With apologies to the sides that exited the premiership race, last weekend was a celebration of all that we want to see in local football across all three MPNFL leagues.

Dromana and Sorrento played out an amazing semi-final decided by the barest of margins in Nepean League, Bonbeach staged a remarkable comeback after looking beaten at half time to down Mt Eliza in the Peninsula League qualifying final, and trumping them all, Hampton Park scored its first senior victory since 2011 in the final round of Casey Cardinia League football.

While celebrating the successes of those that finished at the pointy end of the ladder, we want to make special mention of the effort of the Redbacks.

Every supporter in the MPNFL can remember the dark times of their club, where winning games was a bonus rather than an expectation and talk was always of hope or the future rather than the current.

When clubs are going through those hard times loyal helpers and volunteers are still filling water bottles, manning canteens and gates, and trying to keep the finances in the black. Also, even more loyal administrators are still liaising with us at the office and trying to tick all the behind-the-scenes boxes that make it possible for their sides to run out and play each weekend. At the end of the game, their voices would have been just as loud singing the song at the Robert Booth Reserve last Saturday, and that is a fitting way for all to end the season.

Narre Warren dominated the top of the ladder, but seven of the 10 clubs in the Casey Cardinia League will contest finals in 2013, rounding off the home and away season. That means that 72 per cent of our 32 clubs across our three leagues are saddling up for at least one finals appearance and that is a great result.

Remember you can access live scores across all our competitions during finals. If you are an iPhone/iPod/iPad user you can go to the App Store and download the Sporting Pulse App. To access live scores on other mobile devices go to: [www.sportingpulse.com](http://www.sportingpulse.com), select your sport, search the League name and away you go.

This service has been a real winner for MPNFL followers this season and the aim of the PCN Sports Alliance is to keep abreast of trends and new ways to keep our supporters informed with immediacy.

Good luck to all involved in finals this weekend and may the best sides win.

### On the Radar

This Monday is the big one for Nepean and Peninsula League players and clubs. The two leagues will hold a joint vote-count evening at the Mornington Racecourse with the competition's finest individual performances acknowledged. The Casey Cardinia League function will be held at the Cranbourne Turf Club on Monday September 16. The price of both functions is \$50 per person with a two-course meal provided and drinks at bar prices. Contact your club or the office for more details.

## Drawn Finals

**NO FINALS WILL BE REPLAYED  
IN CASE OF A DRAW IN ANY FINALS GAMES  
EXTRA TIME WILL BE PLAYED**

In the event of scores being level at the elapsed time, the timekeepers are instructed to sound the siren. The field umpires shall then.

- Direct the goal umpires to consult with each other as to the correct score. Teams are required to stay on the ground until goal umpires confirm scores correct.
- On receiving confirmation that the scores are level instruct both captains that the match shall recommence with the teams kicking to the same end as in the final quarter and that two five minute periods (with time on) shall be played with teams exchanging ends after the first five minute period immediately after the siren sounds.
- Consult both captains as to their readiness to recommence the match.
- Hold the ball aloft to indicate to the timekeepers that the match is about to recommence.
- The timekeeper shall then sound the siren and the match will recommence.
- In the event of scores being level after the two five minute periods, a further two five minute periods (with time on) shall be played with clubs exchanging ends after the first five minute period.

This process shall continue until there is a result.

Coaches are not permitted to address players at any stage after the three-quarter time interval

## Fathers Day reminder to country footy fans to look up and live.

Energy Safe Victoria (ESV) is reminding country football fans to stay safe around electricity at the official Look Up and Live AFL Victoria Country round this weekend. To coincide with Father's Day, ESV will be handing out look up and live re-usable coffee cups at country football matches in the hope that fathers, sons, brothers and everybody who works near electricity will keep the cups handy and remember this vital message.

A new TV commercial featuring Collingwood football star Dale Thomas will also be airing around this time, reinforcing the message that country workers should beware of overhead powerlines and know Victoria's 'no go zone' rules.

Father's Day is an appropriate time to issue a reminder because workers continue to be injured in accidents caused by machinery and equipment contacting overhead powerlines and sometimes these accidents are fatal.

For more information visit [www.esv.vic.gov.au](http://www.esv.vic.gov.au)

### Time to Test

The E.J. Whitten Foundation is asking country footballers, administrators and supporters to get behind the 'Time to Test' campaign.

The foundation is urging males over 50 to make 2013 the time to test for prostate cancer, by ditching their reservations about visiting their GP.

Early intervention can dramatically increase the chance of limiting the disease but still getting blokes to visit their doctor is proving challenging.

Check ups for men and women are very different as Dr Bernie Crimmins, author of *Blokes Health 1*, explains.

"It can be difficult to get men to go to the doctor," Dr Crimmins said.

"In the clinic when I call my next male patient, two people often stand up – one is a female who will be first in the room and say something like – 'you don't mind if I come in Doctor. I want to make sure he tells you everything.' Then generally a sheepish male follows with his eyes rolling to the heavens.

"The divide between men and women in health is further highlighted when you ask the male what has been the problem.

"Males may supersize their junkfood but downsize their complaints."

Dr Crimmins said pain is felt the same by both sexes, however, it is all about interpreting different language used by men and women.

"A female describes pain as 'kills, worse than child birth, excruciating', while the male version is 'didn't tickle or hurt a bit'.

"Men are still hesitant for regular check ups and unfortunately fear the dreaded DRE (Digital Rectal Examination) and it may have scared some men away.

"Women however have been trained by government endorsed Pap smear programs and Breast screen to have regular check ups. These don't exist for men."

The E.J. Whitten Foundation is also gearing up for its annual Grand Final Luncheon on Thursday September 26. The event, now 15-years-old, has been a major fundraising initiative for the foundation and has become an annual tradition for many men and women who love to be part of Grand Final Week.

The event, which has raised more than \$7 million since 1996, funds prostate cancer research, medical equipment and facilities.

Visit [www.ejwhittenfoundation.com.au](http://www.ejwhittenfoundation.com.au) to find out more about prostate cancer and to attend the grand final luncheon.

## Support acts - or are they?

The Casey Cardinia League home-and-away season wrapped up nicely last week, with all attention now focussing on whether anything short of an apocalypse can change the likely final outcome in September.

From round one Narre Warren has been the Black Caviar of the league and is on track to break the long-standing MPNFL wins-in-a-row record of Carrum, should the Magpies win their next two games. Each the other four finalists are being touted by many as 'making up the numbers' so that should provide plenty of inspiration to their coaches this weekend.

With apologies to 100 goal-kicker Marc Holt, the highlight of round 18 was without doubt Hampton Park's first senior win for two years. Against ninth placed ROC, the Redbacks played like a team possessed and put the game to bed in the first term. Tears were privately shed by some hard men watching on late in the final term as it became apparent that the long-awaited anthem would again be sung at the Robert Booth Reserve – a sign of the future it is to be hoped.

The other surprise was Berwick's underwhelming performance against Tooradin, which set up an elimination final to be contested by two 'lucky losers' this Sunday. The results of the other games went to script and now we come to the business end of the season where no team will be taking prisoners.

