Office Talk

From the top, congratulations and well done to the players from the three PCNSA leagues who have been selected in the two Country Victoria representative training squads.

Our leagues have a long and very healthy tradition of providing top-notch talent to these sides and have also regularly been represented in the All-Australian sides selected after each carnival. That is a source of pride for all football followers across our region.

This year the Victoria 1 side will play the Metro side for the AFL Community Cup at Simmonds Stadium on 12 July and our squad members include Ash Eames (Frankston YCW), Rohan Heasley (Mt Eliza), Kane Taylor (Seaford) and Lachlan Wallace (Frankston YCW).

The Victoria 2 side is also in action again and boasts no less than 11 players from Casey Cardinia and Nepean Leagues. CCLs Marc Holt, Jordy Andrews, Michael Collins, Matt Wade, Brandon Osborne, Kain Baskaya and Josh Tonna join NFL players Rhett Sutton, Leigh Pohlke, Mitchell Bosward and Terry Wheeler as players that will get a chance to take on the VAFA (Premier B-Div 4) team at the Western Oval on 12 July

This is just reward for players' efforts in recent interleague clashes and, hopefully, all will be selected to play in the coming matches against their metropolitan league rivals, again doing their clubs and our league proud.

Good luck to the Casey Cardinia League clubs celebrating our sports traditions with a rivalry round this weekend. The venue this week is Holm Park Road Reserve where former West Gippsland League rivals Beaconsfield and Pakenham will meet for the Highway Cup.

We acknowledge these games as an important part of our competition's heritage across our three leagues and that history is often underlined by club officials, members and friends of the PCNSA who frequent this office and our sporting venues across the season. The stories of fierce, often bitter rivalries on the sporting field are matched and put into perspective by the camaraderie and respect those same players and clubs hold for each other after the siren sounds. That is a key

component of the culture of football and we are always pleased to hear how that works at club level.

The pre and post-match hospitality of host clubs in our three leagues is famous and that is appreciated by all including PCNSA officials and umpires who attend or participate in games. This is a tradition that has been lost and is regularly lamented at AFL and higher levels, but it is one that remains and is cherished at local level.

On field events can often become sore points if they are not addressed soon after happening and there is no doubt a post-match chat over a cool drink or two has averted much angst and settled potential concerns before they have become issues that may have grown to be unnecessary or lingering sore points between players and/or clubs.

That assists smoother and less stressful administration by all at the office and at league level so we encourage all clubs to maintain and promote the off-field welcome – always in a responsible manner of course.

AFL Vic Country

Football Development Manager

Football Development Manager for the Wimmera/Mallee Region Jason Muldoon is part of the push to provide more resources to country Victoria.

Here he explains the role of the Football Development Manager (FDM) and how they're helping the game prosper in every corner of the State.

The most commonly asked question I face as I travel throughout my region, is "what do you actually do?"

Those that attend, or are connected to, their local Football Club will hopefully have noticed an increase in the AFL Victoria staff their region over the past 18 months.

The FDM role was created after the 2011 Review into Country Football to help increase the resources at grassroots level. The extra resources, in the way of regionally based staff, are designed to provide support and guidance to the local football community.

The FDM acts a conduit between local Region Commissions, leagues, umpire associations, clubs and of course AFL Victoria.

An overview of the FDM's role is:

- Ensure effective participation pathway and transition between age groups.
- Support clubs with management, training, emergency support - including clarity on rules and regulations.
- Manage the implementation of the Victorian strategy of NAB AFL Auskick and School Football Programs.
- Manage other development programs related to umpiring, coaching, volunteer support, fans, female football and multicultural and indigenous.
- To capitalise on growth opportunities.
- Assist with infrastructure planning.

As you can see from the brief overview, the position description is quite varied but to me this is the stimulating part of the FDM role.

The fact that one league, one club or umpiring group will all have different circumstances that require different strategies or solutions.

So why have FDMs throughout the State?

FDMs provide leagues and clubs, associations and NAB AFL Auskick centres within their regions with a local contact for any issues that they may have.

For local leagues and clubs the FDM should be the first port of call for any issues in relation to their clubs.

The expansion of female, multicultural and indigenous programs throughout the State is very much driven by

FDMs, and the management of programs at a local level. The FDM role in a nutshell is to provide 'one stop shop' for all stakeholders in the local football community.

The increase of FDM at grass roots level has also provided a greater resource pool. As most would appreciate country football is always faced with challenges and speaking with other FDMs, it is apparent that most challenges are consistent throughout the State.

The stimulating part of the FDM role is the unknown.

A portion of the role, is dealing and managing issues that arise on a day to day basis, as to what those issues are, well they could be a phone call away.

So to plan a day, is somewhat difficult, but that is the exciting and challenging aspect of the role.

