On behalf of the University of Canterbury Basketball Club it is a pleasure to welcome you all and especially our new friends from America, **Athlete's in Action**, for what should be an entertaining and a once-in-a-lifetime exhibition match. The Athlete's in Action side are on the tail end of their nine-game, 16-day tour of New Zealand and have played sides such as the NZ Breakers Academy and Auckland and Otago Universities before taking on UC tonight. They feature players from the NCAA Division I, II and III (college) competitions and have a massive forward line-up with five players over 6'7. Div 1 Valparaiso centre 6'10 **Vashil Fernandez** will play the pivot and heralds from Kingston, Jamaica. The **UC Men's Premier** side compete in the top Canterbury Basketball league and is one of six UC teams including the UC Women's Premier side which has won six of the last seven years. The Premier side features three former National League players who are all UC graduates and current UC Sport Athlete Development Programme (ADP) members: playmaker **Marty Davison**, centre **Brent Fisher** and forward **Sam Crozier** (pictured below). They combine with current UC students UCSA executive '14 elect **Dan Chan**, centre **Ollie Crawford**, along with first years **Dan Mulder** and **Finbar Argus**.
