## President' Report

Dear Power members,

On behalf of the committee, I'd like to welcome you all to 2014 and wish you all the best for the year ahead. We hope you all had a great break and for those heading back to work, or have gone back to work we commiserate with you ☺

### Dates for the Diary

#### **February 15:**

Laurimar Town Fair –  
Registration Day for new  
members

#### **March 16:**

Season Launch – Jumper  
Presentations

#### **April 5:**

Auskick begins

#### **April 6:**

Junior Football Round 1

As has been the case over the last couple of years, preparation for the upcoming Basketball and Football season is in full swing, albeit somewhat rushed for Basketball which as usual starts pretty much straight away when school goes back (will confirm ASAP). However prior to that, we need to get registrations underway for which we'll be sending a separate email with all the relevant details.

Football registrations are also open (for existing members) with new registrations and transfers opening up in February. Again, a separate email with all the relevant details to follow shortly!

We're expecting more growth this season for both Basketball and Football, however given numbers are never an exact science at this time of year, the sooner registrations are in we can allocate teams with appropriate numbers in the appropriate age groups.

As you'll note further into the newsletter we've had great support from existing coaches and pleasingly new coaches willing to take up the challenge again in season 2014, thank you! However you'll also note the need for some key roles to be filled off the field, in particular a Communications Manager who'll be responsible for all club communications (e.g. Newsletters, Website, Social Media etc) to ensure our members are kept up to date as often as possible. If interested in this role or others please get in touch with me, or any of the committee members.

In any event, while this year will be quite exciting for the development of the club on and off the field, which we'll keep you informed about in due course, the key priorities right now are Basketball, registrations and roles to be filled.

We look forward to seeing you all again in season 2014, and if you have any questions please do not hesitate to contact us accordingly. Keep an eye out for comms on pre-season training coming up soon (yes, pre-season!!).

Yours Sincerely,

Alasdair

We are also looking for an under 10's coach, so please contact us if interested.

## Sponsorship

The Laurimar Sporting Club relies heavily on Sponsorship to fund the running of the football and basketball club and we are always looking for more sponsors. We would like to ask all members to assist in finding new sponsors, as we have found that most sponsorship comes from local business or contacts through our members.

There are several levels of Sponsorship starting from as little as \$110.

If you or somebody you know would like to become a sponsor please contact Brett McCormack via email at [commercial.ops@laurimarfc.com.au](mailto:commercial.ops@laurimarfc.com.au) to find out more.

## Assistance Required

As you all know, the football club is run by a team of wonderful volunteers, but we need more! We have a Committee Position as well as several sub committee positions available. We would like to hear from anyone that is willing to assist in the running of the club either in one of the following positions or any capacity.

Some of the positions available are:

- Communications Manager (Committee Position)
- Canteen Manager
- Canteen staff
- Bar Manager
- Social Committee

## Players required for Masters Football

The Laurimar Football Club has fielded a Masters team in the Over 35's competition for the last 2 seasons and will again play in 2014. We are seeking new players to come down and have some fun, meet new people and get a bit of exercise.

We also welcome social members to come down and train if you just want to join in without playing or you are under 35.

We are currently training on Thursday nights from 6pm at the Laurimar ovals.

## 2014 Social Memberships

In 2014 we are introducing Social Memberships to replace the Family Memberships we have offered over the past 2 seasons.
