## Macquarie University Australian Football Club

### Senior Coach Position Available

#### About MUAFC

Founded in 1969, Macquarie University Australian Football Club (MUAFC) competes in the AFL Sydney competition. Formerly known as the "Kookas", MUAFC is a volunteer-run, community sporting club with a proud history.

Fielding five teams across the competition, Men's Division 1, 3 and 4, Under 19's and a Women's team, MUAFC has enjoyed consistent on-field success throughout its 44-year history. Senior premierships were won in 1998, 1999, 2000 and 2009, with the 2009 premiership resulting in the promotion of MUAFC's senior side to Division 1. The Women's side also recently claimed the AFL Sydney Women's Division 2 premiership in 2013.

#### The Role

With a young talented list, excellent facilities and the backing of a University, the Warriors are on the hunt for a Senior Coach with a proven track record to lead and motivate a talented squad that are ready for a fresh approach to achieving success.

The successful candidate will possess an excellent football brain with the ability to implement a club-wide structure and game plan and be able to communicate its execution to coaches and players alike.

You will have tasted premiership success and will ideally bring with you a dedicated assistant coaching team ready to hit the ground running. Coaches with an ability to access an existing talent pool of players will also be looked upon favourably.

In return you will be provided with:

- The support of a motivated committee who recognise the importance of on-field success in driving club culture
- 2 full size ovals for training, and access to the Macquarie University Sports & Aquatic Centre
- An established pathway of junior footballers from North Ryde Dockers (u17s) and a high-performing squad of U19 footballers looking for senior opportunities.

In addition to a Senior Coach, MUAFC is also seeking expressions of interest from suitably qualified coaches for our Reserve and Third Grades (likely Div 3 & 5, to be confirmed), as well as Assistant Coaches across all grades.

Applications must be submitted in writing outlining your experience and what you can bring to the role. Applications close October 31, 2013. Applications must be sent via email to;
