Office Talk

All at the PCNSA office are aware of the efforts put in by our representative football and netball sides as they competed in the Worksafe Country Championships last weekend. An amazing effort resulted in some wonderful and unpredicted results in our favour and that needs to be acknowledged and celebrated across our leagues and region.

The football double-header at Simmonds Stadium in Geelong saw the Casey Cardinia League side triumph in superb style over the Bellarine League in the opening game. Unfortunately the Peninsula League side could not back that up and went down to the Geelong League, but our boys lost no friends in the effort. Across the road at St Marys Oval the story was the same with the Peninsula under 18s going down, after leading all day lost with last kick of the day, before the Casey Cardinia side clawed their way back from a five-goal deficit to snatch victory by one point in the final seconds of an interleague classic.

At Rosebud, Nepean League hosted Central Murray and sent the visitors home without the spoils in both seniors and under 18s, making it a solid overall result for the PCNSA football sides.

On the netball front the celebrations were long and strong for both Casey Cardinia and Nepean sides as they held up winners cups after sterling victories. Unfortunately the Peninsula team did not join the revelry but again, put in a tremendous effort against what turned out to be almost a state league opponent.

Well done to all who played and assisted the PCNSA representative sides – you all did our league proud.

Our 2014 junior tournament sides kick off this Sunday when the 13s and under, 15s and under and 17s and under Casey Cardinia netball sides take part in the Little Sharks tournament. Good luck to all teams.

This weekend it is back to local football and netball with the mid-season rounds beginning. This is the phase of the season that separates the men from the boys as

far as finals contenders and season-defining success and failure is concerned. It is also when clubs need to be aware that the pressure to perform and gain that success can often result in on-field frustration so a reminder from coaches – particularly in our under age competitions - that the ball is the object is always timely.

Renewed focus on rivalry rounds will be a highlight across all leagues this weekend. In Peninsula League Frankston YCW will host Mornington for the Aiden Graham Memorial Trophy, while across at Doveton, Cranbourne will visit in search of the Mitchell Garrett Cup. In Nepean League, round seven will include two feature games with both transferred to the Queen's Birthday bye weekend. The Jennings Cup will be decide on Saturday 7 June when Sorrento takes on Rye, then on Sunday Red Hill will host Dromana for the time-honoured Bluey Holmes Shield. Good luck to all sides.

Finally, just another reminder that the PCNSA will celebrate its annual Women Making a Mark in Sport luncheon on Friday 18 July. This year's event will benefit the Brainwave charity, which assists children with brain injuries or conditions.

AFL Vic Country

Indigenous Round

This weekend we celebrate AFL Indigenous Round across all levels of football.

The round's theme in the AFL: 'Everything's Possible' will highlight the contribution of indigenous footballers, past and present, and will celebrate the diversity that exists within our indigenous game.

Several country leagues will celebrate Indigenous Round in their own unique way, helping to create awareness of issues facing indigenous Australians and highlighting the role football can play in encouraging understanding and acceptance between diverse groups.

The round, which falls in National Reconciliation Week, aims to celebrate and promote the inclusion of indigenous cultures and offers fans as well as players a vehicle for building stronger ties with indigenous communities.

This year, Indigenous Round is also promoting the RECOGNISE Campaign.

RECOGNISE is the people's movement to recognise Aboriginal and Torres Strait Islander people in our Constitution. Tens of thousands of Australians from all walks of life have already declared their support to recognise the first Australians in our founding document.

The 'Dreamtime at the G' clash between Essendon and Richmond has become one of the highlights on the football calendar and is again one of many events held this weekend as part of the AFL's Indigenous Round.

As a curtain raiser to the game, The Footy Means Business Program will take centre stage, giving indigenous players at state league level a chance to continue to develop as footballers and young men.

Among the two teams, one named after David Rodan – now an AFL Victoria employee, the other after Aaron Davey, are three country Victorian exports.

Alex Saunders (Bairnsdale) Kayan Bundle (Drouin) and Andrew Murray (Wonthaggi) will all be aiming to use this opportunity to help launch their own AFL careers.

The Long Walk will once again precede the Richmond v Essendon match at the MCG on Saturday night. This is year marks ten 10 years since Essendon great Michael Long and others walked to Canberra to highlight issues affecting indigenous Australians.

AFL Victoria's Indigenous Programs Manager Aaron Clark said Indigenous Round deserved to be celebrated not just at the MCG but throughout the state at every football venue.

"At all levels of football, and particularly in country Victorian competitions, indigenous players, umpire, coaches and supporters play a vital role in our game and this round helps celebrate that contribution," Clark said.

"While football has played, and continues to play, a huge role in creating understanding between non-indigenous and indigenous Australians, incidents of racial vilification are still prevalent at both the elite and community level. In the past football has been a vehicle for social change and this is something we should all be proud of."

"It is important as a football community we take a no tolerance approach to stamping out racism and continue to be a leader in this field. We must also continue to provide support to our champions; both local, and those at the national level, for they are the ones that are at the forefront of leading this social change."

Clark said the recent debate in the media about what constitutes a racist slur and what a person should, or should not be, offended by had clouded a simple message.