The management of the WorkSafe AFL Victoria Country programs is central to our role and means that on given day we could be managing NAB AFL Auskick activities, school football competitions or AFL Player appearances. Recently Collingwood FC flew to Ouyen to conduct a clinic and logistically it required a lot of preparation by FDMs and schools to get the students to the clinic.

But to see the excitement on the students' faces as the players arrived just reinforced why we continue to strive to bring the game to regional towns.

The best part of the role, for me is the interaction that I have with people at league and club level.

I marvel at what people are prepared to do for their Football Club.

These people, who are mostly volunteers see the value of having a club for their sons and daughters and for their communities.

For some, Saturday at the football is the only time they get to interact with others in the community.

The value that Local Football Clubs provide is so vital within communities. This drives me to help clubs as much as possible, so they can continue to operate.

FIGHTING TIGER

By Simon McEvoy – Leader Newspapers

OH, we're from Tigerland...

A fighting fury...

You know how it goes. And recently, at SEAFORD, the Tigers have shown plenty of fight, and fight... and, now, winning form.

A few weeks ago it didn't look good for the yellow and black. They were zip-and-six, frustrated and anchored near the bottom of the ladder.

But they didn't give up.

The losing stretch contained several narrow losses, further testing characters and commitment.

Seaford's players vowed to turn things around.

Today, the Tigers get the chance to go into the halfway mark of the season on a three-game winning streak. They face KARINGAL, and should get the points.

And if they can be 3-6 at the turn, the Tigers will have plenty to play for in the second half of the season.

Seaford's win over Mt Eliza last week was a beauty. It was tight all game, but the Tigers refused to buckle and rose to the occasion when the game was on the line in the last quarter.

Former Dolphin Nick Boswell has really hit his straps of late and his run and goal sense has been a big factor in Seaford's form turnaround. Coach Ben Crowe continues to lead his side with his strong actions on field and off it. The ever-reliable Dean Kemble and Aaron Walton also have been key figures as the Tigers have regained their roar.

On a five-game tear, BONBEACH goes to CHELSEA feeling good about itself and eyeing off top spot.

The Sharks have a lot of players in really good form and it's hard seeing them losing this one. Key forward

Shaun Foster has been influential in recent games, and is coming off a bag of seven goals.

Skipper Shane McDonald kicked 3.8 last week and is threatening to dominate a game. Today could be it. And Anthony Raso is also playing really good footy.

Chelsea continues to taken strides forward this season. The Seagulls will win more games, but may have to wait a week or so before singing their song again.

At Eric Bell Reserve, PINES will give their usual wholehearted effort, but will it be enough to halt a rampaging MORNINGTON?

The Pythons pushed reigning premiers Edi-Asp all the way last week, only to walk away with an honourable 24-point loss. But their effort won praise from Eagles coach Troy Shannon, who observed: "Those Pines lads are a proud group. Some of them just bleed for the red and green."

Mornington can expect a hot contest today, but should be able to continue its eye-popping winning streak. The Bulldogs have won seven in a row – their best run since their halcyon days of the early 2000s, under The Goose.

MT ELIZA is the only side to beat ladder leaders Mornington, yet the Redlegs, sixth, are facing a battle to stay in touch with the top five.

They host reigning champs EDI-ASP today, and a third straight loss would pour more pressure on the Mounties, who many tipped to be a contender this season.

The good news for Mt Eliza is the form of Rob D’Orazio, Jimmy Anwyl, Jordan Moncrieff and ex-Dolphin Karl Lombardozzi. But the Redlegs are lacking something.

Edi-Asp has got to 6-2, beating all but the top two sides, Mornington and Frankston YCW. If they can get over the line today and be 7-2, the Eagles would be well and truly on track for a tilt at another title.

Early pacesetters LANGWARRIN have lost three of their past four games to slip to fifth spot, and things don’t get any easier today against FRANKSTON YCW.

Kangas coach Gav Artico will need to conjure some magic against his former club, but most of all the Langy players must back each other and go out there believing they can concur the Stonecats.

YC are the highest scoring side in the comp, with the likes of Ricky Morris, David Bodley, Ben Tellis and Scott Macleod all capable of firing.

TIGHT AT THE TOP IN THE RESERVES...

Talk about an even comp...the top four sides are all sitting on six wins as we head into the halfway mark of the season.

MORNINGTON has its noses in front. The Bulldogs began the season with a draw with Mt Eliza, and these two sides occupy the top two spots on the ladder. Mornington suffered its first loss last week, but will back itself to bounce back today against PINES.

MT ELIZA is looking to make it seven wins in a row today when it hosts 8th-placed EDI-ASP, and it probably will. The Redlegs have pace and skill all over, with the likes of Ryan Curwood, Jordan Smale, Luke Young and James Hammond all in good form.

FRANKSTON YCW face an in-form LANGWARRIN in one of the games of the round. The Stonecats were electrifying early in the season but have been more workmanlike in recent games, while Langy have peeled off four straight wins and last week knocked off ladder leaders Mornington.

