The Corda Club

It is with great anticipation and excitement that the Corda Club welcomes all parents and boys to the 2014 season of Haileybury school football.

The main aim of the Corda Club is to support and assist with the development of the Australian Rules football program across all year levels at Haileybury. With this in mind, we are very pleased to be funding the purchase of football jumpers for the year 7 boys. Our intention is to continue to fundraise so that we can purchase jumpers for other year levels in coming years.

In addition to the purchase of year 7 football jumpers, the Corda Club has also agreed to provide significant funds towards the purchase of an Apple computer to assist with video reviews of games.

The funding for the jumpers and computer has come from funds raised by previous Corda Club committees and we thank them for their hard work that has made this possible.

We are looking for people to assist us in running the Corda Club this year. We would like a committee member (or two) from years 7 to 9 to join us and provide some continuity for future years. In addition, we need to have a social representative from each year level to assist our Social Coordinator, Lyn McPherson, in organising the fundraising activities that we have planned.

If you feel that you can help out with either of these roles, please contact Peter Rich on 0409 204064 or email peterrich1@iprimus.com.au.

The Corda Club meets on the fourth Wednesday of the month at 7.30pm in the Wes Perry Room at the Keysborough Campus. Anyone is welcome to attend these meetings.

The Corda Club's main fundraising and social event for 2014 will be an evening with Australia's Funniest Hypnotist, Bizarre Gazzard, on Friday, 1st August in Berthon Hall at the Newlands Campus. We ask parents from all year levels to mark this date in your diaries and join us for a night of fun and entertainment where the volunteers from the audience become the stars of the show. Please don't be put off by thinking that you will be on stage against your will – there will be plenty of volunteers! Please contact Lyn McPherson on 0410 168619 for details and bookings.

Looking forward to a successful season in 2014. Go Bloods!

The Corda Club

Intra-Club Game

Haileybury Football Season Launch

The Haileybury football season launch was a huge success with players from all year levels invited to start to get to know each other and celebrate the opening of the season. The senior boys had their first opportunity to take to the field in a practice match to start the evening. The First XVIII squad had a successful Intra-Club game which allowed everyone to put into practice our skills and structures which have been developing through the pre-season. This was a great opportunity for the younger year levels to be introduced to the standard of senior school footy. Following the game everyone mingled for some goal kicking and a handball games all ran by the senior footballers to give the junior footballers a chance to impress and have some fun. Ex-Haileyburians and our most recent AFL draftees Nathan Freeman and Lewis Pierce were interviewed by Matthew Lloyd to discuss the current requirements and commits of being on an AFL list. Both boys updated us on the progress of their current injuries and we hope to see the boys representing their respective teams at some point this year. Another special guest in attendance was Tony Elshaugh, Head of Recruiting for St Kilda, who informed us of the key attributes which selectors look for when identifying football talent. With an experienced board of speakers and the help of the Corda Club on the BBQ to feed everyone, the night was extremely successful and was a great start to the season for all.

