

The 2014 PCNSA season is in its final fortnight and the office is as busy as ever preparing for football and netball finals as well as our annual vote count functions where the best individual efforts of our sports people will be officially acknowledged.

These events are always a major highlight of the year and clubs are encouraged to inform their players and members and issue invitations to supporters and sponsors as a way of saying thanks for the year. More information in regard to dates and times will be available shortly, along with official invitation lists to each club.

Fittingly the next two weekends have been set aside to celebrate the efforts of the wonderful and often unsung people that keep our clubs and leagues functioning – our volunteers.

Two weeks have been set aside so that each club has a home game where these loyal servants can be properly acknowledged and thanked for the work and passion they have demonstrated over the season. It is hoped that all clubs take the opportunity to do something for these heroes of sport.

It is also a great chance for players to simply say 'thank you' to those that they often take for granted as they concentrate on their season's endeavours. People like gate-keepers, canteen staff, scoreboard attendants, time-keepers and those who clean the facilities after a game or training are often the unseen faces but are all important cogs in our clubs' sporting wheel.

Volunteer round was initiated and scheduled to assist clubs acknowledge these and others involved and the PCNSA is very keen to maintain and grow this support for future generations. We anticipate some great stories of acknowledgement as the season reaches its peak.

With the onset of finals, many players from sides not involved at the business end of the season will be turning their attention to wrapping up the year with their annual celebrations. It is timely for clubs to speak with these

members to ensure that they are responsible in this pursuit and do not make the mistakes that some have done in the past. Club and league can easily be brought into disrepute by one errant action of incident so we ask all club leaders to make everyone in their charge aware of this prior to these gatherings.

ROC will play Keysborough for the Ian McLean Memorial Shield in a big Casey Cardinia League rivalry game this weekend, while over in Nepean League, traditional foes Red Hill and Crib Point will square off with the Edmond-Healy Shield on the line. Good luck to all sides.

Finals are now front and centre for all involved in our three competitions. Club officials are again reminded that they need to inform their members and supporters of the schedule and the league's expectations as far as behavior is concerned with the view to ensuring their sides have the most support in each football and netball grade and that their clubs are represented in a positive and responsible light.

## McCARTIN HEADLINES COUNTRY COMBINE DRAFTEES

Country football's proud history of producing AFL stars looks set to continue with a number of players, including possible number 1 draft pick Patrick McCartin, invited to the NAB AFL Draft Combine.

McCartin (Geelong Falcons) is one of 19 youngsters from the Vic Country classified TAC Cup regions to be invited, with the Murray Bushrangers leading the way with six representatives.

The Falcons are the next best with four, followed by the Gippsland Power and Dandenong Stingrays with three apiece. The North Ballarat Rebels will have two players at the National Combine, while Jaden McGrath is the sole representative from the Bendigo Pioneers.

The Combine, which will be held from Tuesday September 30 to Friday October 3, will see 96 players put through their paces in both fitness and skill based testing. The boys will be measured for their speed, endurance and ability to make decisions under pressure in tests such as the renowned shuttle run (beep test), three kilometre time trial, 20m sprint and Nathan Buckley kicking challenge.

To attend the NAB AFL Draft Combine, players must be nominated by at least four AFL clubs.

As well as measuring their athleticism and football skills, each player's personality and character – all essential elements clubs need to consider in the drafting process – will be put to the test in gruelling interviews.

A further 100 players will be tested at State Combines in Melbourne, Adelaide and Perth.

The draft pecking order remains a mystery but some experts have McCartin and Eastern Ranges star Cristian Petracca fighting it out for the No.1 pick.

Despite an injury interrupted National Carnival, McCartin was still named at full forward in the All-Australian and looms as the preferred choice for clubs searching for a key forward.

His clean hands, speed on the lead and strong body has man believing he could step up to the AFL level as early as next year.