### Elimination Final

The mood at Pakenham and Berwick would have been subdued last weekend after both failed reality checks.

The difference was that only the most ardent and optimistic Pakenham fan would have expected the Lions to down undefeated top dogs Narre Warren.

On the other hand most Berwick followers walked away scratching their heads after Tooradin gave them a reminder that near enough is never good enough.

Pakenham coach Steve O'Bryan has endured a season of highs and lows with a side that he and his assistants have rebuilt from a low base in 2012. There has been a determination to maintain some consistency of selection at the Toomuc Reserve this year and younger players including Jake Kowarzik, Michael Taurua and Chris Cardona have taken their games to the next level. The return of Beau Wheeler, John Atwell and Nathan Brown, along with the inclusion of O'Bryan has also added class to the Lions line-up.

It has also been a season of change at the Edwin Flack Reserve with Berwick finally clawing back some pride under first season coach Rhys Nisbet. Nisbet already had the respect and friendship of most at the club and it was easy for stanch Wickers like Jason Kelly, Andrew Tuck, Paul VanSchilt and Brett Robinson to fall into step with their coach and lead by example on the field.

The goal kicking edge is clearly with Berwick and if it is s day that suits forwards the crowd can expect Nathan Waite, Jordy Andrews and Mitch Johnson to put on a show. That said, if it becomes tough in the clinches and a game of contested ball, the Lions look to have more players willing to get their hands dirty.

The unknown is what, if any, advantage the Toomuc Reserve will be to the Lions, but they have a mental edge

# Football Preview

over the Wickers after downing their more fancied rival by one point in round 11. That was the start of a patch of really good form that almost saw them snatch a top three position. That was not to be, and the Lions must face up to a do-or-die contest just to stay in the finals race. Berwick will approach the game with a determined attitude but the class edge is with the Lions and it will be Pakenham that earns another week on the training track.

## Qualifying Final

The challenge of the challengers will take place to decide which club has the first crack at undefeated minor premiers Narre Warren, and this game will be a corker if both sides bring their best to the Edwin Flack Reserve this Saturday. Cranbourne played inspired football last week and if they repeat that against an in-form Beaconsfield this weekend, the crowd will be the big winners. This game is crucial to the grand final aspirations of both sides.

Beaconsfield started the season under a new coach but an old face at the club in Clint Evans. The debut of new plush facilities along with the inclusion of new blood including Nar Nar Goon premiers coach Clint Williams, Ben Kerrigan and Scott Meyer created an expectation of improvement. That came to fruition but took more time than many predicted. Beaconsfield has maintained a running game style and that is the type of game that wins finals. Last week was a good tune up for what is to come this week.

Cranbourne coach Doug Koop would have hoped for top spot but accepted second place at the start of the year. He is coaching his last finals series after six seasons at Casey Fields and will be aiming to go out with a second pennant to his name. Maintaining the second chance and first crack at the Magpies will be his aim and his match winners in Marc Holt, Justin Berry, Ryan Davey and Curtis Barker love nothing more than turning on the lights on the big stage. The chance presents itself again this weekend.

The key to the game will be how quickly Beaconsfield can move the ball into attack and maintain possession because Cranbourne will be sweating on turnovers. Cranbourne's defence is their springboard of attack with Nick Barker and Matt Thompson providing the experience. Beaconsfield has ball magnets like Daniel Mislicki and Josh Dodsworth in top nick at the right time of year and the result may come down to which side uses the ball best when they have possession.

This will be a cracking game and the team that hits the ground running will have a significant advantage. Both sides defend a lead well but neither is big on clawing their way back after a bad start. Cranbourne loves playing on the big stage and Berwick has been a successful venue for the club over the last five years. Cranbourne is a seasoned finals combination and generally find a way to win games that matter. Both will want a crack at Narre Warren but it will be Cranny that gets first go.

## Reserves

Berwick will enter this weekend's qualifying final against Cranbourne as favourites but if complacency creeps in to the Wickers' mindset they will lose. Cranbourne will not give two hoots that the game is at the Edwin Flack Reserve because they have already downed Berwick at the venue this year. The Eagles are a hard running side that likes to play in space, and their defence is one of the tightest units in the reserves competition. On paper it is Berwick, on the ground it will be Cranbourne.

Doveton will meet ROC at Pakenham in the elimination final on Sunday and neither coach has too many unexposed secrets given the pair played only a fortnight ago. The Doves won that encounter and should repeat that in a game with more on the line. The Kangaroos did a good job just to make the top five because the senior side continued to take players throughout the year to cover injuries. The Doves look too good around the middle and in attack and will keep the faith for one more week.

## Under 18s

The qualifying final will be fought out between Berwick and Beaconsfield who come fresh off the Keysborough bye. The Wickers have continued to look the most danger to Narre Warren's premiers aspirations this year and it will take a super effort from the Eagles to cause an upset. Berwick looks too strong particularly in attack, and a win will set up a huge second semi final challenge for the talented Wickers.

The elimination final clash between Pakenham and Cranbourne will be a test of the Eagles will given the Lions have the home ground advantage. That, however, might be the only advantage that the Lions have because, excluding four premiers points, statistically Cranbourne has an edge on their rivals. The Eagles will need to expose Pakenham's lack of scoring power and take the game on early because, if they allow the Lions to shut it down, season 2013 will end very smartly.

# Club Notes

## **Berwick Wickers**

Our Colts started the first week of their finals series in a 1v2 clash against Narre at Home Park Rd. The conditions were not ideal with a strong wind going to one end, and a very poor start from our boys resulted in a 5 goal defeat. Apart from the first qtr it was a very competitive contest, with Captain James Andrews leading from the front with his work rate and attitude while Chris Zeeman was controlling things across half back and Joel Presland had a terrific last qtr gathering plenty of the footy. The boys get a chance against Beacy this week and we wish them all the best with an opportunity to make the GF.

The rest of the club travelled down to Tooradin, the U/18'S with a workman like performance having a comfortable victory. The usual suspects among the goals Sigeti 6, Money 3 and Connelly 3, Lachy Shaw and Nic Hillard were among the best both gathering plenty of the footy and quality entries inside 50. Goumas after a few weeks out with injury also continues to get back to his old form and Brody Connelly adds some class up forward. The boys now need to work hard throughout the final series to give themselves every opportunity to defend their premiership title.

The Reserves also got the job done against an opposition not totally focused on the footy. It was great to see Humpa back playing after a poor run with injury and 3 goals was a good reward for his recent hard work in rehab, tall targets Copeland and Harrison were also very impressive both finishing with 3 majors each. Choppa with a couple of games back after injury was the most dominate player of day while Cherry worked hard to win plenty of his own footy while getting plenty of attention from the opposition. The reserves start their finals campaign this week, and the talk all week will be when Homer plans to unleash himself during the finals series.

The Seniors were disappointing with a 7 point loss not ideal as they progress to this week's final series, but let's hope a good week on the training track will have them primed for an Elimination Final against Pakenham this week.

Also good luck to all our Netball teams competing in this week's finals.

Presentation Night 27th September – Cranbourne Racecourse, see Trenta and Julie for tickets.

