

COACH'S CORNER

Definitely not the way we wanted to end our 2013 season last week & even more disappointing that we couldn't get over the line for Cades 200th.

However the way we finished the second half of the season is something the club can take a lot of positives from. The boys could have very easily rolled over and given up, but true to their own pride they kept coming and gave what they could in the pursuit of success.

I would like to thank and pay enormous credit to every player, support staff, the board and volunteers for your support this year, it has been a real honour to coach at this great club!!! I hope you all continue to put in the hard yards and keep playing / assisting the Roos next year as many people now and over many years have believed in this club and want it to succeed.

Finally from me, the CRFNC is a special place, filled with wonderful people and great community spirit. You have welcomed me and my family and have provided a positive environment for us to enjoy. I will look back with great fondness at my time here and I wish you all every success going forward!! Cheers Pav.

Message from Ray McLarty - President CRFNC

I would like to take this opportunity to thank Pav for his magnificent efforts in both his coaching and administration roles. Pav has left a huge footprint on our club.

Pav has been tremendous in his mentoring role with our young side and preparation of our team. Our team skills have improved as the season has gone along, this is due to the untiring work Pav has put in.

Not too many people know that he has transformed our club administration into one of the best in the Ovens & Murray. We now have membership and sponsorship data that many clubs would envy.

We are ready to go for season 2014 thanks to Pav.

I wish Adrian, Annette, Josh and Makayla all the best for their future and hope that Pav enjoys his new role in the AFL.

I also thank our members, sponsors and supporters for their support in season 2013. Further details will be in 2013 annual report.

Ray McLarty - President CRFNC