KARINGAL face a hungry SEAFORD side in the need of a big win to put its season back on track.

And CHELSEA and BONBEACH, both on 4-4, face off in an important encounter that could prove decisive when finals spots are given out later in the season.

RED-HOT REDLEGS

IN THE UNDER 18s...

MT ELIZA hasn't looked like losing a game this season as it has surged to 8-0 and a commanding lead on top of the ladder. The Redlegs are already hot flag favourites but they will firm further today if they can beat a side that is considered their biggest threat, EDI-ASP. The top-of-the-table clash will be a beauty at Madsen Reserve. Look for in-form Redlegs Anthony Cleary, Nathan Ryan and Nick McKinnon to fire, while the Eagles will need the talented Liam Harris, Loughlin O'Connor, Brad Walters and Lochie Brodie to show the way.

KARINGAL continues to press for a top-five spot on the back of some spirited performances. The Bulls have climbed to sixth spot with a handy win-loss record of 4-4. With a spring in their step, the Bulls today tackle third-placed SEAFORD, coming off a rare heavy loss. Promising Bulls Kevin Aburrow, Brandon Sison and Dylan Edwards will look to continue their good form.

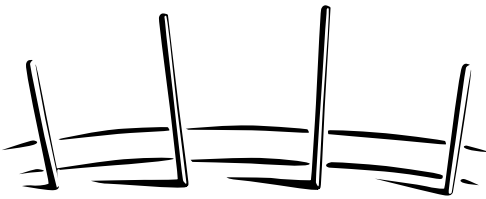

CHELSEA has lost its past five games but has shown signs of improvement in recent weeks, having 14 and 17 scoring shots in its past two outings. Today the Seagulls face BONBEACH, a capable side chasing its third win of the season and in reasonable form after losing by less than a kick last week.

PINES faces another tough morning against MORNINGTON, which has scored heavily in the past month as Travis Young, Leigh Craig, Brendan De Ruyter and Josh Halsall have taken their turns to sparkle up forward.

FRANKSTON YCW returned to form last week and will look to kick on today against LANGWARRIN, which has dropped its past three games.

Bonbeach Sharks

The Seniors started very slowly kicking only the single major in the first quarter & leading the winless Bulls by only 11 points. They kicked into gear in the 2nd scoring 10 goals to one. Another 10 for the second half saw the sharks cruise to a 20goal win & into 3rd possie on the ladder. Foss chimed in with a lazy 7 Jacko was again superb along with Carps, Raso, Macca & Robbie Horler

The Seconds had a convincing win & moved back into the five. Today is a big clash for them against our northern neighbors & a win can consolidate our position. Against Karingal we had a even spread of goal kickers 11 in all meaning it was a good team effort. Best were Lacey whose having a great year, Hulett Paddy, BIG Dave & Pendles to name a few.

The Thirds tried hard but could not bridge the 9 point gap at 3/4 time going down by less than a kick. This was a close tussle right through with no more than a couple of goals in it all day. Keep working lads some better players were Aburrow, Sison & Edwards

Watching our first half last Sat was the brand of footy that would win most games, however like in nearly every game in the past month, that is all it was - a half. Closely following the game plan, with high skill and intensity for four quarters is something our group just can't seem to produce at the moment. That's what is takes to beat the top teams. The ladder now clearly highlights our recent mediocrity - we have been able to beat everyone below us but none above! After a few post match home truths lets see if we can take those criticisms on board and take a big scalp today. Today we get our season moving back in the right direction.

Our reserves was a highlight for the club last week with an excellent hard fought win over the undefeated Bulldogs. We were able to run away with it in the last quarter to win by 33pts. Our forward line was lively when it went deep inside 50 where Poz, Albanese and Jakey were able to kick multiples. Occa, Toby and Ash Fenech were in great form.

The unders whilst going down showed a much more spirited effort against another finals contender. Corey Hanger was again super booting seven.

Mt Eliza Red Legs

Welcome to the Edi-Asp FNC to Madsen Reserve today
Last week at Seaford we collected 2 wins from 3, with the Seniors going down to a more committed opponent.
The Under 18's kicked the day off against their 2nd placed opponent and dominated after quarter time with 6 goals in each of the 2nd and 3rd quarters to 1, and although the last quarter was a struggle we recorded an 84 point win. Jords and Jarrah kicked 3 each, with better players including Clears, Nath Ryan, Nick McK and Ben Carr. Another test this morning against a strong challenger.

The Reserves led well at half time and after a brief Seaford comeback were able to steady things to record a 26 point win. Happy and Hilly kicked a couple each and Pookie, Smaley, Kenty, Youngy and Lyndy were fantastic. We now sit equal top of the ladder with the Doggies.

