

# From the President

July 14 2013

We bounced back from the school holiday break and enjoyed much success on the field last Sunday, with some critical games for our older age groups ahead to determine finals positioning. For our U9s, their season draws to a close this Sunday with their Lightning Carnival events.

The U12 Girls 'Ormond/St Pauls Mashers' wrap up their season this Saturday at their Lightning Carnival at Moorleigh Reserve from 1.30pm. Michael Scammel has done a great job in working with this team throughout the season, and we wish them all the best for a great day on Saturday.

The big question is whether the undefeated Composites Constructions U9s, under the steely stewardship of Paddy Moore, can remain so this Sunday morning at King George Reserve from 12.30pm. A far cry from last season where this team entered the Lightning Carnival without a win, this year has illustrated the magic of the second year development in football, and perhaps a little luck with league placement. Nonetheless, you compete against who you are drawn so we hope the team can continue playing well and deservedly achieve an undefeated season.

Our Kiama Landscapes U9 Colts get the late shift and the joys of travelling to Port Melbourne this Sunday. With a kick-off time at 3.00pm, the kids and coaches may need miner's lamps to see what's going on by the time Round 3 gets going. Still, I know coach Lloyd has thoroughly enjoyed the first season with this crew and parents – he has commented that more than one of them can now "catch it" – which is fantastic! Keep enjoying your footy and the LC format this Sunday.

The clubrooms will be open from 5pm, with pizza available from 5.30pm (\$1 per slice) and official presentations and celebrations for our U9's seasons at 6.15pm. Of course everyone is welcome, and we'll hear from the U9 coaches on the day's events. So please come down and hear how our future club champions have fared in the latter part of the season.

The following week (Sunday July 28) we will have the U10 Lightning Carnival celebrations and this coincides with our final Demon of The Month for the year. It will be a big night at the club with the presentation of a Life Membership Award to someone who will join a small number of people who have shaped and built our club over the years.

Finally, you will see a calendar of events for the remainder of the season in this newsletter edition. A critical forum is of course our Annual General Meeting to be held on Thursday August 15th. We have started to talk to a few people about joining the committee and would welcome any interested persons wanting to actively support the club in season 2013/14. There are a few critical roles that we still need to fill with Justine Byrnes our Merchandise Coordinator and Brendan Kiely, Website Master, looking to hand over these roles. Both have served the club wonderfully well and will indeed be able to provide an informed hand-over to these duties.

All Executive Roles will be open for election, and we (I) would dearly love to speak to anyone who just might be interested in a Presidential role or succession arrangement through next year. The role is enormously satisfying and with an excellent general committee being assembled with a great mix of seasoned and fresh faces, most key roles secured, there is an opportunity to take a well-run, financially strong club on the next phase of the journey .... anyone out there??

Go Demons! - Chris

# IMPORTANT MESSAGE TO ALL DEMON PARENTS AND FRIENDS!

# SLOW DOWN!

Last week at training a parent was spotted driving at a ridiculous speed into the carpark to collect her son from training (whilst talking on her phone!) Unfortunately, this type of driving behaviour is not unusual at our club.

Many parents and friends entering the carpark during training and matches drive far too fast, particularly as our children have to cross often from Oval 1 to Oval 2 and vice versa during matches and training.

Please be mindful that this is a *junior football club* with many young, precious lives at risk from being run over if you drive irresponsibly at and around our club.

Not only are there scores of young team players chasing after wayward balls, but many families have to bring much younger children (including toddlers) to training and matches, and these little people are particularly vulnerable to speeding drivers.

You should be driving at WALKING PACE only in our carpark, particularly through the area in-between Ovals 1 and 2.

## **Open Message to SMJFL Community**

### **\*\*\* Offensive & Abusive Behaviour \*\*\***

Last week the SMJFL Board and Administration held our mid-year President's Forum at South Melbourne JFC new clubrooms. One of the key issues discussed at length was the occurrence of offensive and abusive behaviour in towards our players and umpires in our league from parents, supporters and club officials this season.

he impact this is having on our players and umpires is profound with a number of our players indicating an unwillingness to play football or umpire next season. Our league administration is dealing with an increase number of reports and investigations which is having a significant impact our resources and ability to run our league in a professional and timely manner, let alone the impact within our clubs and their committees. The SMJFL will never have enough staff resources to cover approx. 185 games at 45-55 venues we play on each weekend, so we need the Clubs to effectively manage their own spectators, officials and players.

