

METRO SOUTH JUNIOR FOOTBALL LEAGUE INC.

Process for applying for changes to designs on guernseys/shorts/socks

1. Submit artwork samples for all the designs under consideration for assessment of clashes
2. Clubs to notify Executive if the change requested is for the entire uniform or only part thereof ie: guernsey only, shorts/socks to remain unchanged
3. Once submitted, the Executive will contact your club and advise if there are any potential designs which cannot be considered due to clashes
4. Submit final artwork to the Executive once your club has selected its design
5. All clubs to vote at the next available Delegates Meeting. With vote from Delegates being final.
6. Clubs who ignore this process will be fined heavily

Please note it is your clubs responsibility to submit and check that the information has been received by the Executive, do not just assume it has been received
