PRESIDENTS MESSAGE

Hello all, welcome to the 2013 season!!

What a fantastic start to the season – with some really strong wins to the Titans. But most of all, a huge effort across all teams. It was wonderful to hear one of our Team Managers, comment on their unfortunate defeat, by saying "Great effort, they never gave up & still came off the grounds smiling, with their heads held high" . That's what it's all about – it makes me proud to be associated with the Titans !

For those of you who were down at the Titans grounds on Sunday, you would have seen our new electronic scoreboard lighting up the scores, along with our new scorers hut – no more sitting in the rain for the scorers ! Both of these come thanks to successful committee grant applications.

You would have also seen many of your Committee Members, racing around the grounds, doing their best to make sure all the games kicked off smoothly. Most of our Committee Members are new to their roles this year, and have been on a very steep learning curve. I'd like to thank them for all their huge pre-season efforts; it takes hours and hours of volunteered time to get everything ready for the kids.

Another huge thank you goes to all those wonderful parents who have taken on roles, such as Coaches, Team Managers, Trainers, Runners and the list goes on. Without your support, the kids just don't take to the field – again, thank you.

As for the club itself, the Berwick Springs Junior Football Club aims to provide an opportunity for the youth of our area to participate in Australian Rules Football and enhance their health and well-being through organised sport.

The Berwick Springs Junior Football Club, will at all times, endeavour to provide for the health, welfare and well being of its players, supporters and spectators. This aim will be achieved by promoting and developing the following values and objectives listed under the Club Objectives.

- Show a sense of social and community values
- Provide an environment to nurture the physical and mental development of our youth
- Show respect for officials, opposition players and supporters
- Show the virtues of fair and disciplined play
- Provide equal opportunities for everyone

Personally, I look forward to making my way to see each team play over the early part of the season. It was great to get to see the U11's, U12's, U13's (home & away teams) & U15's play on Sunday and to meet club families.

Our teams look fit & strong and I'm sure will go far this season. Hopefully we'll have a few successful teams again, going though to the finals series and onto a Titans Grand Final Victory !!

THE CANTEEN IN 2013

It was a great start to the pilot system in the canteen on Sunday. Other than a few beginning hic-ups, it ran very smoothly. We hope everyone appreciated not having to man the canteen.

Thanks to all those who paid either the \$1- or the full \$16- to their Team Manager, to cover the cost manning the canteen.