Go Wickers

## **Beaconsfield Eagles**

In the blink of an eye, it has come and gone so now for the finals. Last week a good win in both seniors and the resses, while the u18s had a week's break. The big win was with the Devels team who got the points in a nail biter against Mt Eliza. They now play Berwick in the Preliminary Final to decide who will challenge Narre Warren for the Premiership.

In the main game last week, conditions were good for footy and Beacy got off to a solid start in the 1st quarter and continued in the 2nd to lead by 29 points and 1/2 time. Meyer continued to dominate the ruck and around the ground with great support from the mid field. Goals were shared with 4 to Meyer and 3 to McPhie back for his 1st game in a few weeks. The win cemented our spot in the top 3 which was a goal at the start of the year and provides us with the double chance.

Today at Berwick we do battle again with Cranbourne who we beat well just a few weeks ago. We know that this will be a different Crannie that ran out last time, but our best efforts on the day are as good as the top teams in the competition, good luck boys, let's give it our best. Well done also to the under 18s on their season and top 3 finish. A tough game this week against Berwick, but we know your best is as good as the rest.

Please please please to all players, officials and supporters, tickets for presentation night are selling quickly and you must book your tickets and pay with us asap to ensure you have a seat. Tickets are limited to 180 and it is first in for this. Netballers, please see Ian Flannery as he has booked 40 tickets for the netball. All details are below for dates and times.

The Beaconsfield Football Club invites applications for Coaches for Season 2014 in the following Grades Reserve(s)

Under Nineteen [U19]

Under Seventeen [U17]

Applications are to be made in writing to The Secretary Beaconsfield Football Club P.O Box 107 Beaconsfield direct to secretary@beaconsfieldfc.com and are to be received by Close of Business - Friday September 27th 2013

## Cranbourne Eagles

Doveton really is the family club isn't it? What a great group of people. Through thick and thin their supporters always turn up to back their club. The great rivalry between our clubs and the great respect we have for each other was evident on Saturday last when we clashed at Robinson Reserve. Our victory was hard fought despite the scoreboard difference and gave us a very good preparation for our finals campaign. What a pity our sick friends and those who listen to the games from afar including Mitch's uncle in Canada, the Smart family in Lakes Entrance and the LePoidevins in Mildura will have no idea how we fare in today's Qualifying Final against Beacy until after the game is well and truly over. Still you can't beat city hall can you?

Leigh Matthews will entertain us this year at our sponsors breakfast at Trios on September 6th. We hope all of our sponsors can enjoy us at 7.30 a.m. on this day so that we can express our gratitude to you. If you have not received your invitation contact Shane Baker on 0414 428 419.

Buy a ticket in our trailer raffle. See Sue Rus or Wendy Davies at the ground today. And while you are chasing these ladies around book your ticket for presentation night from them also. This year we will be having this event at the Cranbourne Turf Club on Saturday October 5th.

Our AGM will be held at the rooms at 7.30 p.m. on November 18th. You never know you could end up being President. What fun that would be particularly when you get home and tell your wife or husband.

Our Youth Girls are in yet another Grand Final tomorrow morning at Shepley Oval. They are going for their fourth flag in a row. If you can get along to support them they would appreciate it. To all of our Netballers and Footballers in all grades, we are very proud of your achievements in making the finals. Be proud of the Blue and Gold and give your all for the club.

**wish to advise you of Liquor Licensing Laws  
that will apply through-out the finals series.**

There will now be specific allocated "WET" areas where you will be able to purchase and consume alcohol. These areas will be clearly defined & cordoned off with appropriate signs.

No alcohol can be consumed outside these specified areas. No person under the age of 18 will be permitted inside these specified areas. Any person in possession of an open container of alcohol outside these specified areas will be subject to \$100 fine.

No alcohol can be bought into the ground by the public. Police and Football club officials will be searching vehicles upon entry to the ground at all finals matches.

Working towards a safe, family friendly environment.

## Stingrays News

### Falcons defeat Stingrays in the last round of the TAC Cup.

The Dandenong Southern Stingrays recorded their a loss in the final game of the home and away season for the TAC Cup, losing to the Geelong Falcons by 41 points on Saturday after a very dominate display the week before.

The Stingrays team were completely outplayed by a very well drilled and discipline team in the Falcons who were dominating the scoreboard in the opening term, leading by 20 points at the first break.

The Stingrays had plenty of the play and were dominating the inside 50 entries but could only manage points, a trend that last until the 3rd quarter where they finally broke the drought.

This trend of dominance and wayward kicking continued in the second quarter with the Falcons lead growing to 28 points at half time, and from there the game looked like it was practically over as the Stingrays were held goalless for two quarters for the first time this year.

In his half-time address, Stingrays coach Graeme Yeats employed his team to lift their work rate after their poor first half on the scoreboard and pleaded for the forwards to catch something, stressing everyone needed to defend their area better to stop the free flowing running on the rebound. His final advice was when you had a chance to convert to nail it as there was plenty of hard work being done in the back half going without reward.

In the third term, through better conversion, the Stingrays managed to kick the first three goals and got within 2 goals, until a lack of concentration and a free kick straight after a Geelong goal to see the Falcons once again take control of the game.

A positive for the quarter was the Stingrays managed to outscore the Falcons with the margin 27 points at the siren.

"The score line is not always a true reflection of the state of play and at ¾ time, most of the stats would most likely been in our favour,"Yeats said.

The last quarter Geelong once again had the game on their terms with overlap running with the ability to kick

goals, whilst the Stingrays were more competitive in the second half the game was never in real reach.

"It was a hard day to assess the performance of the team as if we had kicked straight we could of easily of been in front at half time and the score...we just couldn't manage to close the gap on the day." Yeats said.

"I think there were a couple of positives in personnel- we're really raped with our underage players and a few of our top age players are starting to play consistent football at the right time of the year."

He went on to say "We defiantly were beaten by a better team who will be hard to beat though the finals campaign...they have set the benchmark all year for the TAC Cup and they continued that today."

In spite of the weighty defeat, Stingrays Talent Manager Mark Wheeler believed that the inexperienced group had learned some invaluable lessons from the game.

"If we learn to work together and harder, we will be in the game longer- you're then a chance to do what we did for the previous 5 games." Wheeler said.

"The Falcons have always liked to play football on their terms, they like to be a very attacking side and instil a lot of belief in each other- we once again allowed that to happen today and to make it worse we missed too many opportunities in front of goal."

The positive for the Dandenong Southern Stingrays is they have finished third on the AFL Victoria TAC Cup ladder with 10 wins, 7 losses and a healthy percentage of 121.94, giving them a valuable double chance in the AFL Victoria TAC CUP finals series.

This is the eighth consecutive year the Southern Stingrays will feature in the finals, a tribute to the very well structured coaching and support staff the Stingrays have in place.

This weekend the Dandenong Southern Stingrays will play the Eastern Ranges in the 2nd Qualifying Final On Saturday, August 31st at Visy Park, Carlton.