"People, regardless of the heritage, or religion and sexual preference for that matter, should not be made to feel vilified or isolated by the behaviour of others."

"We all have a role to play in this and hope the 2014 Indigenous Round reminds people of this responsibility."

BULLS CHASE FIRST WIN

By Simon McEvoy – Leader Newspapers

KARINGAL'S rugged start to the season could be about to take a sudden turn for the better.

The winless Bulls believe they can crack their duck egg by beating fellow battler Chelsea at Beardsworth Ave today.

In what could one of its few chances for a win this season, Karingal has set itself for this game.

"Absolutely. It's a game we expect to be very, very competitive for a very long time," Karingal coach Steve Coats said.

"I think Chelsea will be thinking the same way and I think the team that does the right things at the right time will get the points."

After six rounds, Karingal is rooted to the bottom of the ladder with a meek percentage of 26.95.

The departure of a raft of players in the off-season, coupled with injuries to key players, left the Bulls undermanned in the opening weeks of the season. They were crushed by 178 points by Frankston YCW in round three and a week later lost to Edi-Asp by 148 points.

But Coats is adamant the Bulls are on the up.

Last round, Karingal showed a glimpse of its 2013 form, pushing Mt Eliza. The Bulls trailed by only 19 points 10 minutes into the last quarter.

"Last week was a much better effort, we were in the game longer," Coats said.

"We had a lot of kids - first year senior players - and they played well. We got a few back on the park which helped us."

Coats said despite the lack of wins, the spirit among the players can't be questioned.

"It's a good feeling down there. The scoreboard

doesn't show it but everyone who is there at that footy club is positive and knows that short term pain is going to be long term gain," he said.

LANGWARRIN'S emergence as a contender has been one of the stories of the season. A 5-1 win-loss record has the Kangaroos sitting pretty in second spot.

However, Langy's hard work is only beginning. The next four weeks of footy – when they face Edi-Asp, Mornington, Frankston YCW and Mt Eliza - will present test after test and reveal a lot about this young and promising Kangaroos outfit.

Today, Langwarrin hosts reigning premiers EDI-ASP. Rewind a year and Edi-Asp were probably very similar to the current Langy side; hungry, talented but yet to prove themselves. Well, the Eagles did go on and prove themselves, hoisting the flag in brilliant fashion.

After winning its first four games, Edi-Asp has dropped its past two and really do need a steadying win today. Former Dolphin Matt Clarke will return to the field today after two years out and, even if he's a bit rusty, he is sure to still have an influence in the middle.

Ladder leaders FRANKSTON YCW hosts MORNINGTON, on a five-game tear, in a blockbuster at Coburn Oval.

The Stonecats have dominated the Bulldogs in recent years, but there is little doubt the Doggies have closed the gap and are ready to challenge.

Frankston YCW has looked awesome at times this season and its best wins have been against the highly-rated Mt Eliza (by 30 points) and Edi-Asp (by 87 points).

Mornington, since losing first-up to Mt Eliza, has been red-hot, seeing off all-comers, including last season's grand finalists Bonbeach and Edi-Asp.

PINES returns to its home turf at Eric Bell where it has scored both of its wins this season. The Pythons welcome winless SEAFORD in an interesting match-up. The sides are unlikely to be finals contenders this season but you can bet the intensity today will be fierce. The Pines-Seaford rivalry is one of the best going around.

Seaford has been frustrated by a string of near misses but, as it showed with a competitive effort against Langwarrin last round, it is continuing to work hard.

BONBEACH has claimed a couple of big scalps in the past month and goes to MT ELIZA today looking to add another.

The Sharks have beaten Frankston YCW and Langwarrin in recent weeks to announce themselves as a genuine contenders again this year.

Mt Eliza edged Bonny by two points when they last met at Madsen Reserve last year. The Redlegs go into today's clash feeling good, having won three in a row and showing signs of nearing peak form.

STONECATS READY FOR BULLDOGS IN THE RESERVES...

Bar one game, FRANKSTON YCW has been untroubled this season and the Stonecats look in good shape going into the top-of-the-ladder clash with MORNINGTON. YC has the most potent forward line in the comp, headed by Brad Wakeling (26 goals) and also boasting Zinzile Mosimane and Jemisen Thorne. They will be up against Mornington's rigid defence.

PINES have chalked up only one win but have been competitive in most games. Today the Pythons face SEAFORD, which is desperate to halt a three-game slide. The Tigers will need James Herbert and Tom Lonie – so good in earlier wins this season – up and firing.

MT ELIZA is looking for its fifth-straight win when it hosts BONBEACH. But this could be a danger game for the Redlegs. Bonny are more than capable and dido boast a win over YCW.

CHELSEA gets the chance to put its season back on track when it faces winless KARINGAL.

LANGWARRIN can improve its record to 5-2 if it can take care of ninth-placed EDI-ASP.

A GREAT CONTEST

IN THE UNDER 18s...

Two very good teams go up against each other at Lloyd Park when LANGWARRIN hosts EDI-ASP. It could be the first of several meetings this season between the sides.