By Matthew Charlesworth, Year 12

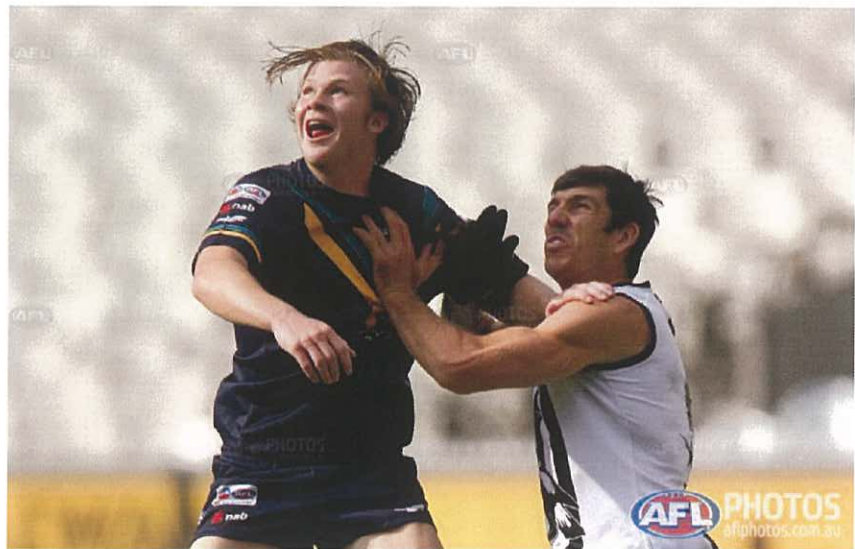

Beyond the School

Angus Brayshaw (left) Year 12 2013 and Sean McLaren (right) Year 12 this year both had the opportunity to play for Australia on the MCG. Wow - What a feeling this must have been! Representing the AFL's AIS Academy, they played against the Collingwood Reserves as a curtain raiser to the Hawthorn/Fremantle game. Both boys played outstanding games, Angus receiving the medal for the

best on ground and Sean being in the best for his efforts against Collingwood's big men. Senior-listed Collingwood players including Ben Kennedy and Tony Armstrong played, as well as another ex-Haileyburian in Kyle Martin, who got 30 possessions for the Pies. The next day, the boys flew out for a two week tour of Europe to continue to develop the crafts under the guidance of some of the AFL's expert coaches. Interestingly, all but 3 AFL clubs send some recruiting staff on the trip. We look forward to Sean return and representing the Bloods as soon as he returns. Pictured on the right we see him in a duel against the 227 gamer Quinton Lynch.

The Ken Phillips Day

On a magnificent autumn afternoon that was perfect for all athletes of the Haileybury community, current and old Haileyburians once again embraced the annual Ken Phillips Day. The day is named after Mr. Ken Phillips, a former staff member at Haileybury from 1976-83, coach of the 1st XVIII from 1980-83 and President of the OHAFC from 1992-95. On this afternoon, five games were played - Football, Boys Basketball, Netball and Girls and Boys Hockey.

Prior to the commencement of the Old Haileybury U19's and Haileybury 1st XVIII, the football boys were informed by the OHA President that the match tally was 7-10, in favour of OHA. This astonishing news inspired the 1st XVIII boys and instilled a further sense of passion among the boys. The game was played in great spirits, marvellous skills and tremendous intensity were displayed whilst everyone tried their absolute best despite the blistering heat. At the end of the day, the first XVIII came away with the win showing why they are contenders for the APS premiership. Overall, the Haileybury teams came out with a fantastic result - winning 3 sports (Football, Boys and Girls Hockey) whilst the OHA prevailed in 2 (Netball and Boys Basketball).

It was excellent to see such a large crowd in attendance at each of the events and at the presentation ceremony afterwards. Members of the Phillips family presented awards to the winning teams and best players in the football match. Importantly, the Ken Phillips legacy lives on.

By James Gaston, Year 12

Haileybury Training Days & Times

Football runs during the Winter season at Haileybury which commences in Term 2 and runs for the first three weeks of Term Three. The last game is Saturday 2nd August. The following are the days and times that the boys will be training:

Please note - the Year 9A's will be combined with the Year 10A's, with the remaining boys being in the 9B team and 10B teams. Information regarding this will be outlined in a letter to parents next week explaining the decision and the structure of our teams.

Team	Training Day	Time	Venue	Coach
1sts & 2nds	Tuesday	2.00-3.30	Rendall Oval	Mr D.Lappage, Mr Norton
	& Thursday	4.00-5.20	Rendall Oval	Mr J.Main, Mr C.Bamford
3rds	Tuesday	2.00-3.30	Fisher Oval	Mr M.Hunter
9A / 10A	Tuesday	2.00-3.30	Fisher Oval	Mr J.Wheeler, Mr M.Foyster
	& Thursday	4.00-5.30	Fisher Oval	
10B & 9B	Tuesday	2.00-3.30	Fisher Oval	
8A-C	Tuesday	11.15-12.45	Rendall Oval	Mr S.Allcock, Mr A.Little, Mr J.Salter
7A-B	Tuesday	11.15-12.45	Fisher Oval	Mr P.Dooley, Mr P.Burke

Umpires and Scoreboard Attendants Required

The school First XVIII are required to supply goal umpires and boundary umpires. If you know of a student that could fulfil either of these roles, please see or contact Mr Russell Davidson on russell.davidson@haileybury.vic.edu.au. Year 11 student Madison Butler received colours and the umpiring trophy for his work last year. This is classed as a Winter Sport which trains on Tuesday afternoon and would be excellent for those wishing to learn more about the game or if you would like to increase the fitness levels.