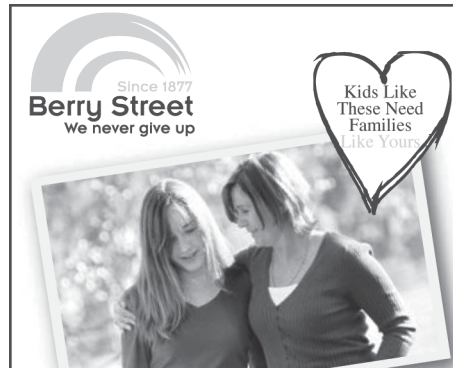

The game starts at 11:15am, entry is free.

Dandenong Stingrays	0.4	0.10	3.11	5.12.42
Geelong Falcons	4.2	6.2	9.2	13.5.83

Goal Kickers: Dale Gawley, Billy Hartung, Tom Lamb, Angus Scott and Josh Pickess

Best Players: Nathan Foote, Tom Lamb, Jordan Bastinac, Daylan Kempster, Jack Soroczynski and Billy Hartung End.

**Quality Communication.**

Effective interpersonal skills are attributes which are common to successful umpires. Earlier this year the AFL High Performance Umpiring Academy identified a set of key components of effective communication:

**Listening**

They identified that being a good listener and having empathy with players assisted in ensuring effective communication.

**Remain calm**

Players respect umpires who are able to remain calm and composed when delivering messages in emotive situations and use positive body language and eye contact to manage situations. Umpires do not need to have the last word - ignore players if you have responded to their query and they want to keep going.

**Using tone & whistle** - There will be times during a game where it is important to convey a sense of urgency and tone can be used to great effect. For example, if you're trying to quickly clear the protected area when a player is having a set shot from a tight angle it may be appropriate to use your tone to convey that players must quickly vacate the protected area.

Likewise, in loud situations an umpire can use the whistle to get the attention of players.

**Law terminology** - When delivering messages it is important to use appropriate language. This includes having a thorough understanding of the laws and using the terminology from the law book.

**Be precise** - Umpires should avoid rambling or speaking for the sake of it. Do not commentate games but say only what is necessary. For example, the umpire should not feel the need to tell players to knock the ball out during a scrum. Awarding a holding the ball sends the same message.

**Avoid trying to be funny** - Trying to be funny usually doesn't work. Players can misconstrue attempts at humour as a level of disrespect.

**Encourage other umpires** - Teamwork is important and encouragement has a place. However, don't fall into the

trap of constantly pumping other umpires up.

There are many opportunities on match day to demonstrate effective communication. Whether it be on arrival, during the match or after the match communication is an important part of an umpire's role.

**Developing a Game Plan** - One of the most important aspects of pre-match preparation for an umpire at any level is the development of a game plan.

A game plan is a set of rules and guidelines that an umpire aims to implement into his/her match in order to optimise performance.

It is vital that a game plan is created as it defines how an umpire should approach a match and what they should be aiming to achieve throughout the course of the game. At the elite level, the AFL umpires game plan includes the following:

**Game Plan**

- Let them play football
- Take control when appropriate
- Communicate effectively
- Pay all infringements
- Follow team rules
- Bounce straight

**Team Rules**

**Character**

- Integrity
- Professionalism
- Honesty
- Lifestyle

**Knowledge** - Understanding the laws of the game and their application

**Teamwork** - Support on and off the field

**Zero Tolerance** - Zero tolerance to demonstrative/verbal abuse

**Work Rate** - 100% effort 100% of the time

When creating your own game plan, it is important that it is developed in conjunction with your coaches and mentors to ensure that the most appropriate plan for your umpiring is created.

A sound game plan will increase your umpiring performance and make the game more enjoyable to umpire.

**Up Coming Events:**

First Grand Final Appointment Night of season 2013 will be hold on the Wednesday the 4th of September starting at 7.30 pm at the Seaford Rooms. This Grand Final Appointment Night will be announcing the umpires who will be running on the Junior & Nepean Grand Finals.

# Club Notes

## Doveton Doves

What a great game of footy the reserves game was, with both sides playing for a bit of pride coming into the finals it went down to the wire, tough hard at it football, it was great to watch, well done both sides. Congratulations to Marc Holt on his 100 goals (great player), but I thought Daniel Zajak played a terrific game on him. The under 18's were beaten pretty comfortably by Cranny to end their year. Well done to Phil and the boys on the year, week in week out you came up against bigger and more talented opposition but you stuck together and you fought each game out to the end, I hope you all come back next year for the new under 19 competition, you will be suprised at the difference a year makes, again great effort boys. Today we play ROC in the elimination final – good luck to Brownny and the boys. Dates to remember are Saturday 7th September we have Junior Netball Presentation at 6.30pm at the rooms. Sunday 8th we host the Casey Cardinia 1st Semi Finals – any helpers welcome. Friday 27th is the DFNC presentation night at the rooms. Saturday 28th we have our AFL Grand Final day function with a big screen and jumping castle etc and finally on 6th October we have the Doveton Netball Club AGM starting at 10am and the Doveton FC AGM starting at 12 noon. The Doveton Football Club would like to take the opportunity to thank all our sponsors during the 2013 season and we look forward to your continuing support in the future.

Quote of the week "To be the best you must beat the best - there are no second chances"

Go Doves

## ROC Kangaroos

ROCFK travelled to Hampton Park last week with results as follows:

U18's prepared well during the week with the continued inclusion of some quality junior players and went into the game full of confidence. A well deserved victory was the result which made it two consecutive wins for the first time this year and a great note for everyone involved to finish on. Couldn't split best players following a great team effort. Many thanks to Cheeky and all those involved with the 18's squad this year.

Ressies started slow but with a trade mark spray from the "Bomb" came out firing after the main break and ran out decisive winners. Mentions to Matt Brown, Boots Commerford and Braydo Mchugh.

Congratulations must go to Hampton Park in the main game with a great opening term that set up a comfortable victory for the final game this year against an opposition that offered little resistance and were more than happy to just go through the motions. An extremely disappointing conclusion for all involved.

All roads lead to Pakenham this Sunday, for a 11.45am start, as our Reserves take on Doveton in a must win elimination final.

Vote count was held last Sunday with congratulations to following B&F winners for season 2013, U18's: Jarrod Marson, Reserves: Jim Commerford, Seniors: Andrew Logan.

The club is currently seeking applications for the positions of: Reserves Coach (playing or non playing) U17 & U19 coaches.

Applications in writing to the Secretary at: rocfc@icloud.com

Applications close on the 27th September.

Good luck to all ROC football and netball sides participating in finals.

Social: Saturday 5th October, Presentation night, Beacy Community Centre

\$55 per head, 2 course dinner, 6pm start.

Tickets will be pre sold only and capped at 160.

Strictly no denim.

Don't be disappointed, see Paul Rutter today

Football club AGM: Wednesday 16th October, 8pm start.

For sponsors packages see Plugga or Longy.

For Past Player info and packages see L.J Hughes.