Last month the SMJFL conducted our first Youth Players Forum where 48 players aged 14 and 15 year from 25 clubs attended a 2 hour session facilitated by Dr Sally Cockburn and our General Manager Jake McCauley. There were no parents, no other club or league officials in attendance. The players discussed openly and frankly a number of issues that they felt were impacting on their performance and their love of the game. The number one issue was the offensive and abusive behaviour of spectators, official's and ugly parents towards players and umpires.

The feedback was that generally, spectator behaviour and abuse gets worse as age level increases from U14's whilst behaviour from club officials is worse within younger age groups from U11's.

This season has seen an increase in the number of complaints that are being investigated by our administration. Examples of officials running on the ground abusing junior players, offensive and abusive behaviour towards our administration, umpires and opposition players, parents that abuse junior umpires to the point that they break down in tears, supporters that yell abuse to players and other supporters. Is it acceptable for adults to intimidate and abuse our players and umpires?

The SMJFL employs over 500 registered umpires and has a direct responsibility as their employer for their health and well-being. It is one of the largest umpiring squads in Victoria. Do you know that over 85% of our umpires are aged between 13-17 years old. Many of them are either current players or ex-players from our league and without them we simply could not operate our league. Most of them attend training one session a week and partake in skill development just like our players do. They are committed and enjoy the role of umpiring and for some provides a clear pathway to elite umpiring as a profession.

There is a difference between barracking for your team, crying out BALL to an umpires decision and supporting your own child, as opposed to offensive and abusive behaviour. Whilst the league and your club will continue to provide education and support, ultimately it is the individual that must be accountable for their own behaviour.

This problem cannot be solved by the SMJFL. Whilst the league can enforce penalties, it inherently lies within the clubs to resolve and to educate their parents and supporters on what is appropriate behaviour.

The league will form a Working Sub – Committee with representatives from our clubs to develop a number of strategies that will address the issue for implementation at the start of the 2014 season. All Club Presidents endorsed this initiative and many have already volunteered to work with the league. In addition the league would like to work with the club's to implement a number of short term measures for the balance of the 2013 home and away and finals series. As we enter the final series beginning with the Lightening Carnivals this weekend for the U9's, I implore everyone to reflect on what your role is within your club and the responsibilities you have, be it as a supporter, match day official, coach or team manager.

If you observe offensive behaviour towards our players and umpires or other club officials and supporters be bold enough to either remind the person to think about their actions and stop it or report to your team manager or club committee. If you are reported or subject to an investigation that goes to a tribunal hearing and found guilty of a breach of our by-laws, be assured that the SMJFL will apply a zero tolerance and first strike policy and will impose penalties accordingly.

We all have a responsibility to act as role models for players and umpires.

**Roger Teale, Chairman - South Metro Junior Football League**

# MATCH RESULTS July 14

## TEAM 'KIAMA LANDSCAPES AND POOLS' - U9's COLTS

St.Pauls McKinnon 3-4-22 lost to Beaumaris 12- 8-80

Goal Kickers: Jake, Henry P, Ron, Connor

Best Players: Lachie Teal, Jake Grima, Boaz Gore, Luke Lloyd, Charlie Bell, Callum Harris, Jasper Everiss

We played a big and strong Beaumaris in wet and blustery conditions. We had a big job ahead of us and after an inspiring spray from the coach we were down by 5 goals at quarter time. I think we are more suited to Etihad Stadium. Our better players in the first half were Lachie, Jake, Callum H, Henry A and Henry who opened our account with a beautiful goal on the run. We were much more competitive in the second half but there is a saying in football - YOU DON'T GET ANY SMALLER and they are a very good side. Luke L, Callum S, Connor, Kyle and Henry P tried hard and it was a good hit out before the Lightning Premiership carnival next week. A big thanks to all the parents who have helped throughout the year. **Steve Lloyd**

## TEAM 'COMPOSITES CONSTRUCTIONS' - U9's

St.Pauls McKinnon 12-10-82 defeated Mount Waverley 2-5-17

Goal Kickers: Jack Behnk 2, Alex Campbell 2, Joel Chilcott 2, Jack Scherer, Noah Spitz, Lachlan Mokotow, Sam Jones, Lucas Orso

Best Players: Lior Hadari, Presley Mcleish, Alex Capmbell, Lachlan Mokotow, Joel Chilcott and Jack Scherer.