## End of Season Celebrations

The practise of Football (or Football/ Netball) clubs celebrating their end of season with a trip away or 'Mad Monday' type event appears to be becoming more commonplace and can be a concern for clubs.

This document is designed to assist clubs deal with the risks posed by such events.

### WHAT ARE THE RISKS?

Participants in these 'end of season' celebrations often drink far in excess of what is recommended by health organisations. They either voluntarily engage in high risk drinking or are coerced into it by their peers.

### HEALTH RISKS:

The short term health risks of binge drinking are numerous and include: \* Headaches and nausea \* Vomiting \* Memory loss \* Loss of consciousness (and in extreme cases death)

Binge drinking also leads to an increased risk of damage to both the individual and property. People are more likely to engage in risky behaviour while intoxicated such as swimming, driving, unsafe sex and violence, with potentially horrific consequences.

Long term effects of repeated binge drinking include brain and liver damage, depression and problems at school, work or in relationships. (1)

### LEGAL RISKS:

Whether a football (or Football/ Netball) club would be liable for an injury suffered by a player or damage to property on an end of season trip or event will depend on the circumstances of each case. In particular, the extent of the club's involvement in the organising and running of the event and the foreseeability of the risk or damage that occurred. There is a risk that clubs could be liable if they promote and endorse these types of activities to their members and fail to warn them of the possible risks. Clubs can reduce this risk by banning or discouraging their members from engaging in end of season activities (although naturally they cannot prevent players from organising their own), warning players of the health risks identified above and following the guidelines below.

### WHAT CAN CLUBS DO?

In order to reduce the risks to the individual and club, Football (or Football/ Netball) clubs should not endorse or support any end of season celebration that involves excessive drinking. This means clubs should not hold any

fundraising events throughout the year that helps subsidise these activities.

If players still go ahead and organise their own event, the club should make it clear that it takes no responsibility for conducting it and express concern to members regarding their health and safety, as well as the potential for the activity to bring the image of the club into disrepute. Players should also be informed of any legal requirements regarding alcohol.

### HOW TO REDUCE THE RISKS OF ALCOHOL RELATED HARMS AT END OF SEASON EVENTS:

1. Meet with person / people organising the event and discuss what is planned. Identify possible risks and measures to be taken to reduce those risks.
2. Ensure no-one under 18 is involved in the event.
3. Clearly explain what the club considers acceptable and unacceptable behaviour. Unacceptable behaviours should include: a) Drunkenness b) Drink driving c) Damage to property d) Violence & assault e) Verbal abuse f) Any form of harassment g) Anything that may bring the image of the club into disrepute h) Anything against the law (eg. under 18 drinking)
4. Meet with the whole group before they depart to explain the above – if this is not possible, meet with the organisers and ensure they inform other participants.
5. For trips away, encourage transport that does not require anyone to drive. Where someone will be driving a bus, assist to organise a trained driver or ensure at least two people will act as designated drivers.
6. Ensure driver(s) has an appropriate license and keeps zero blood alcohol content.
7. Encourage regular meals, snacks between meals and non-alcoholic hydration throughout the day.
8. Consider a 'buddy' system, whereby delegated participants agree not to drink and look after others.
9. Encourage the use of taxis or a bus (and driver).

# Football Preview

## Wickers falter..

It is amazing how sides that promise so much can fall from grace so quickly as a football season progresses. That should read Berwick after the inaccurate Wickers capitulated to Tooradin in a last quarter brain-fade last week.

It was an upset that few saw coming but it also underlined the fact that the top sides can always be beaten if there is a hint of complacency. That is a good pre-finals lesson for all.

On another note, there has been little fanfare in relation to goal-kickers this year but, as the season nears its conclusion, the race for the individual trophy has heated up. Narre Warren star Kerem Baskaya has booted 23 goals in two weeks to lead Cranbourne goal machine Marc Holt by six with two rounds to play. Both will figure in the finals and that will provide them a chance to crack the ton again. That would be an amazing effort and could very well happen when the two are playing against each other.