In a tight battle all day, the Seniors led at half time by 7 points, scores were level at the last change, before Seaford booted 5 goals to 2 in the last to win. Jordy was a good target early up forward with 4 and Snoz, Jim Anwyl, Lombo, Wetters and Sammy Christie (back from injury) tried hard.

Need to bounce back in a big way today fellas!

Sponsors of the Week: Mornington Toyota, Daniher's Facilities Management & Signarama Frankston.

Chelsea Seagulls

Welcome everyone to Round 9 as we host our neighbours Bonbeach.

The U18's were competitive all day against a quality Frankston YCW. A win is not too far away. Thanks to the U16s for helping out.

In a low scoring game the Allstars showed great endeavour all day. Really happy with their defensive pressure and work rate. Not far away from beating a top four side. Good players; G. Trew, J. Sivijs, M. Wade.

For our senior boys it was always going to be tough. YCW at YCW. Our boys had a slick week on the track, and headed to Jubilee Park with a fair bit of confidence, that if we can put our best effort together, an upset may be on the cards. Once again we learn that nothing short of a 4 quarter effort will do. In the wet, after throwing everything at YCW, we went into the half time break, more or less even. No doubt, a great effort, but, 2 different sides came back out in the 3rd. YCW with renewed hunger and our boys thinking maybe we had done enough. We switched back on in the last, but once again, we fall short.

To our supporters and sponsors, it would and could be easy to get frustrated with these 3/4 efforts, but we are young, we are learning, we are coming! Good players: B. Clark, F. TooToo, J. Clark, J. Attard

Karingal Bulls

Last week up at Bonbeach on a cold and wet winters day it was the 1st game that was the best for the Bulls with the U18s recording a close win, sneaking over the line by 3 points. This now puts the young Bulls only percentage out of the 5 - keep working hard boys!

The reserves was another tough day at the office with Luke Mitchem our only multiple goal kicker with 2; unfortunately the senior game was no better with us only managing 3 goals and missing Burkey. Bests were Chrisso, Grant, G and Az

Today we're back home at The Bullpit hosting old foe Seaford - lets pack the hill out and hope for some positive results! If nothing else though, this season is getting some valuable experience into our younger brigade that will stand them in good stead in years to come. Hope to see everyone hang back for a drink and chat after the games today.

Get your tickets now for the \$5k draw on June 28 - its always a good turn and you might walk away with \$5k in your pocket!

As always thanks to our Major Sponsors - this year we're thrilled to have NP Distributions, Frankston RSL, Bank of Queensland, Bluegum, TAFT and BMK back on board and welcome new sponsors Jeep, Vawdrey and Hallam truck Centre - please support these guys as they support the Bulls.

Pines Pythons

If any of you are still around in another 50 years please tell those future people that they have got a lot to beat if they are seeking to find a better night than what was enjoyed by all last Sat.

The 340 there came from near and far, all with the sole purpose of happily enjoying the celebration of the 50 year life of our club. And what a night it was, it really was, such a night. Well done to the function organisers of whose patience, wit, common sense and mental stability got us to and through the night. Thank you to Frankston Council for their assistance at the Arts Centre including the A. Centre worker (a certain Bonbeach player) who stated that we are the biggest and best behaved crowd that they have ever had. Bring on another 50 years, we'll do it all again.

Earlier that day at Regent Park, Edi Asp sent our Seniors off with a 24pt loss. An after game crowd comment was - "we lack that extra bit of class so as to finish off stronger". This column finds that we have kicked an average of 20 last qtr pts while we having an average of 34 kicked against us. We have been the better last qtr scorer in only 2 out of 8 games. Best: B&Guy Hendry and M.Goodman.

Can't decipher the Reserves game score line (again) but we do see that Pines were snuffed out by 7pts. Shame to lose a close one, there hasn't been too many of them. Best; C. Guganovic, J. Stewart and J. Prosser. Jason Morse (son of Lea), in only his second game since 2011, kicked 3 of our 8 goals.

No Thirds report.

Last week we welcomed Chelsea to a wintry and wet Coburn Oval and got away with 3 footy wins and 3 Nettie wins (read elsewhere). We needed to show something after a disastrous Round 7. The 1sts shrugged off a pesky Seagulls outfit in the second half to post a 45 point win Knackers and Kev L ruled the defence and DC booted 4 large ones. In a dour affair the Magoos saw off Chelsea by 26 points. Trent C, Cappy and Ryley H stood tall. Pleased to report that Callum's injury wasn't as bad as it looked. Murph's boys showed some improvement and won by 5 goals Greeny, Jake and Chris Creed went well and Chazz booted three. More improvement to come we are told.

This week we go to Lloyd Park to take on Langwarrin for the Bendigo Bank Challenge Cup - and again 3 tough games! Langy are up and about in all grades of both footy and netball so hopefully we can exit the half way mark with six wins. Tony Lester plays his 200th senior club game and qualifies for Life Membership - congrats !

