Gympie Football are pleased to announce that the Australian Technical Football Academy will be launching their very successful football development program here in Gympie in February of 2014 and giving players the opportunity to trial the program by receiving four sessions free of charge.

PRO TECH Academy has been responsible for developing the majority of Sunshine Coast's current representative players, through its high tempo, intensive and professional training sessions. ATFA not only teaches the necessary skills to be able to play football at an elite level but also focuses on developing the character and attitude of the player to support this journey.

The program will be based on the FFA national curriculum, with the focus on the **Skill Acquisition Phase** of the curriculum. The topics covered are First Touch, Running with the Ball, Striking the Ball and 1v1.

PRO TECH train twice a week on Tuesdays-Thursdays starting on the 4th of February and mirrors the state school Calender. Training will be held at One Mile Oval, Crescent Road.

TRAINING

Under 8/9: 4-5:30pm Under 10/11: 5:30-7pm Under 12+: 7-8:30pm

COST

Sessions are costed at \$15 per session.
