## 2014 GRADING OF TEAMS

Attached to this notice are the initial team grading lists for the 2014 Winter football season.

Your patience in this grading process is appreciated.

### TO NOTE:

1. Clubs, through their President/Secretary (*or designate*), may in writing lodge an appeal against grading using the attached form.
2. **Appeals** must be lodged by 5pm, Friday 14<sup>th</sup> March 2014. This will enable any final adjustments to be made over the weekend and thus final lists to be issued.
3. Clubs that nominated teams in the U17, U18 & U21 female divisions have been included in the *Women's Intermediate League*. Teams have been allocated either division 1 or 2 based upon the playing strength of the team compared to all others entered across those divisions.
4. A Five Dock team that nominated for the U17 male division have been promoted to the U18 division to enable that competition to proceed. The team promoted from the 17s to the 18s has been selected taking into account the ability of those teams that originally nominated for the U18 division and of course that of the promoted team.
5. AA Saturday Men – with the introduction of the *Bill Brackenbury Cup*, **all** men's teams in the *All Age Saturday* will be playing a division (*in name*), possibly two, higher than they may have anticipated being graded.
6. The *Competition Secretary* is endeavouring to create a draw as soon as practicable taking into account the delays that have occurred during grading.

**REMINDER** – All players and team staff must be registered in MFC and subsequently CompMan prior to taking the field of play. It is imperative this is undertaken to protect the individuals who are participating in our competition.

**ID CARDS** – Once you finalise all members of your teams (*to your best knowledge*) you are to advise the Association to enable your cards to be printed. If you have particular age groups that are ready to go then advise – do not wait until the whole club is ready. The sooner we are advised your teams are ready the card printing process can commence and thus get returned to you.