The Past Players have their annual get together on June 28 (The Mt Eliza game) whilst the Collopy Club, Life Members and Sponsors Lunch is on July 19 (The Bonbeach game) The following week (July 26) is the Annual Ball at the Frankston RSL with a "Masquerade" Theme. Of course we have the 1974 Premiership Reunion on August 2 (the Edi-Asp game).

Many thanks to our Major Sponsors Frankston RSL, Vawdreys, Aidan Graham Quarries and Priority One Building Services

Seaford Tigers

Last week we hosted Mt.Eliza which coincided with our Ladies Day. A big thank you to Jo Horton, Tanya Mackay and Brad Scarpella for organising and running the day.

On to the games and the 18s came up against the undefeated Mounties in a clash of 1 v 2. We started off OK and only trailed by 11 points at quarter time. But unfortunately after this we were blown out of the water by a very polished outfit and went down by 74 points. Dylan Howlett was BOG, along with Mitch 'Whitey' Bleeker, Jack Brown, Lachie Mullin, Andrew Nash and Bryce Lloyd once again getting in the point. Keep the chins up boys and look to bounce back this week.

The reserves also came up against some very strong opposition and were outclassed in the 1st half. We went in to the main break 27 points down but came out firing in the 2nd half, matching it with them in intensity and effort but unfortunately went down by 27 points. We wish a speedy recovery to Sammy Lonie, who broke a couple of ribs and punctured a lung putting his body on the line for the side!

The seniors played their best game of the year and made it two on the trot with a 19 point win. It was a see sawing battle all day and again we were in a winning position at 3 quarter time, however this time we managed to get over the line. Nick Boswell continued his great form with a stellar performance, whilst coach Ben Crowe, Azza Walton, Luke Smith, DK and Soap Doyle all featured amongst the best.

Club Notes

Mornington Bulldogs

Wow what a great crowd & day last weekend. Local footy certainly is back on the agenda in Mornington.

The Under 18s had a "scrappy" but hard fought win over a very determined Langwarrin side that had the same win/loss ratio as us going into the game. It was pleasing that when challenged, the players found enough, to secure the win which again confirmed the momentum, as a team, we have displayed over the last three games.

The reserves came up against a side that was disciplined, well drilled and simply wanted the footy more. Langy lead from the start and despite some good footy in patches from our boys the opposition were too strong on the day.

Josh McLerie was excellent down back and was well supported by Jim, Hutcho and Rowdy. It's important that the boys bounce back today and get themselves back on the winners list.

The seniors started slowly however managed to be within four points at half time. A different team came out after the break and played the footy we've become used to this year - hard running, contested and working for one another.

A five goal to one third term was the difference and the boys finished 25 point winners. Speedy continued his good form getting plenty of the footy and kicking three, whilst Lofty slotted five in his first game back. Mick Williams, Daddsy and Party all played their best games for the year.

Another big test today, let's make sure we rise to the challenge once again!

Edithvale - Aspendale Eagles

This week the Pines came to town, with three wins in the football, 2 in the netball, plus one washout, it was quite the successful day.

In the thirds, they continued their good form, big test this week with Mt Eliza, so Ross and the brains trust will be in a good position to assess where you are at the half way point of the year.

The reserves finally had something to sing about, decimated by injuries the resses have been the ones who have paid the price. However as mentioned in previous weeks, Barks has kept the spirits up, S Miller, Heysy, and Rowy were very good were the contest got tight. Alex 'scissors' Dalton and Barks kicked the majors....well done fellas.

The seniors took the field just as the rain came in sideways.....after a while it settled, not a pretty game, but a good one to win. Jordan Davey in his first game for the seniors together with Darcy Holden gave the locals something to smile about. Taggy and Kremmer with 4 made sure we got the 4 points.

Social Calendar: Club Ball at Frankston International.....21st June...\$80 per head. See Ted, Wendo, Tom, Steve for a ticket!

Frankston Park News

R9 V Footscray

It was again a case of 'what could have been' for the Dolphins as they fell narrowly to Footscray in yet another tense Frankston Park clash on Saturday.

Despite veering from the usual Sunday home fixture and torrential rain marring the opening, a healthy crowd turned up and were in boisterous full force as the Dolphins hit the ground running.

A classy rover's goal from the growing legend that is Ben Cavarra got things started, and though Jack Redpath responded for the Doggies it was all Frankston.

Luke Potts soccered truly to finish off some handy Mike Lourey work, then Cavarra ran the length of the crowd to get on the end of a skilful coast-coast six-pointer as the Dolphins skipped clear, four goals to one, and green cans were raised into the air in celebration around the terraces.

Footscray steadied through their tall forwards to close within a kick at quarter-time, then piled on three quick majors to lay the challenge down to their hosts.

After a quiet start to the season Ziggie Alwan was more than ready to answer that call, converting twice including a brilliant soccer goal in the sun-drenched but still slippery conditions.