FRANKSTON YCW will need to beat the sides above it if it is to make finals, and today here is an opportunity. The Stonecats host fifth-placed MORNINGTON, which had 39 scoring shots last round. With a bit more luck, the Bulldogs could be perched up higher on the ladder.

BONBEACH fired off 21 goals last round as Dylan Edwards, Max Bailey (7 goals) and Lachlan Gill-Renouf (4 goals) hit their straps. The Sharks will need to bring that same intensity today when they host MT ELIZA, which has averaged 21 goals in its past three games.

Third-placed SEAFORD will look to boost its percentage against PINES.

A third win is on the cards for KARINGAL which hosts CHELSEA.

Club Notes

Bonbeach Sharks

The Seniors after a slow start got on top of the old foe Pines and ran out convincing winners. Young Liam played well above his age and kicked 5 goals to boot. DJ was superb in the ruck with Tyrell & Macca very influential. Robbie Horler & Dimma were strong on the ground and in the air respectively, with Sykesy up forward trying to be Cyril attempting some unique snaps at goal. The seniors are now into 5th and heading in the right direction.

The seconds kicked poorly for goal early scoring 0.7 in the first quarter. They then rallied and finished strongly kicking 9.2 after quarter time to move up the ladder. Buss the standout with support from Gumby and Lacey. The Magoos are also now sitting 5th on the ladder and becoming a threat.

The thirds completed the trifecta of wins for the Beach on the day with the boys kicking 21 goals and Bailey snagging 7. Great to see some real reward boys for some great efforts this season and a big lift in the percentage. Best was Edwards & Bailey with support from Gil-Renouf, King, Sisson & Taylor

Well done to all our players that represented Peninsula League during last weekends break. Courtney and Emma in the netball, Bluey for his second appearance in the Senior footy and Corey Hanger managed to boot five in a tight game in the unders.

Round 6 saw us hang in there against Seaford to get the points in the seniors. Hoges, Bluey and Doggy were great as we moved to 5-1 for the season to date. Great start boys. The Reserves played a great second half to run out convincing winners with Jayden, Tails and Cuz amongst the best. Our unders went down to a strong Seaford outfit and it was great to see Spoona back and amongst the best.

The next three weeks before the turn are huge for the club and its starts today at home against Edi-Asp. This is a huge game and four tough quarters of footy will be required to get the points and keep the momentum going.

CLUB PERSON OF THE ROUND- CHRIS BAKER (and Sue!). On top of all things sponsorship put his hand up to run the bar till stumps for Kristy H's 30th. Thanks mate.

Welcome to the Bonbeach FNC for what shapes up as being great battles in all Grades.

A great day out at Karingal last round will all footy and netball teams claiming victories.

The U/18 Reds took on Devon Meadows and although undermanned put up a strong performance to half time before going down by 7 goals. Better players were Zac M-D, Richo, Millane, Gussy, Hawkins and Jack.

The Under 18s, after being challenged early on kicked away after quarter time to win well. Oscar Whitty was dominant up forward after half time with 5 goals and other better players were Josh Curren, Dion, Sabba, Cal Armstrong and Rob Turnbull.

In "Noonans" 150th, the Reserves dominated with Nick Strickland super with 8 big ones, ably supported by "Titch" with 3. Among the best were Hilly, Anwyl, Aaron Dunne and Tim Campelj.

The Seniors couldn't shake off a determined Bulls outfit, eventually wearing them down to win comfortably in the finish. Heasa was great as usual and Rob D'Orazio, Lombo, Strick, Willo and Meeso did well.

Well done to Youngy, Ryan and the boys for putting together a successful Calendar Launch a couple of weeks ago and thanks to Jimmy Freeman for his DJ work. Calendars are still available for sale behind the bar for just \$20!

Thanks also to those that attended the Luncheon in town last Friday - A great day was had by all, with thanks to Hoppy, Mick Molloy and David Schwarz for a fun arvo. Sponsor of the Week: Signarama Frankston & CPC Panels. Good luck to the Red & Blue today!

Chelsea Seagulls

Welcome everyone to round 7 as we host Karingal.

Last week all teams travelled down to Mornington. Our U/18s had the bare 18 from the start, a few injuries, but they never stopped trying, hang in there boys, it wont be long before the wins come.

Stevie G's boys wasted opportunities, got beaten at clearances, fumbled all day but were beaten by a very good side. Must work harder at next game. Better players; Bourkey, Mattie G, Matt Pearson.

In the seniors, it was always going to be a challenge against an inform Mornington on their home deck. Once again our slow start allowed the opposition a significant start, it was catch up football all day. To our boys credit, aside from the first 10 minutes of the match, we went toe to toe with one of the competitions heavyweights for the rest of the game. The result looked fairly lop sided due to our inaccuracy in the last. The effort was there and getting better! Best; Finemore, Graham, Smith, Ponton, TooToo. Thanks to our loyal supporters that made the journey down the coast. We are on the up!

Good Luck this week boys

Karingal Bulls

With the warm weather it was perfect footy weather @ The Bullpit as we took on Mt Eliza. The unders started well early before MtEliza put the foot down and recorded a comfortable win. The reserves was an improved effort and the senior game was a tight affair until mid way through the last when the visitors pulled clear by 40. LVR slotted a couple and Benno grabbed his first goal in senior footy while the new Games Record Holder had that much of the pill it was suggested that he had brought his own...