GO ROC

## Pakenham Lions

Last week against Narre Warren the Senior boys were asked to not leave anything behind and just throw everything out there to see how Narre Warren responded. The first half was a thoroughly entertaining game of football, with both sides playing at a very high standard. We went into the half time break 10 points down, but with great confidence that we were matching it with the best. The high standard of football continued throughout the third quarter until Narre ran out 41 point winners. The final margin didnt really reflect on the closeness of the game and it was fantastic to see that we were extremely competitive against the best. The margin was the smallest winning margin for 2013 and the game was a perfect lead in to todays Elimination Final against Berwick. Ressies:- In our final game of 2013 Narre beat us by 99 points convincingly. In a year that has been disappointing overall due to numerous injuries and lack of enough players at times, it was good to see the improvement in the boys in the second half of the season. With a bit of luck we should be really cementing a finals birth next year. After the game, the boys enjoyed their last time as a team together by celebrating the year with a dress up day on the balcony watching the seniors play extremely well. It was fantastic to see so many of the boys dress up as Bevo in the Team Bevo section of the grandstand. Under 18s:-,As per the senior game, our game was important to see how we went against the top side. Up until half time we played a zone style of football which didn't seem to work. So at half time, we decided to go to a man on man game which certainly worked better for us. Narre were just that bit cleaner and at times we seemed to rush our decisions. However, it showed us what we need to work on coming in to the finals. Massive game this week and hopefully the boys are primed as the winner stays in and the loser goes home. Don't forget Pakenham Presentation Night, Friday 27th of September, 7pm till 1am, in the function room. Tickets \$40 each, admits 2, Formal Attire, 2 course meal. Then on the next day, we are holding the AFL grand final day again on the big screen.

# Footy short stories

Footy short stories is an weekly update of the little but important things going on in local football and netball communities, if you have a short story you would like to have featured please email all the details to [ianb@mpnfl.com.au](mailto:ianb@mpnfl.com.au)

Your stories can be about people around the club, club legends at the venue, local general practice or hospital emergency department.

### **Wipe of 5 and you could win \$5000.00**

It's up to all of us to keep within the speed limits. Support the drive, tell or show us how you'll Wipe off 5, and you could win one of five \$5000 cash prizes.

To help keep our roads safe and send the message about the dangers of low level speeding, we want you to get involved. You can write a few words, snap a photo, upload a video, tweet, or Instagram – just about anything that lets us know how you'll Wipe off 5.

Check out the entry feed or watch the latest ad if you need some inspiration to get you started. Otherwise select your category below and go for it! You can enter on your own, in a group, with your workplace, school or sporting team.

It's all about using your creativity and having a go and to enter visit the following website <http://www.wipeoff5.com.au>

### **Strong Partnerships**

SEVERAL factors underpin the Peninsula, Casey Cardinia and Nepean Football Netball League competitions maintaining their status as a leading AFL Vic Country affiliate and the role they play in the football and Netball pathways in Victoria.

One key foundation plank is the partnerships which have been nurtured and developed to provide PCN Sports Alliance with the financial support and stability to plan, manage and administer these competitions.

These are mutually beneficial partnerships that ultimately provide the desired outcomes of both parties which from PCN Sports Alliance viewpoint relate to brand association and sustainability to ensure the continued success of these competitions in an ever changing environment. Some, like Bendigo Bank, have become synonymous with their involvement in our local communities, Sporting Clubs and Naming Rights partner to the League for more than 5 years.

There is an overarching philosophy behind much of the work carried out by Bendigo and Adelaide Bank in both its day-to-day banking activities and in the work it does with Australian communities on activities unrelated to banking.

In particular, our Community Bank® initiative continues to resonate with customers and their communities a decade after it was first introduced.

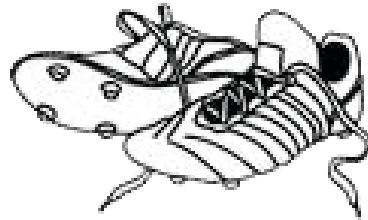

Community Bank® branches provide communities with more than just quality banking services – they deliver employment opportunities for local people, keep local capital in the community, are a local investment option for shareholders and provide a source of revenue for important community projects determined by the local community.

### **Grand Final DVD Downloads**

This year the league will be filming the under 18's, Reserves and Seniors Grand Final Matches. These matches would be available for download via our PCN Sports Alliance Media Red Vision portal site 4 days after the event and clubs, players and supporters will then be able to download and purchase the vision.

Get all the Football and Netball news on the go anywhere anytime

Since the launch of the new league mobile device app's players, coaches, club supporters, umpires and the community have been kept well up to date with the latest news and information. Download load the official league app from either the iTunes or Google Play store or keep connected

# Casey Scorpions News

## Rd 19 Casey Rue Missed Goals at Box Hill - Paul Army

FOR the Casey Scorpions, the difference between the victor and the vanquished was vast.

They lost to Box Hill Hawks by two points in last Saturday's final VFL home-and-away round at City Oval, and they probably should have won after missing some easy chances in an engrossing final last quarter.

It sent them to fourth place on the ladder and they must travel to Simonds Stadium on Friday night to meet minor premier Geelong in a qualifying final. If they'd won, they would have finished second and hosted a final.

On such contrasting scenarios did hang a handful of stray shots late in the match, notably from left-footer Dom Barry, whose composure deserted him when he had the opportunity to put the Scorpions in front. They looked out of it when they fell 26 points behind in the third quarter.

At that stage they'd kicked only four goals in a match that coach Rohan Welsh thought bore the pressure of a final. But they kicked the last three goals of the term, two from Tom Gillies and one from James Magner. Then a Nathan Page snap cut Box Hill's lead to two points early in the final quarter.

Soon after, Jake Best was wide with a straightforward set shot, but Casey led by a point. The rest of the game was played at a pitch higher than anything before it. It had to be: these were high stakes.

The Hawks edged ahead through Sam Grimley and Mitch O'Donnell goals, but Gillies, more noted as a backman, but having an influence in a Jesse Hogan-less forward line, threaded his third from a tight angle.

It was back to six points. And from there the persisting Casey had its chances but couldn't take them, Mitch Gent missing on the run and Barry wide from close in. Box Hill held on, grimly (and with Grimley) and a touch fortunately, Hawks coach Damian Carroll thought. "Gutted" was Welsh's first word as he began his post-match talk with his players.

But he said he saw a "care factor" that would serve Casey well in the weeks ahead. He set down the challenge: the club hadn't won a final in six years and had gone out in straight-sets in the past three seasons. It wasn't good enough, he said.

Now was the time to put a stop to it. He asked if any players had appeared in a winning final at VFL level. There were few raised hands. But Gillies said quietly that he'd played in Geelong's VFL premiership last year and it was his greatest moment in football.

The words lingered like the smell of liniment. Welsh spoke of what it would take to defeat the Cats: unrelenting effort from every player.

It was stirring stuff.

If at that point he'd asked them to run through a brick wall, 23 players would have tried (and might have wound up in the adjoining Box Hill social club).

"There were times when we looked like we were going to be blown out of the water but we worked hard enough to get back into it and put ourselves in a position to win it," Welsh told Leader. "We had the majority of play in the last quarter but we didn't hit the scoreboard. "That was the disappointing part, the guys not getting the reward."

The Cats have won their past 11 matches and in the final round defeated Bendigo by 201 points. A formidable task awaits the Scorpions. But they were the last team to defeat Geelong and they may regain prolific Tom Couch from a hamstring injury.