For those who would like to be regular time keepers and scoreboard attendants, please contact Mr Bruce Norton. This is especially important for all first XVIII home games.

Doing well outside of school? Keep us informed!

For all those boys who are involved in inter-league programs, let us know. We would love to hear about your performances and progress. Email bruce.norton@haileybury.vic.edu.au and david.lappage@haileybury.vic.edu.au informing us of the program you are involved in and when you are training and playing - you might even see us at a game or two.

Season's Fixtures

Please note - the season's fixtures can change. Make sure you refer to the weekly fixture prior to the game.

Haileybury Team Managers Required

All the football teams from Years 7-12 require team managers to assist the coach so that he can focus on coaching and developing the team. The role of a team manager would be to:

- Promote parents to stand together to support the team appropriately.
- To organise a goal umpire and boundary umpire for each match. A roster system works best.
- To fill up the drink bottles and bring out to each break.
- To organise a Fruit roster.
- To keep score and goal kickers and to pass this information to the coach and student allocated to write the weekly report.
- To attend to any minor injuries.
- To assist the coach in managing major injuries and to help get the injured player the required attention.
- To manage the equipment supplied to the team.
- To take some photos throughout the season and pass onto the coach.

The football coaches within the school greatly appreciate the efforts made by the parents and volunteers. If you are happy to help out, please email Mr Bruce Norton bruce.norton@haileybury.vic.edu.au or speak to your son's coach once the season comes around.

Haileybury Football Goes to GO2

All the latest information regarding the football program can be found on GO2. If you go into "My Organisations" you will find the "Football" folder. Inside, you will find past issues of the Newsletter as well as relevant video footage that you may wish to watch. Throughout the year, we will have highlight packages of Firsts games, and we will endeavour to get some footage of other year levels as well. For those who missed the Season Launch, you can find the interviews and watch them. All boys are encouraged to watch the interviews with Nathan Freeman, Lewis Pierce and Tony Elshaugh, especially if you have aspirations of getting drafted into the AFL.

Match Report - First XVIII v Rostrevor College, Adelaide

We arrived at Rostrevor College and had the privilege of playing against the school for our a practise match in Adelaide. Upon arrival to the game it was obvious that all the boys were keen and couldn't wait to get out on the ground and have a red hot crack at our South Australian opponents. Lachy McPherson in his first game as the Bloods captain pumped the boys up and got us all up and about for the opening bounce. The game started out as a very tight contest with both teams going goal for goal right up until the final 2 minutes of the first half when the bloods lifted their game to finish the half with 2 classy goals from Jimmy Salouris and young Cal Searle.

The bloods started the third quarter right where we left off kicking multiple early goals to find ourselves in a comfortable lead. It was evident that the Haileybury boys were a lot better physically prepared than Rostrevor College as we really put our foot on the pedal and left Rostrevor in the dust kicking 6 goals to no score in the third term. Big Lachy Treverton was killing it in the ruck and fiery Matt Charlesworth was showing his leadership out on the field attacking the ball hard and earned himself 3 goals for the quarter. The Bloods finished the game off very similar to the third quarter running Rostrevor off their legs. Matt Lee, Corey Connelly, Corey Rich and Josh Steen to name only a few of many ran all day and didn't stop until the final siren sounded. One special highlight of the match was Alex Johnson's screamer late in the final term when he launched himself at the ball, rode his opponents shoulders and had a solid 3 seconds of hang time before landing hard on the ground. The mark had some of the boys comparing him to Jeremy Howe and suggesting that "he must have altitude sickness for getting up that high".

The Bloods finished the game off with a solid 10 goal win that left us all excited for our round 1 match against St Kevin's after the holidays. There is no doubt we are playing as a well bonded team and improving every week with more and more boys putting their hands up for selection in round 1. There is no denying it will be a cracking game.