This weekend celebrates the first of two Volunteer rounds and it is fitting that each club involved acknowledges the work and dedication of those that donate their time and effort to ensure the Casey Cardinia League remains strong and healthy. Well done to all club workers.

### Cranbourne v Pakenham

This round 17 clash certainly has the potential for the 'wow factor' given good conditions and providing both sides go full-steam to win and gain a mental advantage over the other leading into finals.

Names like Cairns, Puts, Theisz and Toussaint are hardly

the household variety that Pakenham supporters have grown up with, however this is the new breed at the Toomuc Reserve and opponents had better mark them down. Coach Steve O'Bryan has great depth at his disposal this year and the results have come.

Cranbourne is nearing another finals campaign and their form is starting to peak. With a strong attack led by Marc Holt and Michael Theodoridis along with the X-Factor of Marc Bolland and Ryan Jones, the Eagles look to have all bases covered.

The Eagles are at home and simply must win this game if they are to generate another serious challenge to Narre Warren in the finals. If they concentrate on doing the small things well, the top three will be set this Saturday.

### ROC v Keysborough

The clash for the Ian McLean Shield will see ROC host Keysborough for the last time. The Burra will want to take that shield to its new league but the Kangaroos will have no intention of unscrewing it from their wall.

Keysborough players will now be playing to impress as the club enters a new era in 2015. Tim Werner, Ryan Goodes, Daniel Morland and Davor Rajic will be hoping to lead their team mates to success in that venture.

The same could be said for Brad Jones' ROC side except they will be looking to improve their standing in the competition they are already in. With Matt Clarke, Travis Woodfield, Blair Allan and Ben O'Loughlin in good form, that could start this week.

Neither of these two covered themselves in glory last weekend and both will be looking for a late season victory. On form and ladder position ROC should win but an upset in this one would not surprise.

### Doveton v Narre Warren

Doveton's season is over as far as finals is concerned and they can blame their early season form for that. Narre Warren has bigger fish to fry next month but will not be

showing the Doves any sympathy.

The Magpies are just starting to tune up for September and maintain their advantage over the rest. With power forwards supplied by players like Michael Collins, Dylan Quirk, Josh Tonna and Jackson Parker, Narre Warren looks unstoppable.

This weekend we will see if the Doves can put the slows on the top dogs. To do that Shannon Henwood, Shaun Dinsdale, Ricky Hayes and Frank D'Agostino will have to be at their absolute best.

These two sides have history – long, long history, and none of it is friendly. Despite their standing on the ladder this game will be close and very hard fought as it always is. The Magpies will take the four points home.

### **Hampton Park v Berwick**

The Redbacks will host out-of-form Berwick in the final hit-out at the Booth Reserve this year, and supporters will be hoping that the Wickers bring last week's form rather than that from earlier this season.

Berwick coach Rhys Nisbet will likely ensure that does not happen. He will be looking for leadership from Mad-dy Andrews, Michael Harrold, Jake Gains and Paul Van-Schilt among others, along with a big lift in consistency. Similarly to Pakenham, there are a bunch of new names dominating the 'best-on' column at Hampton Park and that is good for the side in the long term. Expect to see more mention of Keyzer, Philpin, Phillips and Bastin among many others in years to come.

Hampton Park has the ability to take the game right up to Berwick but not for long enough to create an upset. Berwick will be keen to shake off their lethargy and should do that without too much fuss in the end.

### **Beaconsfield v Tooradin**

On last week's form this game could be close and even result in an unlikely win to Tooradin. Of course we all know that a week is a long time in football so rash predictions are not going to be made.

Tooradin took full advantage of a dominant last quarter and bolted to a great win last week. The charge was led by nippy forward Pat Chin along with Matt Wade, Lochie Groh and teenager Troy Dolan.

