

TRAINING ROSTER, as at _____ Team _____

Venue: _____ **Day:** _____ **Times:** _____ to _____

Please ensure all children have been picked up before leaving training – parents, please be prompt as possible in dropping off and picking up. If something comes up and you can't make it to training supervision as listed below, organize yourself to swap with someone else if you can, or let me know and we'll organise. While at training, you are there to support the coaches and assist in case of any injuries to the players (get help from reception in this case). Most of the time you won't have to do anything but just be there to supervise.