Today we meet Chelsea who are also struggling this year and we're looking to grab the 4 points.

Socailly - pencil in June 28 for the \$5k draw....get your tickets from Wally, committee or players and next week is the Omega Bulls Frat Party which at only \$50 per head promises to be great value and a ripper night. What is an Omega Bulls Frat Party you ask.....? That dear readers is a very good question....

As always thanks to our Major Sponsors - this year we're thrilled to have NP Distributions, Frankston RSL, Bank of Queensland, Bluegum, TAFT and BMK back on board and welcome new sponsors Jeep, Vawdrey and Hallam truck Centre - please support these guys as they support the Bulls.

YC came to town and went to town on us! Good to see the 18s flying the flag, been a while since we have had the better of YC, Ross the Boss has the boys playing selfless footy. A great team effort, with a few of these boys ready to step up over the next few weeks and start making their way in the seniors.

The Reserves were touched up nicely as was the seniors... pressure is on us now to bounce back, good sides find a way, we need to pull out the Melways.

Ladies luncheon was a roaring success, congratulations Helen, Wendy, Gemma and Renee, sure did have a lot of fun.

To all players, make sure you get your sponsor details in to Ted or Chad ASAP.

Club Notes

Pines Pythons

A bad day for Steve Ryan's Peninsula Interleague team last Sat v Geelong and all we can say is better luck next year.

Your scribe was handballed this question recently. How many games of footy has Steve Ryan played? Firstly, Steve has played 377 senior games (seven club's first 18) to date. He has also played 60 AFL reserves games and 52 AFL thirds games and you could add 6 Pines reserves games to that. It is not known if he has played any reserves games elsewhere. Adding these all together we get 495. Do I hear the magic number 500 whispered. Interleague games cannot be added in as they are not considered to be club games. Some clubs think otherwise. It is archived that Gary Evans (Drom, Rose, Rye, Sorr and others) played 536 games (1964-89). These also were at mixed levels and grades.

Seniors received a reality check v Bonbeach last round going from 10pts down at qtr time to 88pts down at the end. Young Josh Wilcox got his first snr game and teamed well with his bro Nick. Best; M.Goodman, H.Parker and S.Taylor.

Reserves couldn't assert enough strength in another rugged game and flopped by 30pts. Best; J.Bezzene, M.Dyer and Gord Hendry. Another 20 goal defeat for our Thirds (10th) and it wasn't by a high team but by ninth placed Bonbeach. Once again the team struggled to field a full side. Best; M.Puok, B.Burt and D.Berry.

Welcome to our neighbours Seaford for what some are calling 'a rivalry round' which must be a link to our 'rivalry luncheon' today.

The Last Bud.

It seems an eon ago that we ventured to Edi-Asp for some must win games. a mixed bag eventuated with two footy wins and one Netball win (read elsewhere). In a bruising encounter the Ones kicked away after an even start to win well. Injuries to both sides marred the day (Chin up Ant) but vintage Benny T (6 goals, The Rig marking everything and Kev Lylak ruling the back line saw a comfortable win. The Twos hit the deck running and kept the pressure up all day for a big win. Despite a bad injury to Chappy, Mark Whitehead and Wako (8 goals) set up a great win. The thirds rued a slow start against quality opposition and were well beaten. The skipper led from the front and "Son of Tony" had a great game. Congrats to our Inter League reps (Bundy (c), Bysa, Ash, Lachie, Benny T and Bods - shame about the result. Also to the u/18 reps Jack B, Greeny, Pickers and Jake Di.

We welcome Mornington today as we vie for the Aidan Graham trophy. Again tough matches in all three levels - seems to be a weekly occurrence. We also welcome the Wagg family as we officially name the "Jack Wagg" Hill. Jack, the Clubs first Life Member was President for many years in our formative times.

Don't forget The Big Draw is the Sunday of the long weekend (June 8) - tickets from Coey and Reddas. Also the Golden Era of 1973, 74 and 75 celebrating all sorts of things is being held on August 2. Twinkles and Whistle have done a great job in contacting most players. More details on the format to come.

Seaford Tigers

A big thank you to the Langy crowd last week, who turned out in force for what was a great day of footy. The 18s got the ball rolling in fine style as they got back on the winners board with an impressive performance, getting up by 23 points. The whippet, Jai Thornell kicked 4 goals, Jake McCartney got BOG, but Noodles stole the show Saturday night on the microphone!

The reserves looked to snap a 2 game losing streak in the Grand Final rematch and started off in fine fashion, kicking 2 goals by the 5 minute mark of the 1st quarter. However, we did not kick another major until late in the 3rd in a disappointing display, going down by 39 points. Liam Davenport was BOG, whilst Wheels Davis, Rory Luxton, Nath Taylor, Mitch U and captain Pauly V led by example. A crucial game this week to bounce back after 3 straight losses, time for guys to stand up and be counted.

