PRESIDENTS REPORT – Finals Time

Well it's that time of year again when players and parents get excited about finals. As president I would like to thank all teams for their participation throughout the year and wish all teams in the finals all the best. Remember to play to win, to put the team before the individual, to respect the opposition and the referee. There can only be one winner and if your season ends without the win, it doesn't mean you're not a winner, it means you tried your best and another team was the better on the day. Doonvilla Football Club will be proud of you, as will your parents and supporters.

GO DOONVILLA.

Aug 12 Doonvilla Ladies had a great win on Friday night, playing really good football. Ladies if we can keep playing football like that we will be playing for a few more weeks yet. Let try and get to training and work on the positives from Friday night.

Aug 4 Great effort by Jack Day, Jack Sheppard, Jake Hillier, Joel Shilleto, Lachlan Kenny, Nathan Dreger and Codie Dunne all playing two games yesterday. 2nds had a disappointing 3-3 draw firsts had a good 4-

0 win. It was a great effort by these players as it was very hot at 3pm game and they showed the determination that is required to win games. Great to see Ducky playing firsts again and scoring goals and also to see young Codie get a taste of first Div. You all did Doonvilla Proud.

July 30 Another win to the Doonvilla Ladies over Bayside last night. Great effort from all the girls. It is great to see all the girls having a great time and enjoying themselves. The inexperienced players all playing their part and the more experienced sharing the workload. It was great game to watch, not because of the quality of play, but because of the spirit of both sides. Congratulations to both teams.

July 28 Well done to the 2nd Div men yesterday, 4-0 over KSS, a great effort to all who contributed.

June 14 To all Doonvilla Supporters old and new it is with much sadness I announce the Passing of Pam Farthing much loved mother of Andrew Farthing over night. Please keep Andrew and Mel in our thoughts and prayers on this sad day for a member of the Doonvilla Family. Peace be with you Pam.

June 13 Thanks to those who come out and watched the First Div men give KSS a

footballing lesson (9-1) on a wet night. Was a good performance but I feel we are still a long way from our best. Watch channel seven to see the interviews with Joel Neilson and Jason Loft. Jason had to sit out last night's game due to his UFC action down the bay last week. **Tony Dreger (President)**
