

## COACH'S CORNER

After a poor performance against the Saints last game the challenge is well and truly in front of us to win our last few games to avoid the wooden spoon.

Sometimes in a players career there is a moment that hits home and stings the pride and hopefully for us it the prospect of finishing last in a season.

The coaching staff and club will find out over the next three games what our players are made of!!

I have said since day one that this group can play the game and I know this group has plenty of ticker, it hasn't shown at times during the year but I know it's there!!!

So we will get to see what this footy club means to our players in the last three games and I am sure I speak for everyone when I say as long as they all have a crack, give an honest effort, believe in themselves and put their body on line then we can't ask for anymore!! Cheers Pav.

## **Inspirational Captain Reaches 150th First Grade Games.**

***People who have met Jamie Seymour know that he isn't one for the limelight! He just goes about his footy and plays for the team. This week vs. North Albury the man known as Scooter will play his 150th Senior Game for Roo's.***

***He joined the Roo's Under 18s from Rutherglen in 2003 where he won the club Best & Fairest and represented the O&M Under 18s in the same year. Since then he has been a regular senior player with the exception of 2010 when he returned to the Cats and won their Senior B&F.***

***The lure of playing O&M footy saw Scooter return to the Roos in 2011 where he was appointed joint captain and has been sole captain since 2012.***

***He capped off a remarkable year in 2012 winning the club B&F.***

***Scooter calls CRFNC home and believes every kid should play the highest level they can of which Scooter has done with pride.***

***The chance to play 200 games and hopefully win a Premiership with the Roos are the next goals for Scooter.***

## **ROO NETBALLERS REACH MILESTONES.**

### **Rebecca Didier - 100 Games:**

Beck has been an amazing asset to our netball club. Her commitment to the club as a whole has been positive. Over the last 6 years she has established a high level of commitment to netball training and expects all players to work as hard as they can during the week to get results. Her ability to teach the fundamentals to new and young players has had an impact on many girls. Her enthusiasm and passion for netball can clearly be seen in the way she plays and this has been a great example to many players. She is a dynamic player on the court and is able to push herself hard which has been an example to the other girls she plays with. Playing in centre has enabled her to be a stable influence on our A grade side for the 6 years she has been at C/R.

Beck started with us in 2009, she was Club Runner up in 2009, Club Runner up and League Best and Fairest in 2010, Club Most Consistent in 2011 and Club Best and Fairest in 2012

### **Lauren Connell - 100 Games:**

In the last few years that Lol has been involved she has shown passion and commitment to the club as well! Her love for netball is shown in her determination to play a strong and tough game on the court. Her ability to teach and communicate to players has been a great asset as well.

Both Beck and Lol have high expectations of their players! Which drives players to rise to the challenge! Lol started with our club in 1997, played 1998, 2002, 03, 04, 05, 2011, 2012 and 2013. She Coached A Grade 2002 & 03, B Grade 2011, 12 & 13 Lol won A Grade Best & Fairest 1997, 98 & 2004, C Grade Most Consistent 2012

### **Kiara McLean - 50 Games:**

Kiara McLean played her 50th A Grade game against Lavington, she has had a fantastic year, playing in GA, her work rate and accuracy in goals has been a credit to her rewarding her with some best on courts and 6 Nak awards this year which is the opposition coaches award. She also Co-Coached the 2012 C Grade to finals action!
