Members, Sponsors, Supporters

Most may not be aware that this year the AFL are hosting the AFL International Cup (IC2014) for teams from all over the world.

This event is held every 3 years and has been a huge success with games being played on the MCG as curtain raisers to the main fixture in some cases. This year's event is a little different for us in that Mooroolbark has a link to one of the international teams via past player Anthony McDonald.

Anthony has been living in Finland for the past year and has a close association with the Finnish AFL (FAFL) which is part of AFL Europe.

What we would like to know is whether any of our valued followers out there would be willing to host a player or two for part (or all) of the tournament whilst they are here in Melbourne. Players will be arriving around August 6 and departing around August 24th.

We know that's a long time, but any assistance at all would be appreciated. This notice is purely to get an idea of interest at this stage so we can see if we can move forward with the idea or not.

MELBOURNE - AUGUST 9-23

So . . . if you are willing and able to host some players for any period of time, then please respond to Denise, Doug or Macca either in person or email: den.dave@bigpond.com and we can see what the next move will be.