And, like Welsh said, they have a "care factor" arguably missing in previous campaigns.

### SCOREBOARD

Casey Scorpions	3.2	4.4	7.9	9.16.70
Box Hill Hawks	3.5	5.7	8.11	10.12.72

Casey Scorpions goals: Gillies 3 Page 2 Jamar Best Nicholls Magner. Best: Gawn Jetta Sellar Petropoulos Gillies Best

Box Hill Hawks goals: Retzlaff 4 Grimley 2 Spangher 2 Lowden O'Donnell. Best: Spangher Simpkin Ellis Cheney Retzlaff Kelly

A few surprises in the final home and away round saw ladders positions shaken up ahead of an expected close finals series.

After sitting on top of the leader for the majority of the season, Narre Warren slipped to second after an impressive win by Pakenham. An injury riddled Narre Warren matched it with Pakenham for the first three quarters before Pakenham stepped up the intensity and dominated the final term to win by 13 goals. Rachel Priestly was a tall target for the Lions, shooting accurately. Meaghan Atkins led the way in the midcourt, directing play and feeding the goalers with ease. Pakenham looked like a determined team that could cause an upset or two heading into finals.

Berwick have finished the season off strongly, recording a 21 goal victory over Tooradin. The Wickers appear to be coming into form at the business end of the season, earning top spot and the week off.

ROC defeated Hampton Park by 11 in their final game for 2013. After an up and down season, ROC will be keen for a more settled 2014.

Beaconsfield was back to their steady form, recording a 21 goal win over Keysborough. This young side has finals experience on their side with several successful junior players led by captain Jasmine Maddocks playing prominent roles in past seasons.

The B Grade Competition continues to produce exciting results. In the final round for 2013, Tooradin and Berwick played out a draw. Beaconsfield held off a gutsy Keysborough to win by three goals while Narre Warren only shook off a determined Pakenham in the final quarter to win by 15 goals. The final five will be a tight contest with all teams experiencing close contests throughout the season.

The top four C Grade sides all produced wins in their final round. Narre Warren struggled to shake off a persistent Pakenham while Beaconsfield, Berwick and ROC all had big wins ahead of their finals campaign. Doveton finished off their season with an exciting win over Cranbourne.

In the 17s Beaconsfield had a Bye due to the Keysborough round and will have a second week off after finishing on top of the ladder, undefeated all season. All the finals contenders were winners in the final round, with Narre Warren, ROC, Berwick and Cranbourne recording convincing wins.

ROC were big winners in the 15s competition, racking up 90 goals in 40 minutes of netball. Narre Warren, Berwick and Cranbourne all took the four points ahead of the finals race.

Narre Warren and Pakenham played out a close game in the 15 Gold, with Narre Warren just getting over the line. Berwick and ROC were also on the winners list ahead of their final four finals series.

The youngest of the competition continue to produce a high standard of netball with Pakenham taking the points over Narre Warren to secure second spot. Doveton were winners over Cranbourne and have earned the week off after finishing on top of the 13s ladder.

## Game Schedule

### Qualifying Final

#### SATURDAY 31st AUGUST AT BERWICK

9.00am 13 UNDER Pakenham v Narre Warren

9:15am 15 UNDER GOLD 1st Semi Final

Narre Warren v Beaconsfield

11.00am 17 UNDER Narre Warren v ROC

12 noon C GRADE Berwick v ROC

1.15pm B GRADE Beaconsfield v Berwick

2.30pm A GRADE Narre Warren v Pakenham

### Elimination Final

#### SUNDAY 1st SEPTEMBER AT PAKENHAM

9.00am 13 UNDER Beaconsfield v ROC

10.00am 15 UNDER Pakenham v Berwick

11.00am 17 UNDER Cranbourne v Berwick

12 noon C GRADE Narre Warren v Cranbourne

1.15pm B GRADE Tooradin v Keysborough

2.30pm A GRADE Beaconsfield v Cranbourne

Good Luck to all clubs participating in finals this weekend. The Elimination Finals on Sunday will cut the remaining teams to four while the top sides will re-join the hunt for September glory in week two. Let's hope for an exciting, nail biting weekend of matches!

### Pakenham Lions

A Grade: Played an exceptional team game on Saturday to lock in third position heading into finals. Level at 28 all at three-quarter time, it was anyone's game and the girls were asked to work even harder. They responded with an amazing last quarter shooting 19 goals and holding the opposition to six. The commitment and discipline of this side is currently at a great level; however, most pleasing is the ability to work as a team and work hard.

B Grade: As has been the theme with this talented group this year, the scoreline did not reflect the evenness of the game. A fantastic and competitive effort by the entire team, who put up a great fight all day and gave Narre a real battle. Unfortunately conversion was hard at times and as a result we went down by 15 goals, but overall the team played extremely well.

C Grade: The girls played a great competitive game against a tough Narre side. The defence worked tirelessly, shutting down the Narre goalers, with the mid-court backing them up nicely and creating some great drive down the court. Our goalers worked hard, shooting some awesome goals. We ran out of time, and the final score saw us go down by three goals. A fantastic team effort.

# Netball Notes

Under 15s: Narre Warren got the jump in the first quarter, taking a ten-goal lead. As the game progressed we fought to maintain some consistent play going almost goal for goal in the second and fourth quarters. Unfortunately we did not take the win, however did decrease the margin from our last encounter.

Under 15s Gold: The 15s Gold went back to having our original side back, with no more injuries. The first half saw the girls taking some time to gel together again. It was great to have Jade back from injury and having her and Chloe working together in the goal ring. The mid-courtiers played a strong steady game down the court.

Under 13s: Pakenham's commitment and ability to work together as a team was the winner this week. Pakenham met all challenges asked of them. The 13s look forward to a successful final series.

## **Narre Warren Magpies**

For the final home and away game of season 2013 Narre Warren travelled to Pakenham for seven great contests in dry conditions.

The 13s were fighting to hold onto second place against a tough Pakenham side. After a close battle the 13s went down by 9, leaving them in third place on the ladder. They will be keen to turn the result around in their re-match with Pakenham in the Qualifying Final.

A strong win against Pakenham meant the 15s finished on top of the ladder, undefeated in season 2013. They are rewarded with the week off.

The 15s Gold played out an exciting match against Pakenham winning by four goals in the end. They take on Beaconsfield in the first week of finals.

Keen to cement the double chance, the 17s begun well and maintained their concentration and determination for four quarters winning 38 – 22. Sitting second on the ladder, the 17s will face ROC in the Qualifying Final.

C Grade begun well with a solid first quarter. Goalers

Emma Pansow and Carly Booth rotated the circle effectively while at the other end Courtney Phelps was a standout in defence. Narre Warren lost concentration in the third term allowing Pakenham to close the margin to two. With finals in mind, Narre Warren dug deep to hang on for a three goal win.

B Grade was a tough, physical encounter. Our defenders combined well to limit Pakenham's opportunity to score while Britt Donaldson continued her good form, driving the ball through the mid court. Holly Booth was accurate in the goal circle, working well with Jacqui Wimmers in the final quarter to increase the margin to a healthy fifteen goals.