Leading by a solitary point at the long break the Dolphins fired in the third term as the rain resumed.

Leigh Kitchen was everywhere, winning countless hard balls in perfect conditions for the inspirational skipper, with Tim Harper and Alwan making it count on the scoreboard.

Nic Newman, Josh Tynan and the impressive Scott Simpson rebounded every attack the Dogs could muster, but the young Footscray side, well beaten around the contest for most of the game, went up a level to put their noses in front by four points with a quarter to play.

The Bullies then hit the ground running in the final stanza, outnumbering Frankston at almost every contest in a match-winning 10-minute spell.

Jason Johannisen goaled from the restart, Brett Goodes - a four-quarter standout - converted coolly from the arc, and when Ayce Cordy snap brilliantly from 40 metres the visitors were 22 points clear.

Harper was a rock all day for the Dolphins, and he goaled to bring the crowd back to life as the home team's ferocious tackling gave them control around the ground.

But a string of misses meant the home team never truly threatened on the scoreboard, kicking 1.5 for the term to lose their fifth game of the season by 20 points or less.

Subway Junior Interleague Carnival

The AFL South East Subway Junior Interleague Carnival, played over the June Long Weekend, brings to an end representative football locally (AFL Vic Country programs). It was tremendous to witness players who will be the stars of the future at both local clubs and hopefully AFL and VFL level.

A highlight of the carnival was the success of the MPJFL at U16 level – their first at this level since the carnivals inception more than ten years ago. The talent at U16 level across all leagues gives confidence to the quality of players that will head into the senior ranks. Results from the weekend were:

Last weekend saw the long Queen's Birthday weekend round of football, and so to was our most popular social function of the year – the annual Jim Voss Memorial Golf Day. Teeing off at 8.30am on a brisk Monday morning at Centenary Park were 27 golfers, many who hadn't played golf since the corresponding event last season. It was an enjoyable day of golf, with many prizes, and plenty of banter being exchanged through the day, with a few good golf shots witnessed as well. The day came down to a split decision and a count back with the eventual winners, Leigh Swann and Rob Ellis coming out on top! But as in social golf, the true spoils go to the last place pairing of Rick Taig and Adam Chatterton. We thank all members who supported the day, and look forward to the support for our next social events.

Coming Up: Our Third Post Match Function – 29th June @ 7pm - \$5 for pizza and footy on the TV.

SUA Trivia Night – 12th July @ 7pm - \$5pp – start to think who you want in your team.

Work Safe

In the interest of everyone's enjoyment at the footy today,
your respect for players, umpires & spectators is appreciated.

...WATCH THE ABUSE

Don't turn a good day out into a turkey.

Where would your club be without you?

They're players, coaches, committee members, volunteers and supporters. And every week, their club relies on the contribution of every one of them. But they're also farmers, tradesmen, office workers, truck drivers and much more as well. And doing those jobs safely, in safe working environments, is vital. To the workers, their families – and to their footy club.

Peninsula Netball

Today we have made it to the half-way point of the season and cold wet winter days are setting in – for those of us that play indoors we appreciate the warm environment for those of us not blessed with the indoor home court we sit there each week hoping that mother nature is kind to us for three hours on a Saturday.

Across the board last week we didn't see much movement across the ladder – we saw the game of the round the top two contenders called off due to weather prior to half time – resulting in a draw leaving the top two positions unmoved on 30 points apiece.

As we play the last game of the first half of the season we all know this is the time where we have to play our finest netball – work together as a club and represent our clubs colours with passion and pride. We all come to play for the love of the game the love of our clubs but the passion to succeed in the game of Netball.

Today's Games

Langwarrin v YCW

A Grade we see 4th YCW take on 5th Spot Langwarrin another decider game for who takes the final spot in the top part of the ladder with a small percentage margin between the two teams this will be seen to be a ripper of a game. B Grade YCW seen the favourites for this game sitting 8 from 8 clear on top of the ladder can 4th spot Langy create some movement. C Grade 2nd spot YCW also looking good to hold there spot taking on 5th spot Langy.

Pines v Mornington

Pythons looking strong in A Grade still holding equal top spot will I think prove too strong for 6th spot Mornington. B Grade with the Pythons girls looking to slither into 4th position this could be their chance taking on 8th spot Mornington. C Grade again looks like it could be a favourable day for the Pythonettes with C Grade having every chance to hold third spot.

Edi Asp v Mt Eliza

With Edi Asp taking on Mt Eliza this week we see the re match of last years A Grade Grand Final where Mt Eliza ladies took the Premiership - will we see this happen again or will the ladies from Edi Asp stand strong and hold there spot. B Grade we see a the fight for a clear spot in 2nd position with Edi Asp having the higher score rate can the take up the posi. C Grade is looking in favour of the Eagles with them sitting one game clear on top.

