

Rosters

Rosters are around the club for various jobs during the season. The club appreciates the help that everyone puts in to make things run smoothly. If you or your child is rostered on and you can't perform your duty on the day could you please swap with someone in advance so that everything runs as normal. Many hands make light work so if your name doesn't appear on a roster and you are willing to help, just ask a committee member or team manager and they will be only to happy to get you involved.

Edition 3**

One To Remember

Well there are wins, and then there are wins. No doubt last Saturday's senior football match will go down in the history books for two very different reasons, but in this issue of Tales we will focus on how the game played out.

The boys were four goals down at the last break, but showed tremendous spirit, courage and endeavour to kick eight goals in the last and come away with a win. Their fitness showed, as did their composure in such a high pressure game. Weaves has constantly said at training that scoring 100 points in a game will win you more matches than it will lose and that proved to be the case on Saturday. It will certainly be one to remember and this result will give the team confidence on Saturday when they take on Horsham.

Our netball sides have also seen success over the past two rounds, with some teams either in the top five or very close to it. Hockey has also had some positive results, with a full report found latter in this edition.

Congratulations to the social committee for another terrific function. The TIGER themed night was very well attended and some of the costumes clearly required a lot of thought and effort. A games night is being held this weekend, so get your teams of ten together as it's sure to be good fun.

Finally, after playing a number of rounds of football, netball and hockey, it is clear that our facilities are amongst the best in the league. It takes a large group of volunteers to keep everything in order, but in particular we would like to thank all those who helped assemble the new outdoor bar at Davis Park and also Meeky for the excellent condition of the oval itself. After seeing a number of other playing surfaces around the Wimmera it is safe to say we are being very well looked after.

The Editor.

Netball Player Profile

Name: Kat Colbert

Team/position: Coach and B-Grade Goal Attack

Previous Clubs: Kat's netball career spans over the last 19 years. During this time she has previously played for Rupanyup, and the Newton and Chilwell Football Netball Club before making her home in Nhill and joining the Tigers as a valued player and club member

Biggest Influence: The biggest influence on Kat's netball career has been her U17 coach at Rupanyup, Natalie Knights

Most memorable moment: A stand out memory for Kat (although perhaps not for all the right reasons) is playing undefeated during the U17 home and away season for Rupanyup, only to lose both finals and miss out on the chance to take home the premiership that year

Best advice received: The best advice given to Katherine is that you don't have to play fast but you do need to play smart

Social Club

Jag the Joker

Enjoy a meal at the club on Thursday night or Saturday home games and receive a ticket to go into the draw. If your ticket is drawn out you get to select a card from the board in the hope to find the joker. The jackpot starts at \$50 and goes up by \$5 each time until found. Aces are worth \$10 and there are other random spot prizes on the board.

Junior Disco

There will be a Junior Disco on the 1st of June after the Horsham Saints game. More details to come.

Hockey Report

The N&DSC's three hockey teams have experienced mixed success over the last two weeks of Wimmera Hockey Association competition.

Round 3 was held at Horsham's Dudley Cornell Park where Thunderbirds suffered their first defeat of the season to Yanac Women 4-1. Nhill matched the opposition in the first half with scores locked at 1-1 at the break. With several key players out of the team, the Birdies succumbed in the second half allowing Yanac a convincing win. Steph Daly scored Nhill's only goal. Umpire's votes – 3 Emma Janetzki, 2 Steph, 1 Wendy Crowhurst.

Rangers played an exciting match against reigning premiers Yanac Tigers, securing a 1-1 draw. Well done to coach Trevor James who led by example on-field, receiving 3 umpires votes; Mont Miller 2 votes; and Talor Dent 1 vote. The goal scorer was Brady Newcombe. The junior Leopards had the bye.

Round 4 was played in very warm and windy conditions at Yanac, whose grounds are in great condition this season. Leopards continued their winning streak from round 2 with a convincing win over Dimboola Kangaroos 3-0. This young team is showing tremendous promise with all players treating each other equally and demonstrating real team work. Goal scorers were Blake Miller, Emily Koop and Vicki Janetzki. Umpires votes – 3 Dakarai Delaney, 2 Vicki and 1 Sharma Delaney.

Thunderbirds, again feeling the effects of absent players, fought hard for the full 70 minutes of game time and having to call on junior players to enable player interchange, were narrowly defeated by Dimboola Women 3-2. Goal scorers were Di Janetzki & Lauren Bendall. Umpires votes – 3 Lauren, 2 Debbie Cook, 1 Wendy Crowhurst.

Rangers raised the bar for the final game of the day defeating Dimboola Men 1-0. In a very evenly matched game, Alex Welsh secured the winning goal late in the first half. Umpires votes – 3 Mont Miller, 2 Talor Dent, 1 Graeme Janetzki.

This weekend all Nhill teams play Horsham at Dimboola.

Netball News

A big thank you to Lyn Fisher & Fisher Freight Service for their donation and organisation of three dressing gowns for the netballers to use on the bench. They have certainly already been very well used and will be even more appreciated over the coming months.

Also thanks to everyone for their support and generous donations towards the Pink Sports Day. A rough tally at the end of the day estimated that between the two Clubs we had raised almost \$4000! The girls were certainly in the spirit (see photo opposite, where the girls are all wearing pink socks and arm bands).

And last but not least, another thanks to Cathy Etherton and Kate Pilgrim who have done the leg work to organise samples for a new warm-up top for players. These are made by Energetic who also make our dresses and are designed to wear over the dress pre-game (similar to those that are worn by teams in ANZ Championships if you have seen these).

For anyone interested in having a look at these, Cathy will be around after training with samples. Orders will be taken over the next few weeks with the bulk order to be placed by 24th May. The tops will take approximately 6-8 weeks to deliver.

Blue Ribbon Spirit of Netball

Marli is a valued player and Club member at the Nhill & District Sporting Club. She is a consistent performer in the 17 & Under team and has also taken the next step in her netball development playing a few senior level games last season. Marli generally plays in a goalie position, and is an accurate shooter who remains calm under pressure. As a player she is reliable, an honest, clean player and very much a netballer who thinks about her team. Her coach's find her at all times respectful and she listens and takes action of the directions given to her. Marli contributes to her Club by being involved in coaching in the modified netball program and undertaking any

other duties asked of her. Marli is a worthy recipient of the Blue Ribbon award for her consistent efforts in netball and her willingness to be positively involved in her Club. Congratulations from all members of the Nhill & District Sporting Club.
