If your coach decides to accept a player to fill in, be aware, your game will be treated as a **Loss by Forfeit** and the winning team is awarded score 20-0. If the end result is not an issue, every effort will be made by the court controller to find players. If your team is short on players and happy to still play.

Volunteer Expectations:

Volunteer contributions are critical to USCBC being able to function from the Executive Committee to parents and club members helping out where they can. As part of this, Friday Junior Player Parents/Guardians are expected to take a turn helping on the BBQ, Score Bench and Washing Shirts. This responsibility will be rotated within each team & included on a roster displayed on the information board at the main entrance each week. Please check the roster each week and where you are unable to fulfil your assigned duty, please ask another parent to do so on your behalf. Families that are able and interested to contribute their time to the club over and above this base volunteer commitment should approach a committee member to discuss further.

Any questions, please don't hesitate to contact the office on: 07) 5476-5176 during office hours.

We look forward to sharing a fun, social, and learning experience together through the sport of basketball
