COACH'S CORNER

We head into the bye knowing that our efforts on the field are well below par. With 6 games to go it has to be said that we need to find out who wants to stand up & represent this great club now and in the future.

All players have been told that this club wants to keep pushing forward and that means we will be taking serious steps in coming weeks to find out who of our current playing group want to be apart of the journey.

Belief and Trust are two key words we have used this year and while **WE** (club & coaching staff) believe that we have talent in this group and talent coming through the juniors it is the **BELIEF & TRUST** in yourself and your teammate that will make all the difference on how quickly we can improve and succeed as a team!

We need to continue to work hard and stick together!!

Cheers Pav.