Dan Coinu, Year 10

First XVIII Adelaide Wrap

Day 1 - Saturday 5th April

The team arrived at the airport on Saturday 5th of April for a 10 am flight to Adelaide. Some tired eyes were present with the Year 12's functioning on little sleep from the Formal the night before. Nevertheless the team was enthused and excited about spending the next 4 days together to bond and get to know each other. Our first outing upon arriving at Adelaide was attending the clash against Adelaide and Sydney in our reserved seats thanks to Matthew Lloyd. Some research assigned by Lappa was aimed for everyone to analyse the running patterns and game tactics of players who had similar characteristics specific to each member of our team. Although the game was blown out by the superior team of Sydney it was an experience to remember with the exciting atmosphere at Adelaide oval. Following the game the team headed to where we would be staying for the next 3 nights to carb load and do everything we could do to prepare for the game on Sunday. Having discussed the things we learnt from our selected AFL player, we were all set to put on a good performance the next day.

Day 2 - Sunday 6th April

After the tough game against the Rostrevor boys, the Bloods headed down to West Beach for a quick recovery session, much to the 'future star' Luke Globan's discontent. Mr 'Batman' Norton, thoroughly enjoyed sending the boys back in the water to help them 'recover' just that little bit extra. However, team value number 5 "team first" came into play when Mr. Norton soon found himself covered head to toe in Adelaide's finest sea water.

Before dinner, some of the boys discussed their homework of following a player for 5 minutes in the Adelaide vs Sydney match we watched. Not only did this give the boys good insight on to the running patterns of an elite level player, but it gave them an idea of just how hard they have to work to be at that level. To cap the day off the boys conversed around the dinner table, while enjoying a fine spread of beef curry and stir-fry.

Day 3 - Monday 7th April

Having recuperated from the game against Rostrevor, we enjoyed a big breakfast and had another rehab session down at the beach. After this, we started to prepare for our next competition - the Annual Adelaide Grand Prix. Once at the Go Kart track, we organised ourselves into teams of three to compete in the 120 lap race, with pit stops and a change of driver every 20 laps. Pit changes were crucial, accelerating out of corners vital, but most importantly, avoiding trouble became make or break. The teachers took the checkered flag proving that experience counts. Lachie Mac, Corey Rich and Globes came second and Oakesy, Munnerns and the "X" Subotsch also found themselves on the dais.

After lunch, we hit the beach for a session on physical presence and then a little fitness session which also included having to answer questions about our values, game plan and game style. No doubt, we will be the best drilled team in the APS this year. The beach session concluded with a little game of touch footy on the beautiful white sands of West Beach.

Day 4 -Tuesday 8th April

The day began with boys having to empty out their rooms and to make sure that Luke Globan did not leave his big head in the cabin. Fortunately, the bloods had a training session on tackling run by members of the Australian Federal Police who were in Adelaide for a Rugby Tournament and were staying at the same accommodation. This exceptional experience will no doubt create a reputation among other APS schools that the Bloods are not a 'soft' bunch of Private school boys. Then we headed down to the Port Adelaide Powers' facilities at Alberton Oval- where we were lucky enough to hear from SANFL father-figure Russell Ebert, Football Manager Peter Rhode, Midfield Coach Phillip Walsh and Indigenous Program Officer Pauly V. Russell Ebert, father of Brett Ebert and legend of the Port Adelaide Magpies and Power Football club, provided the boys with an insight into what it takes to become a professional football player. He emphasised the fact that to become a member of the Port Adelaide Football Club, it takes more than talent - it takes character, attitude and GRIT which play a massive role in the choice of Port recruiters. The boys were lucky enough to train on Alberton Oval under the guidance of Phillip Walsh, midfield coach of Port, who directed the boys and gave them tips on how to win the most vital ball, centre clearances. With the help of former Haileyburian and now Port Adelaide player, Karl Amon, the boys were able to hit the showers that the likes of Chad Wingard, Ollie Wines and Justin Westoff regularly use.

This marked the end of the Adelaide tour for 2014, and it was off to the airport for the boys and time to return to Melbourne to continue training hard in preparation for round 1 against St.Kevins.

See over the page for some photos of the trip.

By Matt Charlesworth, Brody Connelly, Lachlan McPherson and James Gaston
