Referees Welcome Note

To Referees

Congratulations on being appointed to the Casey VBRA association.

In order to make the transition from player/spectator to referee, the Casey Basketball Association, in conjunction with the Casey Branch of the VBRA, has introduced a Referee Policy. This policy is a list of standards and expectations, which each referee who represents the Casey branch of the VBRA is expected to adhere to.

Within this policy you will find all the necessary requirements in order to fulfil your duties within the Casey Association.

Best Wishes

Casey Basketball Association
