Congratulations to Stephen McDonald who plays his 300th game for Lilydale against South Croydon this week.

Issue 12 – 19th July 2014

WHAT AN ACHIEVEMENT!

Anthony Simmons

What can I say? A fantastic effort by a fantastic bloke and one that will be very hard to be. Congratulations to Stephen McDonald for reaching 300 games for the Lilydale Football Club this week in his 17th season with the Seniors. Do the maths and you will realise how few games he has missed.

Well our footy on the weekend was pretty much like the weather – bleak and cold! In the trying conditions we wasted opportunities in the first quarter kicking no goals and seven points. Blackburn on the other hand couldn't seem to miss. The Reserves and Under 19s did not fare much better. Enough said.

Thanks to our coterie group The Falconians for the delicious lunch put on for the U19 players and their parents, and a bigger thank you to those parents who made the effort to be there with their kids and support.

On the Junior front, only one more round of the season to go. The final round on the 20th of July is the last awards night AND also the drawing of the car raffle. Last chances to get a ticket to win a new Mitsubishi Lancer!! Many of our Junior teams will be taking part in finals this season, so to all Senior players and supporters, please make an effort to get along and support the future of our club in their attempts to bring home flags. Remember "UNITY IS STRENGTH" and these kids will hopefully continue on to represent the senior club.

Sponsor of the Week this week is The Olinda Creek Hotel.

Located in the Main Street right next the senior ground, The Olinda Creek Hotel has been a great supporter of the club for many years. Their Bistro is open all day on match days, so if you're looking for a bite to eat before or after the game, pop in and see Vicki and her friendly staff! Or stop in during the week and check out the daily specials. Don't forget to let them know you're from Lilydale Football Club so they know we're returning their support! And you can get 10% of your meal upon presentation of your LFC membership ticket!

We started off with 17 players today so it was always going to be a tough ask, but to the boys credit they competed right to the end under some extreme pressure. I want to thank the two under 17 boys in Ben Wood and Shane Mansfield for filling in and helping us out. They were both solid contributors and certainly didn't look out of place at all.

Junior President's Report

ONE ROUND TO GO!

Only one round to go!!! At this stage we will have 6 possibly 7 teams competing in the finals this season. The under 14s, and 17 Premier and 17 C are guaranteed finishing on top of the ladder and therefore they are awarded with the first week off to rest up and get ready for the second week of the finals. The under 12s, 13s and fingers crossed 15 A teams should all compete the first week of the finals.

The Lilydale Junior Football Club has been awarded the opportunity to host the first two weeks of the finals this year. I will be compiling a roster early next week and requesting assistance from all junior parents and Under 17s that are available to help out with manning the gate, security and bbq.

Our last awards night and car Raffle is going to be drawn this Sunday night at the Senior Club rooms. If you haven't returned your ticket stubs and money can you please return them to your team managers at training prior to Sunday so the tickets can be included in the draw and tickets will be on sale right up to the draw on Sunday. The car and tickets will also be at the senior game Saturday and the Gateway on Sunday.

On a sad note I have to inform everyone that some inconsiderate moron drove onto the Senior back oval on Sunday night/Monday morning and did burnouts on our training ground that is very precious to us and is used by not only the whole junior club but also the seniors on a daily basis. The ground have been therefore damaged to an extent where only half will be available for training in the foreseeable future and it is very frustrating that an idiot would criminally damage our precious area in this manner. I will be investigating the matter and I am requesting anyone with any information to the identity of this person that committed this offence to call me. I will also be request CCTV footage and witnesses to assist.

Good Luck to all our teams this week and I hope to see you all at the car raffle draw Sunday night. Regards – Peter Koger

We had to travel to Vermont today and it was 1st against 2nd and a win would mean we could not lose top spot.

Our first 3 quarters were great and we had control of the game at ¾ time.

Congrats to the TEAM on taking top spot and now its time to focus on the finals, remember "Don't put a restriction on how good you can be"

Today was going to be our toughest contest for the year and that's what it was. Norwood played a tough and good brand of football. I am taking nothing away from you boys who played good as well but I thought they wanted the tough ball a bit more than us and it is something we really need to work on. Keep up the hard training.

Congratulations to Eddie on your 50th game. Eddie! Eddie! Eddie! Well done.

Today we played bottom of the ladder Montrose. A great percentage boost however with straighter kicking could have been more. The win has put us 1 game clear in fifth spot. With two rounds to go we need to stay focussed and force our way into the finals. All need to get to training this week – as Gary Ayres says “train to win”.

Sunday off to FTG the top team this week and after last week we thought we could run with them. Playing top teams means you must play at your best and in the first 3 quarters we were far from that!! We did come out in the last quarter and put up a fight and held them to 4 points by taking some aggression and hunger out on the field which was pleasing we didn't drop our heads completely.

When we play as a team and help each other and do the hard things for each other, we play well and push the top teams but when we stand back and don't chase and play reactive football we get beaten badly. Unfortunately the gap between our best and our worst is huge. Now we need to go out with the aggression and hunger that we had in the last quarter and from the week before and we can end the year winners so boys it's up to you bring you're A game!

Today with a spot in the finals in the balance we played Ferntree Gully 4 points above us and percentage unfortunately the boys started slowly in wet muddy conditions and saw F.T.G take an early lead and by half time had a handy lead after half time our boys decided to start to play the sort of football required and maned up where first at the ball lead by Jesse Wyatt and Callum O'Brien saw us go goal for goal and we out scored FTG in the last quarter however the damage was done in the first half but a great effort by our boys in the second half.