With top spot on the line, an injury stricken A Grade side faced a tough match against Pakenham. Defenders Adele Clydesdale and Tracey Dell battled away against the tall Pakenham goalers. Narre Warren fought hard to have scores level at three quarter time but couldn't hang on to secure the four points. A Grade now faces Pakenham again in the Qualifying Final and will be keen to turn the result around.

As the home and away season draws to a close, the Black and White Army will be marching into Finals with all seven netball sides represented.

## **Beaconsfield Eagles**

In the last round of the season, Beacy hosted Keysborough and were well prepared for a very tough day. After being down on form and suffering badly with injuries the Eagle A Graders showed all their fighting spirit and took the game right up to Keysborough. The two sixteen year olds, Danielle Cameron and Kaela Hughes were all over their much older opponents, kept their heads together that frustrated the keysy attack who just could not escape the defensive pressure. Captain courageous Jasmine Maddocks lead from the front and ran tirelessly all afternoon while barking instructions and encouragement to her team. Bianca, Mel and Jacinta were confident in front of goals and the scoreboard agreed.

B grade came up against a spirited Keysy side and in what was our worst quarter of netball for the year found ourselves at one stage, 12 goals down. The 2nd quarter bringing KP into defence and Danielle into goals and with Georgie running hard through the middle got us back within 3 at the main break. In the opening minutes of the 3rd quarter the eagles dropped their guard and found themselves down by 8 again, but through hard work and a never say die attitude, went in to the last quarter only 1 down but with all the momentum. The last quarter saw KP, Bec and Rach get well on top of the keysy attack while Jazzy and Danielle rewarded the hard work of their midfielders with some accurate shooting. Beacy were able to run all over the top of Keysy in a great come from behind victory with KP and Rach taking out the best on court awards with great defensive games. The Beaconsfield C grade team finished off the home and away 2013 season with a bang! The whole team played a fantastic team game with each player, playing for each other. The mix of goalers kept the Keysborough defenders on their toes and worked well together. Alex, Dan and Kahrynn helped to move the ball down the court with ease and made the transition between defence to attack look very easy. Chloe and Bessie again worked tirelessly in the defence ring and made it extremely dif-

# Netball Notes

difficult for the Keysborough goalers to get an easy shot. Beaconsfield has finished the season on top of the ladder with only 2 losses. The 2013 finals will prove to be challenging and require the girls to continue to push aim for the best. Good luck in the finals and congratulations on a successful and fun season.

Dates to remember:

- Senior Presentation Night – 27th September
- Under 17's Netball and U18 Football Presentation Night – 4th October
- Junior Netball Presentation Day – Sunday 6th October
- Life Members Shopping Tour – 19th October

Applications are open for all coaching positions for 2014 season and we will be looking at catering for the two tier competition for 13 & under through to C Grade and of course A & B Grades. Applications can be sent to the President, Ian Flannery at beaconsfieldnetballclub@live.com.au

The Beaconsfield Netball Club would like to thank PCN, CCNFL and all participating clubs for a fantastic season of netball and wish all the finalists all the very best of luck.

## **Keysborough Burra**

The Burra Babes road tripped down to Beaconsfield to play out what was for most of us the last game of the home and away season for 2013.

Our last encounter with Beaconsfield was not the best

but C Grade were not going to give up without some sort of a fight. We got off to a really good start with Mary and BIG RED exceptional in defence keeping the girls in the game. With a very physical match, Beaconsfield got the better of these girls.

B Grade... WHAT A NAIL BITER!!! Having only finals on their minds these girls got out there and were definitely not giving this game up without a fight. This is one good side of players! The entire attack side were as always bang on playing a strong game of netball. HAYLEY, HAYLEY, HAYLEY you had an absolute ripper day on the court ..... This girl was everywhere! Having the lead back and forth throughout the game coming down to the mere final minutes of the game, Keysie were pipped at the post.

A Grade started off looking like the game could go either way with the Evans/Downie Defence Duo not backing down for nothing, JULIE NISBET! What a GA! Is there a position this little pocket rocket cant play?? Holly, Big Titty Smitty and Burns had a nice flow in the mid court and as always showed off some top notch netball skills. Bringing on Old Balls to team up with young gun Tarzan didn't go according to plan and saw the girls go down by a lot more then they expected..

Bring your cheer squad and support B Grade in all their finals glory showing 'em what the Burra is made of! Great effort on making finals B Grade girls, you worked hard for it! SMASH IT!!! GO BURRA!!!

## **Tooradin Seagulls**

Last weekend we celebrated with Lisa Vandermeer & Julia Hobbs as they both played their 200th senior game with the TDNC. It was great to see them run through their 200 game banners and for Lisa, the last time playing on our courts as she looks forward to retirement once finals are over!!

For all of our teams except B Grade, last Saturday against Berwick was their last game for the season. It was a great day for netball and all junior teams showed how much they have improved since the start of the season. We look forward to seeing all of the girls come back next year and try-out again. C Grade were disappointing in their last game and were beaten convincingly by a strong Berwick side. Congratulations to Laura Harney on receiving the Players MVP award. B Grade knew they were in for a tough game against the 2nd top side and after going down to them in the previous round, they were determined to get a win against the only side they had yet to beat. Tooradin started strong and shot the first 5 goals but Berwick soon caught up and it was goal for goal for most of the quarter with Tooradin taking a 2 goal lead into the first break. Berwick held a small lead at half time and then capitalised on a 3rd quarter lapse by Tooradin and went into the final term with a 6 goal lead. As this experienced side has done on many occasions, they kept

# Elastoplast<sup>®</sup>

# Leuko<sup>®</sup>

Sports Medicine

# Netball Notes

their composure and scored when it counted to end the game in a draw. It was a fast paced game and all players contributed 110% right to the end. Sharyn Welsh had just flown 30 hours home from Boston and managed to play a brilliant game as always to earn herself the BOC & Players MVP award. Alice Ditchfield helped the B grade team out and was thrown into a position she rarely plays and did so with ease which earned her the coaches award. The girls look forward to taking on Keysborough this weekend in what will be a very tough final. A grade once again had a disappointing loss and let themselves down in the first half and couldn't make up the deficit. They won the 3rd quarter by 2 goals and only lost the last quarter by 3 goals so it just goes to show that they can match it with the top sides but need to play 4 quarters of netball. Congratulations to Julia Hobbs on a great game, earning herself the Players MVP award.

Good Luck to the B grade girls today who are flying the Seagull banner!!

Senior Presentation Night – Friday 27th September @ 7pm at The Sandhurst Club.

TDNC are seeking both junior and senior players for 2014 and applications for Coaching Roles have opened. Expressions of interest to Loretta Iverach tiverach@bigpond.net.au. For all club details, please check out our facebook page or website.

## Berwick Wickers

This week Berwick came away with 6 wins and a draw, making it a successful end to the home and away season for the Berwick netball club.

All grades had convincing wins, with our B grade match ending in a nail-biting draw.

A huge congratulations goes out to our A grade team who have secured the minor premiership, a huge achievement for the club.

Sadly, our U13's and 15's Gold seasons have come to an end, just missing out a finals.

