Referees (DOR)

**Policy:**

It is the responsibility of the Referee Administrators and/or DOR to ensure that the rosters are published in accordance with this policy.

It is the intention to publish all rosters 48hrs in advance of the first game for that respective session. If this is not achievable for any unforeseeable circumstance, rosters will be published as close as reasonably possible to that time.

All rosters will be locked in accordance with the Unavailability Policy.

Kilsyth referees must expect that there is a chance the roster will be changed to meet the needs of Kilsyth Basketball and referee changes in availability. Referees affected will be notified as per the appropriate policy.