Karingal v Seaford

A Grade looks like to be an even match up with Seaford sitting on 2 wins and Karingal on a single win. B Grade we see Seaford on 3 wins for the season and Karingal still looking for that first win all in favour of Seaford for the B Grade match up. C Grade with Seaford sitting one game out of the top 4 they will be looking for a percentage booster to move them back in with Karingal sitting on one win.

Chelsea v Bonbeach

With the local rivalry kicking in we see even match ups across all three teams – A Grade with both teams having one win each for the season should be a great game to watch. B Grade we see Bonbeach having two wins for the season showing some strong results through the season so far I see them as favourites for this game. C Grade we see a strong Chelsea sitting with 5 wins for the season and looking to hold 4th spot with a win over Bonbeach who are sitting on one win for the season.

Good Luck to all teams today – half way ladies half way.

Frankston YCW StoneKittens

Excited by the birth of our head coaches little boy Eli last week the YCW Stonekittens went out firing against Chelsea. As the games are becoming more and more challenging each week we are very lucky we have such a strong squad of girls giving us the ability to mix up the teams through A, B & C Grade in strengthening combinations.

Despite C grade starting slowly and having a few players out due to injury, they persisted and won by a convincing 14 points. The great leads and playmaking contributed to the team's overall win with Lauren A creating great movement in the mid court/goal circle and Mandy putting the defensive pressure on resulting in many turnovers.

B grade had a fantastic game; they have such a versatile team where players can be moved to suit game situations. The girls, once composed worked very hard together and executed some beautiful netball, resulting in a 77 goal win. Max gave it her all in the mid court, her passing and driving was outstanding- Lou.D created lots of plays and worked beautifully in the goal circle!

A Grade then came out and the torrential rain begun. The girls toughed out the conditions, adjusted accordingly and were able to achieve a win of 25 points. The defensive pressure resulted in many turnovers, assisting the mid court bring the ball down in tough conditions. Evie in the goal circle took what we have been practising at training and implemented it into her game- holding strong and rebounding well. Great job all!

Seaford Tigers

Key things to note;

- ladies day is a day for anything but lady like behaviour
- shib and chels are clearly not made for radio and should stick to their days jobs
- mounties are still very good at netball
- taking on the bulletes today down at their new bull ring

GO TIGES

Mt Eliza Red Legs

Due to a wedding and seafords ladies day the 3 teams met last Thursday night. Again it was a great three matches with all games played in the spirit of sportsmanship and good fun. Mt Eliza took away the points across the board, but still showing that our best is yet to come. Still small errors and work rate let Seaford have opportunities they shouldn't have – but the positive is – there is much room for improvement. Stand out on the night in A grade was Jess Anwyl who was on fire in every area of the court. Ash Porter's accuracy again a feature, and reading of play from Shell and Ellie was excellent. A great game girls – you worked hard and found your rhythm – looking forward to the next match.

B grade again worked well together and C grade finally some reward for effort all teams showing promise of great things to come.

Edithvale - Aspendale Eagles

Last Saturday - v Pines - our girls in all teams were pumped & ready to take on the might of the Pythons.

C grade started slowly but sealed the game with an impressive second quarter. B Grade started strongly but Pines fought back before we gathered momentum again, to come away with a good win. The A Grade tilt was play off for the top position on the ladder & the first quarter did not disappoint. There were skilful passages of play from both teams & at the end of the first term it was terrific to see that we were in front by 14 goals, with the scores 20 to 6. Then, the rain tumbled down. Pines adjusted quickly to the changed conditions & shot the first 4 goals of the second quarter but it wasn't long before our girls found their rhythm to take control of the game again. At half time, with the scores 33goals to Pines 14 goals, the umpires decided that the conditions were not safe to continue. It is the umpires call & the players safety is paramount.

Ten minutes later, as we packed up, the sun broke through so we made the trip down to Regent Park to watch the boys come away with 3 from 3. Congratulations!!

Onto this week & we have another much anticipated game as we take on the Mounties at Toorak College courts. Supporters welcome!

Don't forget our Masquerade Ball on June 21st. See Wendy, Renee, Gemma or Tommy for tickets.

Good luck to all Eagle teams playing today!

Chelsea Seagulls

Just as our A girls took to the court, the rain began to pour down. There was literally a stream of water running down the courts at Frankston. The ball was heavy and it was basically impossible for any of the girls to dodge. Not ideal conditions for good netball. The girls gave it their all and although did not come off with a win we are improving as a team across all thirds. Big stand out games from our two newest members to the team Sallie Daniels and Kattie Lister in defence.

The Bs had a disappointing loss to Frankston YCW who proved to be too strong, however there was lots of positives that came out of the match both as a team and individually. Hayley P continues to surprise us with her improved game each week and her fitness really stood out on Saturday, well done Hayley P.

