OFFICIAL NEWSLETTER OF THE AVOCA FOOTBALL NETBALL CLUB

SEPTEMBER 2013

Football Netball Club

As 2013 draws to a close, the Avoca Football Netball Club is ready to start recruiting for the upcoming 2014 season, both on and off the field. We finished this year with our B grade netball team bringing home the premiership cup and our Under 12 football team runners up in the premiership race. We also had other junior netball and football teams all make finals this year, so the future of our Club looks great!

All members, players, supporters and sponsors will be encouraged to hear that the Committee has been working extremely hard this year in putting some new measures in place to help take the club forward and improve the way the club is run, including developing a new strategic plan and a range of policies and procedures. The AFNC is also participating in the VicHealth Healthy Sporting Environments program and the AFL Quality Club program and is committed to making the AFNC and safe and inclusive place to be. Another very positive note is that our fabulous new club rooms are up and operational and are now some of the best facilities right across this region.
