

# FNSW SB Football Academies 2013 – Eurobodalla

## (Batemans Bay, Moruya and Narooma)

The Football NSW Academy is the official player pathway for both boys and girls aged 7-14 years. Football NSW have designed an intensive development program aimed at both boys and girls where players can train regularly with FNSW highly experienced and qualified staff in conjunction with their club team. Let me introduce myself, I am David Field, an Australian born citizen who has been residing in the UK for the past 8 years. In conjunction with FNSW and the EFA, as the part-time Director of Football for the Eurobodalla, I will be continuing my Football Academies in Moruya and Narooma whilst opening a new academy in Batemans Bay. I returned from the UK in January where I spent the last 6 years coaching with Arsenal Ladies Football Club as well undertaking my Uefa A coaching qualification, with the assessment only left to complete. My academies have a positive learning environment based on the FFA's National Curriculum and Building Blocks with specific attention on the Skill Acquisition & Small Sided Games content. My focus is to develop the 4 Functional Game Skills of 1<sup>st</sup> Touch; striking the ball; running with the ball and 1v1's (defending and attacking), as well as the ability to play with both feet whilst improving your agility, balance and coordination.
