Round 6 – Wesburn v Wandin (U10,U12,U14,U16)
and Wesburn v Healesville U9

Presidents Report

I would like to welcome Healesville U9s and Wandin Junior Football Club to our ground, we hope you have a great day.

Our teams have been working hard, and having mixed results, but our players should be commended on how they approach their footy. I feel it is important to note that Wesburn Junior Football Club has always been a club that is inclusive, regardless of skill or ability. We just want kids who love footy to have the opportunity to play this great game. This is why, as parents and supporters, it is really important to remain positive. By all means cheer and barrack, but it is important that we remember that it is our children that we are supporting- so lets keep it positive!!

Just a reminder too, could parents and supporters remember to stay behind the fence during games. There have been instances across the league where young children have been running alongside the boundary line, and adults standing inside the fences. I want to take this opportunity to thank Belinda, who has taken on the huge task of running our canteen- she is doing an amazing job... Gotta love the hot roast rolls!! The canteen is the major fundraiser for our club, but can only run if everyone lends a hand, so if you are rostered on- please show up! Or make arrangements with another parent. This also goes for timekeeping, scoreboard and goal umpiring. We as a club can only run if everybody helps out, rather than depending on the same people every week.

I hope everyone has a great day and remember to have fun- go Wessie!!!

**Families please check Roster for
Canteen, Scoreboard and BBQ duties
allocated**

If you cannot do the duty allocated please
find someone to swap with. **Please don't
leave us short.**

Thanks for your support.

MANDATORY & ENFORCEABLE CODES OF BEHAVIOUR/CONDUCT

PLAYERS CODE OF BEHAVIOUR

- Abide and play by the rules of the game and the rules set down by the Dandenong Ranges Junior Football League, your Club and Coach.
- Never argue with an official. Do not question Officials and Umpire's judgment's and never question their honesty.
- Control your temper. Verbal abuse of Officials or other players, deliberately distracting an opponent is not accepted or permitted in any other sport.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will you.
- Never ridicule or yell at players for making mistakes. Your involvement is to play for fun and enjoyment and winning is only part of it. Be a good sport; applaud all good play whether they are from your team, your opponent or your opponent's team.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Always conduct yourself in a manner that is expected of your Team Mates, Club or Family.
- Cooperate with your Coach and Team Mates, and respect the ability of your opponents. Without them there would be no game.

Thanks everyone for the photos
They have been great

PARENTS AND SPECTATORS OF JUNIOR FOOTBALL CODE OF CONDUCT

- Encourage children to participate if they are interested. If a child is unwilling do not force them.
- Focus on the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
- Teach your child that an honest effort is as important as a victory so that the result of each game is accepted without undue disappointment.
- Encourage your child to always play by the rules.
- Never ridicule or yell at your child for losing a competition. Avoid use of derogatory language towards any person
- Remember your child should be involved in football for their enjoyment not yours.
- Your child learns by example. Applaud good play by both your team members and members of the opposing team.
- If you disagree with an official or an umpire, raise the issue through the appropriate channels rather than questioning the official's honesty and judgement in public. Most officials give their time and effort for your child's enjoyment.
- Support all efforts to remove verbal and physical abuse from junior sporting activities.
- Recognise the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for your child and deserve your support.
- Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and your family. Offer assistance to your child's team and the club in general so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.

Please drive slowly in and out of the oval on training nights. We have a lot of small kids around the clubrooms and in the dark it can be difficult to see them. Let's keep it safe for everyone.

Congratulations to our DRJFL Interleague representatives.

Our Club may only be small but we are proud to say we have 11 players representing the Doggies across Age groups U11, U12, U14 and U16. The boys have been training hard and have been selected from Development Squads to represent DRJFL at the Interleague carnival to be held on 4th -9th June with return games in July at Seville Football Oval.