The Under 9s capped off an undefeated home & away season with a good four quarter team performance in slippery conditions at Pinewood Reserve. Lior Hadari made playing in the wet look easy with one grab marks and accurate disposal. Presley Mcleish attacked the ball hard and had telling possessions at both ends of the ground. Alex Campbell played a great team game highlighted by handballs to teammates close to goal. Lachlan Mokotow continues to improve in his first season of football and won the ball in tight. Joel Chilcott got us off to a flyer marking and goaling twice in the first quarter when the ball came in long. Jack Scherer intercepted everything at full back and then created scoring opportunities with great run on the ball and in the forward line. Congratulations team on a fine season. We look forward to having plenty of club support for our Lightning Premiership at King George Reserve, Bentleigh East from midday next Sunday. **Paddy Moore**

## TEAM 'LOOKING 4 CARS' - U10's EAST

St.Pauls McKinnon 1-0-6 lost to Mordi Brae 8-4-52

Goal Kickers: Finn Sullivan

Best Players: Liam Glew, Austin Kelly, Liam Gordon-Shore, Joe Walsh, Liam Walsh

With the ground well and truly sodden from the overnight rain, we were lucky that the early showers moved on as the game commenced. Unfortunately, our ability to stand up to Mordi Brae seemed to move on as well. Despite the best efforts of the boys, Mordi Brae proved to be too good. After a scoreless first half, the team pulled together and Finn Sullivan was able to score a goal. Our defence improved and we were able to keep the opposition to only one goal in the third quarter. Liam Gordon-Shore went in for some tough contests and Liam Glew showed how much he has learnt and improved this season with a brilliant mark followed by a huge kick. With a few boys out for the week we have to say a huge thank you to Liam Walsh for joining us, and putting in a great performance to be one of the best on the ground.

**Katherine Smith**

## TEAM 'CTJ CONSTRUCTIONS' - U10's SOUTH

St.Pauls McKinnon 5-4-34 lost to Beaumaris 7-6-48

Goal Kickers: Jules Goldenberg 2, Liam Walsh 2, Jacob Horvath 1

Best Players: Jalen Hewitt, Campbell Kiely, Patrick D'Amico, Samuel Bonham, Dominic Hart, Thomas Hughes

On our first rainy day for the season, we got off to a slow start and allowed Beaumaris to kick a couple of goals in the first quarter and hold us scoreless. From that point on we started to play our traditional brand of hard, competitive footy. Dom and Samuel were defending strongly taking marks and clearing out the danger. Liam scored our first goal in the second quarter and followed up with another in the third also. The kids were set a target to win the third quarter which we did, scoring two goals to one, with Tommy creating chances and Jacob slotting through a set shot on a 45 degree angle from 30 metres out. The last quarter saw the ball in our forward lines where Jules kicked two goals on the run in succession which saw us hit the lead. Campbell and Jalen played great last quarters, however our legs got a bit tired in the wet with 17 players and Beaumaris finished stronger, scoring 2 goals of their own. We have 2 more weekends of footy left and our goal is to have fun and play consistent quality football. Go Demons! **Sammy G.**

## TEAM 'SOUTH EAST ACADEMY OF MARTIAL ARTS' - U11's

St.Pauls McKinnon 6-6-42 defeated Waverley Park 3-1-19

Goal Kickers: S L'Huillier, E Sinnott, C Peterson, L Gray, I Wilson, J Nowell

Best Players: O Deam, L Gray, O Anderson, J Lewis, J Harris, O Hartney, M Charlesworth

This week we hosted Waverley Park in atrocious conditions at McKinnon Reserve. The key to victory was always going to be who adjusted to the conditions best and to our boys' credit they were the ones who handled them best. Our one touch skills were first class as we raced to a 3 goal quarter time lead. It was a much tighter contest after that with the team not taking advantage of the opportunities created and the heavy conditions taking a toll. Congratulations to our three 50 gamers, James, Joe and Evan.

**Stephen Canning**

## TEAM 'WILL'S BATCH' - U12's

St.Pauls McKinnon 6-4-40 defeated Dingley 3-5-23

Goal Kickers: Hannah 3 Tweedie 2 Kotev 1

Best Players: Kennedy, Sargentson, Lloyd, Gray, Hannah, Byrnes, Turley, Tweedie

Let me begin by saying that I deplore this 'saying', so let me end with the beginning - Kiama Pools have changed my life and there'll be a spa at my joint come end of season for the boys, after they've hit Andrew's Hamburgers and then Will's Batch Icecream. These fellas keep on giving, and now at the pointy end of the season, they're getting a taste of very competitive, physical football and they do not back down, or give in, and that's a testament to a bit of ole G&T, and I don't mean Gin and Tonic. Dingley had some fine players, but watching Tom Kennedy play the game of his life at full-back, Lloyd recover from two simultaneous windings to play a role, Ryan disperse the opp's structure with gut running, and Macka tackling hard and following up with some dash, it was hard to see how they'd lose. Jack Hannah's goal and jump was first-class, Youngy was fierce as ever, Jacob worked hard, and Tweed's courage and skill is just inspiring to watch. Finn's setup worked a treat, and Harry took some great marks. Well done Mick and Danny, another great team effort. MATT TURLEY, OH RUGGEDLY HANDSOME RUNNER, FRANKSTON BY THE SEA.