The Seniors came up against an in form Langwarrin and really took the challenge to them from the outset but a lack of polish and composure at crucial stages cost us the chance to win the game as Langy were too good, as we lost by 21 points. Tom Shaw found some form, kicking 4 goals, whilst young guns Matty Herbert, Kayle Henderson, Beau Cannon and Johnno Haidon were again amongst the best. Old stager Azza Walton was solid as always. Massive game this week v Pines as we look to notch up our first win of the season, keep your heads up boys and keep on punching. **DON'T FORGET LADIES DAY NEXT WEEK**

Mornington Bulldogs

Another great day at the kennel last round with 5 out of 6 wins. Congrats to the Mornington players, coaches & trainers who played interleague last weekend, results didn't go out way but a great effort with Wazza getting BOG.

Seniors started with a bang, Jacko kicking four in the first quarter to get the boys off to a good start. They eased off after that and despite winning by 55 points they lacked the polish they had shown in previous weeks. Tommy Simpson and Bitters were great through the the midfield whilst Mick Altenkirch was clunking marks up forward.

Reserves put in another good performance to run out 75 point winners against Chelsea. They are playing quality footy at the moment and everyone is contributing across the ground. Deano once again led the way whilst others with senior experience in Smithy, Scotty and Keithy all played well.

Under 18s had a solid win against an undermanned Chelsea side, displaying strong committed football for four quarters. Five new players came into the side from the previous week, this, coupled with 12 positional changes, as we endeavour to find the best balance and structure going forward.

It was good to get the rest with a few sore bodies, YCW is always a tough game so looking forward to the challenge today.

Next home game 7th June we will be doing club lunches upstairs at 12.30pm- \$25pp for catered 2 course meal or book a table or 5 or more \$20pp. To book text/call Allison 0437 744712.

Frankston Park News

Big V honours for Frankston Quartet

Four Dolphins have been named in the VFL State Squad to face the SANFL at the North Port Oval on Saturday, 31 May. Shane Hockey from Mornington, Mike Lourey (Mt Eliza), Kiwi turned Skye boy Khan Haretuku and WA import Shannon Taylor will all spend the next two weeks vying for a place in the final team.

The other Dolphins have more than a fortnight to prepare for their next game against Footscray at Frankston Park (7 June) with the bye and then state game weekend to follow.

Heart-breaker in Ballarat

The Frankston Dolphins suffered a heart-breaking five-point defeat at the hands of North Ballarat on Sunday.

On a windy Ballarat day the Dolphins started full of run and pressure, on-ballers Leigh Kitchin and Hockey in everything as their team slotted the first four goals of the day.

With the likes of Jake Dermott, Josh Tynan and Josh Newman rebounding strongly from behind the ball, Frankston's fastbreak game was giving the hosts all sorts of trouble.

With key forwards Haretuku and Lourey isolated by the quick movement the Roosters' defence was forced to scramble, and had the Dolphins had a greater crumbing presence their quarter-time lead would have been greater than 18 points.

The 30 minutes that followed ultimately cost the visitors the game, North Ballarat running unmolested through the middle of the ground as they piled on five goals to none to move 12 points clear at the long break.

When the Roosters opened the third stanza with two quick goals – making it eight on end - it appeared a blowout was on the cards, but Frankston found another gear, with Hockey seemingly putting his nose over every loose ball.

Matching North Ballarat's intensity at the contest, the Dolphins quick movement twice found Haretuku who finished on both occasions to keep the deficit to 19 points at three-quarter-time.

Inspirational ruckman Russ Gabriel then took over the game. While continuing his aerial domination of North Melbourne's Eric Wallace, Gabriel was a man possessed at ground level too as he repeatedly sent the Dolphins forward.

Fellow big man Haretuku also stepped up, booting two more majors – and narrowly missing another - to breathe life into the visitors' charge.

Around the ground it was all Frankston, Hockey and Ben Cavarra running like it was the first quarter as the pressure mounted.

Zig Alwan booted his second and when Lourey converted his first at the 20-minute mark the Dolphins were in front and the record-breaking day for North Ballarat coach Gerard Fitzgerald seemed destined to be spoilt.

A desperate final few minutes ensued as tired bodies piled in, but after a crucial Frankston turnover at half-back a towering mark and goal from Jordan Staley made sure it was the Roosters with their noses ahead when the siren sounded.

North Ballarat	1.2	6.3	10.6	12.7.79
Frankston	4.2	4.3	7.5	11.8.74

GOALS: Haretuku 4 Alwan 2, Simpson, Lourey, Garner, Taylor, Kitchin

BEST: Cavarra, Hockey, Haretuku, Tynan, Dermott, Gabriel

Stingrays Run Over Tasmania.

The Dandenong Southern Stingrays got back on the winners board with a very strong 26 point victory over the travelling Tasmania in the Round 8 TAC Cup match at Shepley Oval Dandenong last Saturday.

The Stingrays added debuting players Zak Rouse, Gach Nyuon and top age players Taylor Joyce and Caleb Gray for their first game for 2014. They also welcomed back 19 year old Troy Jacobson who successfully returned from two years of injuries.