Our C girls unfortunately ending their winning streak, coming off second best to Frankston YCW on the day. We know what we need to work on as a team and look forward to a win come next round! A shout out to our girls in defence who put up a great fight!

Looking forward to a tough game against Bonbeach this Saturday! Go Seagals!

We would like to thank our major sponsors Chelsea Heights Hotel, OA recruitment and Hocking Stuart for their continued support.

Fly Eagles!!

Bonbeach Sharkettes

Whoo Hooo!! at last the As got a much deserved win defeating Karingal 64-18. The girls have been knocking on the door all year and have improved so much under Carly's coaching. Hopefully we can build on this and add a few more wins as the year progresses. The whole team were terrific led by Jayde, Bern, Emily, Amanda, Elyse, Lora, Steph and Kate. The Bs [54-32] got their second win of the season playing some terrific netball. Alana, Carly & Kerri were great in front of the hoop with Bec & Denae doing well in defence. Steph Chapps, Jo & Jodie played well also, controlling the midcourt. Thoughts are with Bianca, who went down with an ankle injury. Lets hope its OK and you get back soon 'B'. The Cs coming off a win the week before, couldn't quite bridge Karingals half time lead to go down 48-39. We had some good contributors, in particular Amber, Jess G, Steph & Chloe. This week we take on Chelsea @ CDNA. Good luck girls

Club Notes

Mornington Bulldogs

The A grade girls came out on fire - matching goal for goal with Langwarrin for the first quarter. Leah stepping up and dominating the goal circle with Sarah Williams whilst Georgia and Tess took charge in the centre third driving the ball down to them. Jess, Sarah Watkins and Caitlin attacked the ball in defense creating many turnovers by applying intense pressure. Unfortunately it wasn't enough for the girls to walk away with a win but they really showed what they can do!

B Grade proved to be the stronger team on Saturday when we took on Langwarrin. We showed great determination to prove what type of team we are with Beth and Molly not missing a shot, Defence were unstoppable with Meg and Zoe keeping the ball in our hands. and Mid court kept the ball flowing with smooth passes and some great intercepts. We have come a long way in such a short time, we can't wait to see what else we can achieve.

C Grade fought another tough game but Langwarrin pulled through in the end. Girls showed great improvements - applied drills and skills practiced at training. Erica and Maddie proved unstoppable in the first quarter which had us 5 goals ahead at the end. Second quarter we slipped back being 5 goals. Third and fourth we saw some great shots by Gabby, Kaylah and Bri with Tahlie, Courtney and Hannah working well to bring the ball down to the goalers. Fantastic effort girls, lets see more of those great passes and intercepts in this week's game!!

What a game, what a team effort! Everyone played with composure and patience and gave it their all and boy did it pay off. The game just flowed down the court. Only a couple of timing and passing issues but a huge improvement on all other games this season. The team was a joy to watch and be part of and the 12 goal win was the cherry on the top. The rest of the season is looking positive for our C girls.

The B babes endured a tough game against Mornington on Saturday. The transition down the court was good, all girls opening up for passes and re offering well. It was good to have our Coach Tony at the game, hopefully we can turn things around at Friday nights game against The Stonecats. Best On court went to Our goalers for the day Kathleen and Kylie.

After suffering a major loss the week before, the A girls needed to re group and go back to basics. We had a great training session and were ready for Mornington. With a changed line up it took us a while to settle into the game but we managed to produce two dominating quarters that was enough to get us over the line. We are looking forward to a big Friday night Game against YCW as both teams are fighting for a top 4 position.

Go Langy!

Pines Pythonettes

After a long anticipated wait we faced up against the ladies from Edithvale in a cold wet afternoon.

C Grade took to the court with a glimpse of sun to dry up the already wet courts – thanks to Foss and Stace for jumping on the court after a few players where away – the girls not strong enough on the day going down by 16 goals. B Grade also facing the weather pushed through but also not strong enough going down by 19. A grade took to the court in the game of round and with an incomplete side we were going to push the limits of the girls we had on the court. Thanks to the ladies that come down to fill in but due to weather the game was abandoned and we still sit equal top with the Eagles.

Thanks to all the netballers that attended the 50 year Reunion was great to see you there.

Good Luck today Pythonettes

Karingal Bulls

Thanks to Bonbeach for hosting us and playing some fantastic games. All girls played their absolute hardest this week. Congratulations to the C team for a incredible performance and coming away with the first win for the season. Excellent passes, great shooting and strong defense all round.

B grade played a great game aswell. The team tried a number of different combinations on the court to try and stop Bonbeach's fantastic shooters. The girls came back on strong for the last quarter but not quite enough to catch up.

A grade played a tough game. A number of team members were out on injuries, so some of the B grade girls stepped up to help them out. Thank you to the girls who played 2 games this week. You all did a great job.

We are looking forward to playing at home against Seaford on our new courts at McClland Secondary College. Goodluck today to both teams!

GO BULLS!