## ST.PAUL'S-ORMOND MASHERS U12 GIRLS

St.Paul's Ormond Mashers lost to St.Peter's

Goal Kickers: No goals

Best Players: Emma, Grace, Imogen, Lara

## TEAM 'MORTGAGE CHOICE' - U13's

St.Pauls McKinnon 12-11-83 defeated Hampton 2-4-16

Goal kickers: Astone 3, Canning 2, Jones 2, Catts 2, Fogarty 2, MacDonald 1

Best Players: Callum Jones, Tom Fogarty, Max Kennedy, Luke Egan, Daniel McDonald, Luke Astone

Eleven goal wins don't come along too often, particularly in cold, wet and windy conditions. With no bench we played our best game of the season, an almost flawless display in tough conditions. The game was won in the first half when we managed 5 goals to their one. The difficult conditions made it hard to kick accurately as we kicked 5 goals and 8 points to half time. We turned it on again in the second half and kicked 7 goals 3 behinds. Our backline was relentless when it was their turn to go and our forward line repaid them by scoring plenty. An almost relaxing day for the coaching group with what appeared to be little effort required. I don't think the runner or trainer left the bench for the day. The solid win keeps our hopes alive for the year. **Nick Fogarty**

## TEAM 'CHOICE FINANCIAL ADVICE' - U15's

St.Pauls McKinnon 19-18-132 defeated Murrumbeena 2-2-14

Best Players:

## TEAM 'BRENDAN NOBLE'S FURNITURE RESTORATION' - U16's

St.Pauls McKinnon 20-18-139 defeated Oakleigh 3-4-22

Goal kickers: Jake Halasz 5, Jeremy Lloyd, Mitch Thomas 3, Harry Hunt, Matthew Schwab Ed Rickards 2, 1 each to Daniel Thorson, Jack Fogarty, Harry Rodaughan

Best Players: Jake Halasz, Connor Byrne, Jeremy Lloyd, Saxon Van Oursou, Mitch Thomas, Matthew Schwab

In windy conditions St. Paul's travelled to Oakleigh for round 12 of the competition. The boys continued on their winning way through good carry and running. The kicks into the forward line were calculated and it was pleasing to see the ball shared around. Schwabby kicked 2 superb goals as well as setting up 2 others kicking to the hot spot. The highlight being the strong marking by Harry Hunt and Jeremy in front of the goals. The half backs continued to defend well led by Lewis and Josh Bull who would run the ball out of defence and spot up targets in the half forward line. Karl and Saxon shared the rucking and both did a great job in hitting up Nick in the middle. It is pleasing to see that the drills at training are being applied into Sunday's game and the boys are taking on what has been taught. A credit to all players. Congratulations to Sean and Jaison for reaching 100 games and celebrating the milestone with a good win. **Andrew Head**

## U17's

St.Pauls/Bentleigh/Murrumbeena 5 . 10. 40 lost to Cheltenham 10.10 70

Goal Kickers: John Hunter 2, N Stubbings, Joel Hannan, Nick McGonigal

Best Players: S Balic, T Walsh, G Mercuri, J Skalamera, B Scotland, T Brasher

In windy and slippery conditions we went in to this must win game with an open game plan and desire to make a strong contest for every ball. The boys responded with a tight defensive game into the breeze to hold Chelt to only 3 goals in the first quarter - Tim, Jordan, Dom and Chris worked well in the back half. With quick goals in the second quarter we closed the gap and dominated play through the midfield with Saf, Gianni, Brodie and Nick showing plenty of desperation to push the ball forward continuously. Unfortunately Chelt got away from us in the third with better ball use and accurate kicking leaving us with plenty of work in the last quarter. We opened with the first goal and were looking good in the arm wrestle that saw the ball fly from end to end in the next ten minutes. Bombing the ball long we peppered the goals but could only bring up some minor scores when we desperately needed a goal. With time ticking away we lost momentum and the game slipped from our grasp. This was a tough loss but in the context of our season there is still a spot available in the finals that won't be decided until the final round in 3 weeks, so we go into next week's game hunting for that elusive win. **Mark Brown**