Playing in the heaviest conditions we have had all year at Heathmont's senior ground made it a tough slog all day and ultimately it was a slow start from us that allowed them to kick 2 goals to nil in the ¼ that cost us, we were playing catch-up from then and although the efforts of the group after was fantastic we couldn't bridge the gap. We are all looking forward to getting on a good quality ground after weeks of rain and mud.

300 GAMES

This week Stephen McDonald plays his 300th senior game for the Lilydale Football Club against South Croydon. Stephen holds the club record for the most games which he achieved on 19th July 2013 exactly 12 months ago also against South Croydon and also in front of his home crowd when he broke Warren Cruse's record of 281 games recorded in the 2009 season. He will now be eligible for life membership of the EFL.

Macca has played his whole football career with the Lilydale Football Club. He commenced playing in the midgets or Under 10s at age 9 way back in 1988 and finished his junior career in 1984 in the Under 16s when the team were runners up under the coaching of Gerry Toohey. He has played throughout his career with great mates including Sean Toohey, Lucas Skelton, Chris Goodlet, Garret Dobson and Jamie Cruickshank. Jamie will play in the same side with Macca this week as he achieves the 300 game milestone. He played in the Under 18s in 1995-96 finishing fourth in the best and fairest in 1996 with 28 votes winning the most determined award. He then graduated to the seniors in 1997 playing 17 games. He is of course the only Lilydale player to achieve the milestone. We wonder how many more games he will add.

Except for a break during 2001 when he travelled overseas, Macca has not missed a season playing with the Falcons. He has since clocked up another 282 senior games to put him on the threshold of his 300th game with the Falcons. Macca has won many accolades and achieved many milestones along the way. When he was in the Under 16s he played with the Carlton Football Club along with Sean Toohey. Macca played his 150th game in 2006 when great mates Jamie Cruickshank and Lucas Skelton also played their 150th senior games with the club. He completed the Kokoda Trail trek with 14 other Lilydale Football Club stalwarts in October 2007 including Sean, Jamie and Lucas. He has earned such prestigious awards such as the best team man and most disciplined on several occasions throughout his illustrious playing career at the Lilydale Football Club.

Stephen played his 200th game in 2008 and his 250th game in Round 15 of the 2011 season during which he also celebrated one of three premierships he has achieved with the Dales the others being in 1998 and 2003. In 2008 he was also awarded life membership for playing his 200th senior game.

From a personal perspective Stephen reckons the person who has influenced his career the most is his mother who took him to the football all through those junior years and still comes to watch him play now. The best footballer he has played with is Peter Skewes for the courage he displayed on the football field. He has stayed with Lilydale because you get to play footy with great blokes and the majority of Lilydale recruits are mates of current players who come to play for the right reasons not just for the money.

The President, Committee, sponsors and supporters of the Lilydale Football Club salute Stephen McDonald and congratulate him on playing 300 senior games with the Falcons. Macca has been a real monument to the game and a true blue and gold player who epitomises what loyalty and sportsmanship are all about. This is a most deserving and popular milestone set by one of the true gentlemen of the game. Well done Macca.

After a slow start in the first quarter which saw St Simons kick 2 goals our boys really kicked into gear from the second and dominated possession of the footy. In really heavy conditions we worked together well in defense and when it came to attacking the whole team moved as one and it was the best footy I have seen from the boys all year. Another great effort to which the scoreboard didn't really reflect. Lets finish of the last game of the year strongly

The Players Ball was a great success and thanks go to Erica McMenamin and James Snow for all their hard work getting this event up off the ground and running. Thanks to all of those that attended. It was a great night and how good did everyone look! Congratulations to all our prize/auction winners – Graham Reynolds (Footy show tickets), Jodie Wilson (Richmond Jumper), Peter Skewes (Hummer Limo) and Jeff Carswell (Key Raffle). We believe that the Hummer Limo prize has already been taken over by a group of women who may have something to do with the Junior Club for the end of season party! Thanks to the Junior Club, Players, Supporters and Sponsors supporting the night. This all helps to make these events a success!

Our next event is our Gala Auction on Saturday August 9th (after the Noble Park game). Entry is FREE, food will be for sale and a great range of items for auction.

Our Past Players and Officials Luncheon will be held on August 23rd (Last home game). Mark these dates in your diary/ calendar!

After the game on Saturday – v South Croydon at home – a presentation will be made to Stephen Macca McDonald on his fantastic achievement on playing 300 games for the Lilydale Football Club. So, come into the clubrooms and also here results and awards. Pizza slices are for sale as well.

Merchandise is still for Sale – coats, jackets and hoodies, just what you need for this cold weather. See Ant Decru at home games in Merchandise Tent at front of clubrooms.

The Senior club would like to wish all the Junior teams that are going to make finals (starting on August 27th) Good Luck! The Junior Club have had an extremely successful year and we hope it continues!

Welcome back to Daniel “Junior” Toohey who returns to the Dales to finish off his playing career. We wish him all the best.

We hear that Rod “Turtle” Wintle may have to go under the knife for some problems he has been having with his hips. We wish him all the best if he does need surgery and a speedy recovery. We can’t afford the drop in bar sales.