The Stingrays had trained well during the week and started like a shot out of a cannon, dominating most of the play in the first half of the first term. Tackling was a highlight and relentless pressure resulted in numerous inside 50's for the young Rays. Taylor Joyce took control early in the air, kicking one of his 5 goals in the first term. Tasmania steadied a little and converted well to kick 3 straight goals with their limited opportunities and the Stingrays led 4-3-27 to 3-1-19 at quarter time.

The first ten minutes of the second term was very messy skill wise and the term was a bit closer as both midfields rolled back to support their defenses and scoring opportunities dried up a little. An opportunist goal to Keegan Downie and an interception mark from an errant rebound kick gave Taylor Joyce another goal, but they were the only goals for the Rays as Tasmania took their turn on dominating the play. All the hard work from the Stingrays midfield group went to waste as time after time panic kicking forward allowed Tasmania to easily defend and rebound, which resulted in 6 goals for the quarter- most came from Stingrays turnovers. During the long term break, Stingrays Coach Craig Black was full of praise to his players for continuing to play their individual role, but challenged them to work harder defensively and to use the ball better in contested and uncontested situations- especially entering the forward line as 2 goals 2 points from 12 inside 50's for the term was poor conversion. At the end of the second, the Stingrays trailed on the scoreboard by 16 points, with Tasmania scoring every time they went inside 50 so a huge challenge was set for the defenders to close down their individual player at the long break.

The third saw the first goal come within a minute to Stingrays player Joyce, followed with another a minute later to the dynamic Bailey Dale. Midfielders Alex Harnett, Jake Lovett and Dan Moloney were brave throwing their bodies at every contest, which became effective as the pressure and intensity lifted for both teams. Another goal to Mitch White a few minutes after some good defensive pressure looked like the Rays might blow the game apart but Tasmania locked down and made scoring a little harder. Great work from Bailey Dale and Jack Lonie resulted in two opportunistic goals to Tomkins and Dale. Tasmania made the Stingrays pay from poor defensive acts that resulted in two of their own goals before the Stingrays once again hit the scoreboard through Joyce and Jacobson. The end of the third saw the Rays kicking 7 goals to 2 and holding a 16 point lead, but would be defending against a 2-3 goal breeze in the last.

The final term was more hard running and hard work as the Stingrays continued to outplay and out-muscle their opposition. The Stingrays added another 4 goals to Tasmania's 2 with eight different players on the goal kickers' list indicated a very even team effort and should instill a lot of confidence in the Stingrays squad. The non-negotiables of hard work, hard running, good defense and multiple avenues to goal were all front and centre in the very good 26 point win to the Stingrays and only allowing 4 goals defensively after half time which was led by best on ground Bailey Dale who racked up 21 possession, most from winning his own ball from contested contests (16) then rebounding inside 50 kicking 3 goals and supported strongly from the ever reliable Jack Lonie, Jayden Tomkins and return to form Taylor Joyce and hardnosed midfielder Alex Harnett.

Next Sunday, June 1st in the TAC Cup Round 9 game sees the Dandenong Stingrays play the

Northern Knights at Shepley Oval, Dandenong. The game starts at Middy and entry is free.

Strategic Planning – why it is critical.

“The best way to anticipate the future is to invent it”
– Rosabeth May Kanter

All sporting clubs and associations want to increase membership, raise funds, attract and retain volunteers, develop coaches and officials and maintain good financial and governance management practices.

Strategic planning is a process of mapping out how a club or association can successfully achieve these goals. It also provides the opportunity for all interested parties in the club to discuss, agree and describe what is best for their club and what steps they will take to progress its future development.

A strategic plan has five main components: Vision, Mission, Core Values, Goals and Objectives.

Vision: It represents the ultimate aim. The members need a vision of what their club should be like at some point in the future. However, visions must also be realistic. A vision should therefore be challenging but ultimately achievable and reflect the particular nature of the organisation.

Mission: The mission of a club sets out simply what it will do to achieve its vision. Everything the club does, or wants to do, should be tested against its agreed mission and anything that does not fit the mission should not be progressed.

Core Values: The “things we believe in” are our core values. Many people believe in honesty, for example, while others are happy to do dishonest things in order to make money. Typical examples of club core values include equality of opportunity; social inclusion; fair play; quality training; excellence in standards and that football should be valued for its own sake rather than for some other reason.

Goals: Are a key foundation for the strategic plan. They are long term aspirations, which will lead to the achievement of the vision and are compatible with the mission. Goals are difficult to quantify so it can be difficult to say if they have been fully achieved; alternatively, it is always possible to do better against them.

Objectives: Are things the club will set out to achieve which, if successful, will contribute to the achievement of goals. There may be several objectives related to one goal. For example, a goal of promoting more participation might lead to a series of objectives such as:

- To run a club development program
- To develop stronger links between junior and senior club

Strategic plans should not be confused with business plans. A strategic plan provides focus, assists with communicating club ideals both internally and externally and prioritises the functions of the club to ensure strength and vitality.

For those that would like assistance with the development of a strategic plan for your club or association, please contact AFL South East on (03) 5995 5060.

Finally, a quick note to congratulate the hard working team in the PCN Sports Alliance office for their efforts leading into, during and following on from the Worksafe Country Championships. A tremendous amount of work goes in behind the scenes, largely unnoticed, and the way the teams presented themselves and competed as well as the hosting of matches was a credit to your work. Well done.

