## Summer 2013/14 Registration

## Friday Night Oakleigh

We are looking for a Coordinator for the Friday Night teams in the Oakleigh competition. At present this is being done by the Treasurer Jenny Binns who does not have children playing in this competition.

We require a parent from one of the Friday Night Teams to take over this role. This role requires a bit of work at the start of each season and then forwarding on newsletters and reminders of upcoming events to Team Managers through the season.

It would be great to have a representative from the Friday Competition on the Ashwood Wolves Committee as well.

## Ashwood Wolves Committee

Some of you coach and / or team manage but we really need to have some more parents become involved at committee level. You may even like to take on a role in a shared capacity with someone else. There are many smaller tasks that you can become involved with and even taking on a smaller role will help out immensely.