The finals campaign starts this weekend on Saturday, with our B and C grade teams hoping to take wins in qualifying finals and take another step forward in their grand final campaign. With our 15's and 17's battling it out on Sunday in elimination finals.

Best of luck to all of our teams this week and for the remaining finals series.

Congratulations to all of our best on court recipients for Round 18:

A Grade: Julie Masterson

B Grade: Larissa Alman

C Grade: Chloe Moss

U17's (La Roche Air Best on Court): Lauren Carfora

U15's (Smart Cleaning Group Best on Court): Katie McDonnell

U15's GOLD: Team Effort

U13's: Brianna Pratt & Julia Batchelor

As the home and away season has drawn to an end we would like to take this opportunity to thank all of our supporters and sponsors for the 2013 season. Without your incredible support our club could not function successfully, so thank you for your ongoing contributions to the club.

We would also like to thank our committee and coaches who have tirelessly worked behind the scenes to ensure that our club can run smoothly week in week out. Without the ongoing support from the team behind the scenes our club would be nothing; so a huge thank you goes out to all those involved in making our club the successful, respectful and family friendly environment that we strive for.

# Netball Notes

## **Hampton Park Red Backs**

Although the netball results were not pretty, it was awesome for our Senior boys to finish with a win! It left everyone in great spirits and was an excellent way to finish the season. The raffle was also a success, so thank you to everyone who helped out with selling (and buying), of the tickets and donating prizes.

As the season draws to a close it is time to properly thank the people who have helped make a difference. Firstly, thank you to our coaches Donna Kellett, Michael Harris, Cherie Hardy, Paul Cairns and Kayla Borchert. I would especially like to thank Kayla for her dedication and commitment to turning our club around. You have so much knowledge and everyone learns something new about netball from being around you.

Thank you to all the people that help out on a Saturday; from the Under 13 mum's that help with set up, to the umpires (especially you Martha!), to the scorers and time keepers and finally to those that help with the pack up (thank you John). They may be annoying jobs that no one wants to do, but without your help getting them done, we wouldn't even be able to have a game day.

A massive thank you to our committee; Kylie Widdows, Lisa Simpson and Melissa O'Brien. Great job ladies on another successful year. I know it might sound biased since Kylie is my sister, but I'm sure many would agree that she has done an excellent job in her first year of president; getting to games at 8am, making sure everything is set up, playing, doing all the admin stuff the president has to deal with and then sticking around for the social stuff. Great job Ky.

Speaking of the social stuff, there are still a couple of events coming up! The first of which is our Trivia Night. Details can be found on the Hampton Park Football Netball page on Facebook, or you can contact Taps on 0417 570 340. The juniors are having their netball presentation on Sunday the 8th of September. The action will kick off at 12:30pm for the Under 13s at the clubrooms and finally, the Seniors presentation is on Friday the 20th of September. Make sure you keep your eye on the Facebook page for more details.

Finally, remember to keep your fitness up ready for the pre-season! Haha. Go Redbacks!

## **ROC Kangaroos**

A grade: A hard fought match provided roc with a solid win and a slight sense of redemption. It was our most consistent match of the season. BOG Courtney and meg. C grade: Great end to the season for both roc and Hampton park. Great work by roc submitting pressure over the whole court and throughout the game. With an awesome win by roc preparing the girls for finals.

13's: Well done roc on a fantastic, attacking game. All players contributed well and enjoyed playing in different positions. Congratulations. Go roc!

15 gold: It was a hard, tough match for our final match. Beacy were strong in defense and their goaler rarely missed. We played well as a team, we challenged them throughout the court and eventually pulled ahead to a convincing win. Well done girls!!

## Doveton Doves

Well our day started off really well with our 13's winning and cementing them selves on top of the ladder for the season and very well deserved you all played so well Congratulations girls

Under 15's went out and started the game really strong and you girls really looked like you were having a great time even though you lost you all come of the court as you do every week with a smile Well done on a great season girls

Under 17's: You girls played really well as always you went out and gave it you all.

There is a lot of people that really enjoy watching you girls play your spirit is just amazing.

Well done on an amazing season girls

C grade: Well ladies we really went out to play last week we were very determined from the first whistle to win the game. With some fantastic defence and great mid court work we were looking good and with both goalers being on the game really flowed our way.

We were a very well disciplined and that is what for us over the line it was an amazing way to end the season

Well done ladies on a great season

B grade: Well ladies you didn't get the win you were after but you sure deserved it. You all played really well and pushed your selves really hard but just came up short.

Well done on a fantastic season girls.

Once again I would like to thank everyone for there help and support. Thank you to all of the parents all of the players and spectators.

Lets all get behind our little under 13's, as they are the future of our club. Good luck girls

Thanks to the footy club Shanga and toddy for setting us up each week

## Cranbourne Eagles

Under 13s: The 13's played their last game of the season against the toughest team in their competition, Doveton. As coaches we could not have asked for anything more from our girls. Their improvement from the start of the season has been amazing! The girls fell short in their last home and away game, however we are so proud to have made it this far with a fabulous bunch of girls. BOC went to Sophie, Amber and Bella. Well done girls!!

Under 15s: The girls haven't been playing to the best of their ability as a team these last couple of weeks. Today they showed they are capable when they want it but still haven't been fighting for it. Now that the season is over with the finals about to begin the girls are ready to step up for the challenge. The next few weeks will be difficult but we look forward to proving to everyone that we are a strong side who will fight for the game. BOC goes to Olivia, Danni, Emily and Brit.

Under 17s: In the last week of the home and away matches, the 17's came away with a win. In some up and down sets of plays across the day the girls put together a great last quarter. We now head into the finals ready to give it everything we have got. BOC went to Emma, Danni and Jess.

C Grade: We finish off the home and away season on a high note knowing that we are heading into our first final in five years. Today's loss does not truly reflect the match or how our season has progressed. We know what we need to work on and will train hard all week to improve. Great work girls! BOC went to Aleisha, Kristy and Alana. B Grade: Although B Grade didn't finish off the season with their best game this week, they still managed to get over the line against a much improved Doveton B Grade. Thank-you to all the girls who have played in B Grade this season, you have all been a pleasure to coach. We have so many positives to take into next season. BOC went to Emma, Ellen and Natalie with Emma also receiving the most valuable player (mug award).

A Grade: A Grade had a bye this week against Doveton, a well deserved rest before finals. We have a big challenge ahead of us in our first match against Beaconsfield but we know we have the team capable of causing an upset in these finals series. We have come a long way in one season, from last with one win to fifth and nine wins. Great work girls!!

# WorkSafe country football legend

Mick Cleeland, Waaia FC

It's every footballer's dream. And for Mick Cleeland, it came true. With his team, Waaia, five points down in the 1990 Picola League Grand Final, Mick was awarded a free kick as the final siren went. From outside 50, he sent a soaring torpedo punt through the big sticks – and became an instant club legend. WorkSafe is proud to sponsor country football. For the players, the families, friends, even the umpires! That's why WorkSafe wants to remind everyone in country Victoria how important it is to have a safe workplace. That way all of us can turn up to the footy on the weekend to see our country football legends.

PROUD SPONSOR OF COUNTRY FOOTBALL FOR OVER 10 YEARS.