Peninsula Netball

Peninsula took 12 very talented girls to the game against Geelong Netball League's Interleague and with even representation from over 7 clubs within the league we were very proud of our spread. The game started with a win of the toss from our captain - but unfortunately it's where the good fortune finished. The GFL team bought with it a vast array of some of the state's greatest and most experienced netball players. With many hailing from VNL Championship sides, it became very evident just how strong (and tall) our opposition were. After only a few years in its netball history - the Peninsula league is still in early development both in numbers and depth and very early in the game the distinction between the two sides became clear. The margin was large from the onset and unfortunately became the pattern for the rest of the game.

I am confident our opposition was one of, if not the strongest teams competing in the Interleague weekend, so I remind our girls not to be disheartened by the result. We thank Geelong for their respect, sportsmanship and sheer talent on the day - and wish them all the best in their future as a team.

I do not have enough words to show the appreciation and respect I have for the Peninsula netball girls. Their commitment, energy, enthusiasm, effort levels - even on the back end of a poor score was as good if not better than most sides I've had the privilege to coach. The camaraderie and support they showed the game and each other was huge. Although not as experienced (yet) or as tall as their opposition, each of the 12 players that took the court, gave it everything - and as I said in trainings - that's all we could ask for. In the end - an enjoyable game was had by all, despite the score deficit - and I'm confident a great number of new and long friendships have been formed.

Thankyou to the team manager, scorers, umpires, GFL and our league for all their help and support. We look forward to building on our experience and coming back stronger in 2015.

A Grade came out on fire, taking the lead in the first 2 minutes. Chris, Tess and Georgia dominated the mid court – driving the ball down to the well position goalers. The girls have really come together as a team demonstrating this on Saturday by putting into play game plans that was worked on at training. Jess and Caitlin held their positions with a strong attitude and created many turn overs which were converted into our goals. Eliza played an awesome man on man game! B Grade held up a good fight against Chelsea coming away with an 8 goal win. With the defence as strong as ever and the shooters barely missing a shot, it seems the girls are becoming quite the team. The mid court creating many turnovers to keep us in front, it made for a great game. We look forward to taking on Frankston YCW after the bye weekend.

C grade continues to persist and play well each week and are gaining lots of experience against the tough teams. Only down by 1 goal going into the 2nd qtr the girls came out fighting. They did what they could but the 2nd qtr proved tougher and we went into half time 15 goals down.

3rd qtr proved to be much better with them goal for goal with Chelsea and kept Chelsea's lead to still only 15 goals! 4th qtr saw them lose that qtr by only 1 goal with them losing the game by only 16 goals. Overall a very evenly matched game bar the 2nd qtr which we will look at and learn from. Well done girls and thanks Chelsea for the games!

Bonbeach Sharkettes

Last week the girls took all the games up to the Pines confirming the overall improvement from our club this year. The C's went down by only 9 goals. They've been so close to a win this year, its only a matter of time that we'll get the points. Great games to Amber in front of the hoop, Stephanie and Kirsty. Great to see Kerri & Jess helping out the club in recent games by coming back to the C's when we were short of a shooter. The B's did well again without getting the points to go down by 7 with great games to Alana, Jodie & Steph Chapps. The A's fell a bit short of they're opponents but scored freely and were well served again by Kate, Steph & Emily. Thanks to Bec, Bea, Belinda & Kerri for playing two games when we were short of numbers last week. Congratulations also to Jayde for once again making the Peninsula interleague side. This week we travel to Mt. Eliza.

Good luck to all today

Round 6 & what an exciting weekend!

Our ladies luncheon was a great success as it was supported by everyone from our great sporting club! Special thanks to those who organised tables & helped on the day especially the Heys family, Ann Orchard, the Shannons & Wendy, Gem & Renee. Rodney Hogg was a terrific guest speaker (thanks Jason & Ted!) and with a full house of Eagle supporters it was a very enjoyable & successful day.

Thanks again to YCW for playing our game on the Thursday night to allow our function to flourish!

Good luck to our girls that have been nominated to represent us at the Inter League game against Geelong. All the best, Holly & Laura it is a great day though it is sad to see that our League is once again struggling for numbers.

You'll see that the players sponsors photo board have been updated & all our players & coaches photos look terrific! Thanks to Cookie & Rod for putting in the hours to get this job done.

We're definitely looking forward to a rest this weekend but training is still on!

Our next game is against the Roogirls at Lloyd Park & judging from their form this year, there will be 3 hard games of netball coming our way!

Good luck to all Eagle teams!

Go Eagles!!

Mt Eliza Red Legs

After coming off a loss and a narrow win the Mounties A team were looking for some better results. Knowing we had to hit the court with much more effort, skill and strategy than previous weeks we knew our current form had to change. With that in mind – all players put out a stellar performance and looked to be a different team than of late. Work levels were increased, communication improved and the overall result showed. All players did their job. Thanks to Karingal for a great day of fun and sportsmanship. We look forward to continuing the form for the coming weeks.

B grade played a great game and were thrilled to come away with the win.

