

Narre South Lions Football & Netball Club Inc

Sponsorship Packages 2014

The Narre South Lions Football & Netball Club is the only combined Football & Netball club in the South East Junior Football League.

Embarking in only it's 1st year as a new identity, the club expects to field 16 junior football teams and 18 junior netball teams and 4 social netball teams. This will make up approximately 500 boys and girls from the local community. In addition to this we run an Auskick clinic every Saturday morning for approximately 100 kids.

NSLFNC is the fastest growing Australian Rules Football & Netball Club in what is described as the fastest growing municipality in Australia.

Over the coming 3 years the club expects to continue to grow rapidly, offering the children of our local community a network of support, friendship, personal growth and development.

The Narre South Lions Junior Football Club was established in 2005 out of a shipping container in Narre Warren South, and has continued to grow from strength to strength since that time.

In 2006 the NSLJFC won two major awards for club conduct for the Under 13's and the Under 18 Footy Pak Cup girls competitions. 2007 saw more club conduct awards and our first Premiership and 2009 saw two more Premierships, two league best & fairest awards, 2011 saw our U13 Navy & U14 Navy sides win premiership flags, with one of our U14 boys also taking out the league Best & Fairest award.

Narre South Lions Football & Netball Club Inc

We also had a large number of boys invited to train with the Dandenong TAC Cup squad, with one of our U16's also being selected for the U18 squad for season 2012. In 2012 our club won three premierships in the U11 and U12 age groups.

In 2013 our club celebrated premiership successes in our U11 & U13 age groups, with our U13's winning back to back premierships.

The Narre South Lions Netball Club was formed in 2012 and began its inaugural season with 11 junior teams, of which 2 made finals. The following season saw the club grow to 15 junior teams and 2 social teams, of which 6 teams made finals with 2 finishing runners up. This season was also the start of Rep Netball Teams where fielded teams in the U15 & U17 competitions with the U17's finishing off as runners up, a fantastic accomplishment for the players and club. Our third season has seen further growth for our club to 18 junior teams and 4 social teams. We will now be able to run rep teams in U11, U13, U15 & U17 age groups. All of our coaches have attained their level 1, and we have expanded our training facilities to incorporate two venues to accommodate our rapid growth.

Narre South Lions Football & Netball Club Inc

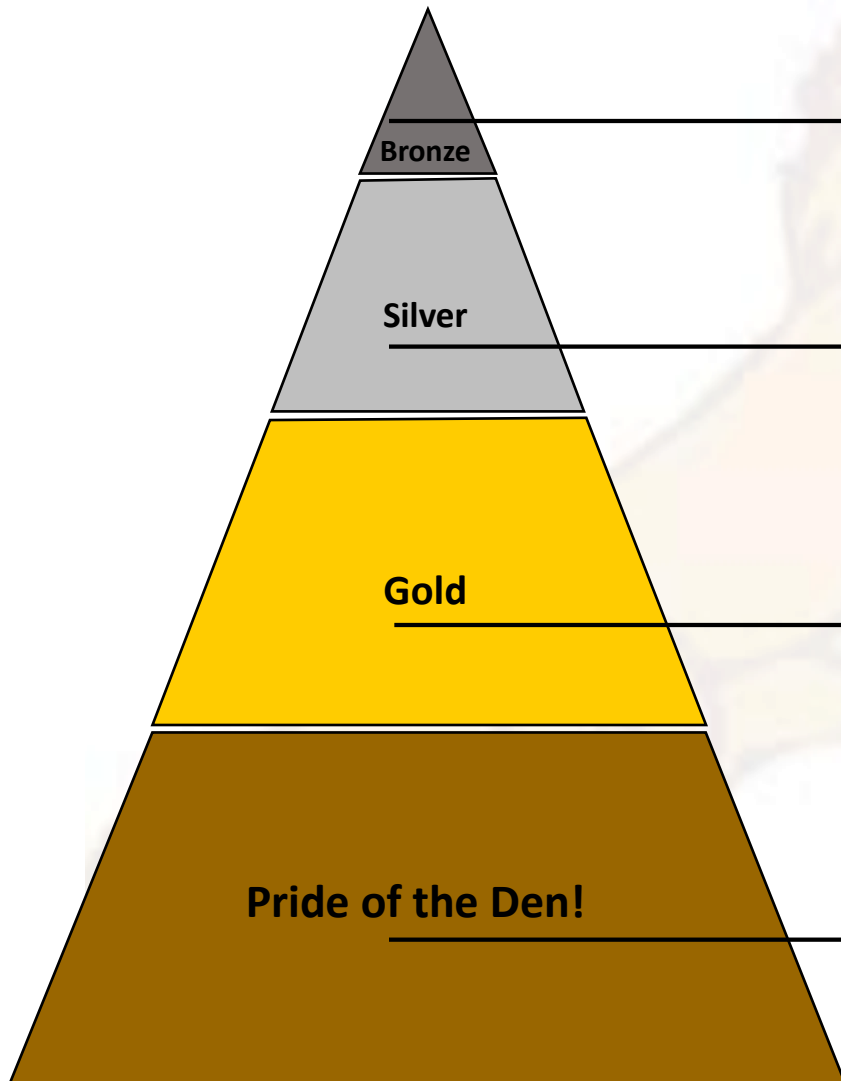

Our sponsorship packages are based around our future plans of expansion and offering a fun, exciting, safe place that the whole community can enjoy and be a part of.

We thank you for taking the time to review our sponsorship packages.

We look forward to establishing a partnership between yourselves and our club. This will provide the children of our community the opportunity to be a part of an environment where they can develop both physically and mentally as individuals and as part of a team.

Narre South Lions Football & Netball Club
