March – Barwon
Zone Jnr Champ
- ☺ Friday 4th April –
Friday evening
competition
begins
- ☺ Saturday 5th April
– Round 1 vs
North Shore
(away)

Hello All,

Netball is getting back into the swing of things and the winter season is fast approaching.

Junior Selection Trials:

- Junior trials have been completed, and we thank Jason and Bav for giving up their time to act as selectors for all teams – this has been a positive change for all of us who have been involved in the club. They were able to act as independent selectors, thereby all girls were assessed on their netball skills rather than having us who know them so well try to place them in teams.
- We would also like to thank all those girls who trialed – everyone put in a great effort and it is pleasing to see the numbers of girls who are coming to our club.

11/U program:

- Lee Doherty has kindly put her hand up to coordinate the 11/U program. We are holding an information evening on Tuesday 4th March at 5.30pm.
- As mentioned in previous newsletters, we will attempt to place all girls in teams with friends and players of similar skills to make the season as successful and enjoyable as possible.

Club Memberships:

- Club memberships are now due. We will be holding a second evening for club memberships to be paid – and membership packs to be collected on Friday 7th March. Our senior footballers have a practice match some come along and watch and enjoy the atmosphere. Food will be available.

VNA:

- VNA is now due – and payable on membership day or at training.
- VNA costs for 2014 (cash or cheque made to AFL Barwon)
 - \$65 for seniors
 - \$45 for all juniors
- This must be played before the season commences; the club is fined if players take court that have not paid.

Uniforms:

- We will hold a uniform fitting and sale evening in early March – our Uniform Coordinator has just returned from OS and will coordinate this. Dates will be forwarded to all.

Volunteers:

- Netball cannot run without volunteers. If you are happy to give up a small amount of time. Please see your junior/senior coordinators regarding any “jobs” that you may be able to assist with from scoring/first aid/team management etc.
- And players are not exempt – we need volunteers for canteen duty, senior scoring and some cleaning duties.

Season Launch:

- Please see Elise Hultgren for tickets - come along and have a great day plus your chance to win prizes.
- Or you can contact Scott Robinson (0427 803 945) or Kelly Robinson (0408 771 579) for tickets.

Summer Netball:

- Finals are now upon us. We have 2 teams involved in a finals campaign – so come along and support your juniors and friends from the club.
- Friday 28th February – times to be confirmed but most likely either 4.30 or 5.30 games
- Best of luck to all girls competing.

Once again, a thank-you to Jason and Bav for their time and effort in junior trials. And welcome back to all, let us enjoy the winter season.

Go Eagles