Well done to the C grade girls on their first win for the season against Karingal last Saturday! The girls got off to a great head start giving them the confidence to keep scoring goals, without missing. Our tight defensive made it near to impossible for the opposition to even get the ball into the goal circle. Well done on your fantastic win girls, with the final score of 18-65 we can look forward to many more promising games.

Frankston YCW StoneKittens

The Stonekittens this week took on the challenge of playing the Edi Eagles with a Thursday night game.

C grade girls did their best, however on the night the Eagles were just too good. Despite the score Sarah Di Paolo played a great defensive game and her ability to bring the ball down the court against strong defensive pressure was excellent. Loz Barry had a great game in the defensive circle- trying everything in her power to stop the Edi shooters.

B Grade game was outstanding- goal for goal against the Eagles with all spectators on the edge of their seats! The girls had a shaky start due to nerves, but the girls then lifted, fought hard and applied lots of pressure to win by 1 point. Best on went to Lauren Goldie adjusting to the umpires and continuously contested for every ball. Maxine also played an excellent defensive game in WD, fighting and chasing every ball. A big shout out to our player Coach Jano- unfortunately fracturing her ankle - we all wish you a speedy recovery.

A grade started off to a very slow start and unfortunately against such strong competition we needed to play 4 consistent quarters of netball. Quarters 2, 3 and 4 were much better- however the Eagles defensive pressure was just too good on the night! Best on went to India Coghlan who played outstandingly in Centre. Our gun new recruit Sally played a strong defensive game- especially only being her 2nd game back after a broken rib and punctured lung! Good job to all teams on the night.

Happy international netball day everyone.

Whilst most of the langy crew enjoyed a day off last Saturday we say well done to our two representatives in the inter league game down Geelong way, Emma Callander and Courtney Pender. We are all very proud of you both and are glad you enjoyed the experience.

Our week at Seaford's Linen house saw a day of high scoring and relentless legwork up,down and across the indoor courts.

C grade having a hectic game of pace and turn overs. A last quarter energetic push by the girls showed true character and determination.

B babe's two veteran Roos helped take control of the younger joeys and shut down a strong wing attack and out shoot some leaping defenders to take home the win.

A grade ladies winning their game with patience and control and using their accuracy to feed our goalers and intercept many balls.

Our Jubes team having a loss against a very experienced Carrum team, followed by a physical battle against Fairway Saturday just gone, bringing home a win.

With thanks to our supporters who follow us to every game, and a special mention to Jacinta and Sheree who are definitely our number 1 ticket holders with their matching chairs and blankets for the knees.

We appreciate the kanga love.

Chelsea Seagulls

With a very eventful week the 3 Chelsea teams managed to play very well this weekend.

Our A team just can't get a win even though we are playing very good netball. It went goal for goal for 3 quarters to be out done in the last quarter. Pretty amazing effort considering we again had fill ins and all the combinations were new. Great games from Rach who is really beginning to shine in GS and a gutsy effort by Jo who was targeted all match.

Our B girls played their best game as a team on Saturday. So many positives all the way down the court. We had outstanding defense again from our GK to GS. Big thanks to Ash and Casey for coming back to the club and playing great games. Chelsea in the mid court played an outstanding game, never giving up!

Our C girls came away with another great win. What an outstanding year these young ladies are having. The club is so proud of how they are progressing and building a very strong team.

We would like to thank our major sponsors OA Recruitment and the Chelsea Heights Hotel for their continued support.

Karingal Bulls

Last week we played Mt Eliza at our fantastic new courts at McClelland Secondary College. Unfortunately all our teams are still yet to have a win but last week's games demonstrated great improvement in all teams.

C grade are really starting to gel well together as a team. The game started off well with the girls keeping the score close but Mt Eliza's strong and tall attackers proved too good on the day. The girls showed strong passes and put in 100% for the whole game. Thank you to those girls who stepped up and played new positions after a number of injuries.

B grade put their best foot forward and played a fast paced game. The girls played in many positions and ran until they were all bright red in the face but too many valuable turnovers let the team down. The girls demonstrated some great new passages of play and are continuing to improve each week.

A grade were always going to be in for a tough game against Mt Eliza's strong players, but the girls kept their heads up and worked hard until the very end. The girls had an amazing attitude and really made Mt Eliza work for every goal. New combinations were tested at all ends of the court and showed just how hard the girls have been training.

Now with the bye ahead of us, we are going to practice, practice, practice and put up a good front for our next game against Chelsea.

Go bulls!

After a much needed week off to recover from the antics of jess hops hens night today we feel fresh and hang over free (minus lisa) ready to take on them slithering snakes.

I would love to give you a wrap up of last weeks games but unfortunately my memory is failing miserably after one too many champas saturday night. Shout out to jet setting lisa who's leaving us for euro land this week. And here's to 3 solid performances against our friendly neighbourhood snakes.

Don't forget if you're a lady and not attending hops wedding get your tickets to ladies day for Saturday June 7th.

GO TIGES.

Plan ahead, on and off the field

If you're going to have a few drinks, plan ahead and arrange a ride with a designated driver – someone who's not drinking or who's responsibly sticking to light.

Good sports don't let their mates drink and drive.