The Eagles also had a solid, if unspectacular victory over an inferior opponent. Shaun Pollard has hit a patch of scintillating form while team mates including Scott Meyer, Dan Johnston and Daniel Mislicki are backing that up with aplomb.

## **Football Preview**

The fact is that Beaconsfield is gearing up for finals and Tooradin is looking to 2015. That alone suggests that the Eagles have more to play for and the result should reflect that fact at the end of the game.

### **Reserves**

At this time of the year the scenario is often the same – one or two sides have their finals future in their own hands, and that is the case in the reserves this weekend. Quite simply if Cranbourne can find a way to defeat third-placed Pakenham then they will play at least one game at the business end of the year. Both sides are coming off strong victories and confidence will be high. That said, the Lions have a class edge and should get over the line. If that is the case then Doveton can maintain their slim finals hopes with a win over Narre Warren. However, that task is a huge one and looks beyond the Doves on recent form.

The other games in round 17 are more predictable on paper. ROC will have a rare win at the expense of Keysborough, Beaconsfield will down Tooradin and Berwick will likely kick the sweep against Hampton Park.

### **Under 17s and Under 19s**

There was only two matches in the Under 17 grade last weekend but this week numbers suggest that three games will be contested with the clash between Doveton and Narre Warren holding the most interest in relation to the ladder. The Magpies are entrenched in the top three but the Doves must win to seal the double chance. That fact and the venue might just tip the lever in favour of Doveton in an upset. The match between Beaconsfield and Tooradin will be a close encounter with the nod just going to the Eagles, while top dogs Berwick should cover the Hampton Park Redbacks due to better depth.

In the Under 19s the match of the day will be at Holm Park Road and see Beaconsfield take on Tooradin. Again the Eagles look the superior side but it will be a close battle. In other games Berwick and Narre Warren will be far too good for Hampton Park and Doveton respectively.

## ROC Kangaroos

The 19s put in a great effort against an undefeated top side if only they could of held back the oppositions run and carry a bit more they would have been right in it, its a pity that the boys didn't start the year off the way they are finishing there last few weeks have been very good.

The 2's put up a better effort this week, even thou they didn't win you could see the work rate was far better than previous weeks, finally going down by 89 points.

The Seniors couldn't match it with the premiership favorites, they were to strong and to good in and under, our boys did have good patches of play but couldn't match the way we played against them the first time around.

Don't forget tomorrow Reverse Draw Starts at 12.00 pm sharp first ticket drawn 1.00pm

Presentation Night Saturday 18/10/14

## Keysborough Burra

Our Keysborough squad took on the Beaconsfield team last Saturday in blustery conditions at the Burras' Nest.

The seniors really came to play. They ran, smothered and tackled all day against one of this year's finalists. Although beaten, we had three outstanding quarters. Let this be the foundation for today's contest.

Best Players: Bryce Sutton, Tim Werner, Ryan Goodes, Kale Armstrong, Cam Dalton Daniel Morland.

Goals: Geoff Humphreys 2, Moose Rajic 2, Tim Werner 1 and Corey Wilkinson 1

Our Keysy Reserves contested all day and a big thanks to Beacy for their support. We were outclassed but did not drop our heads. Well done Burras, you kept contesting and ran out the day.

Goals: Matt Collett 1 and Joe Sanbar 1

Best Players: Mat Collett, Gez Smith, Jake Andrews, Tommy Armstrong, Andrew Sloss and Gordon Hyde.

Today we travel down to ROC to play for the Ian McLean Shield. It will be the last time we battle it out for bragging rights in the Casey Cardinia League. Let's build on last week effort and have a real crack at taking the shield home.

Tomorrow it's Family Day at the Club for both past and present members and players. It's going to be a great day, so come on down and share some yarns with mates of years gone by. The day kicks off at 1:00pm.

Sponsor of the week is the Future Insurance Group.

Many thanks for your support in our community.

Go Burra!

## Beaconsfield Eagles

Good wins by the senior and reserve teams against Key-sie last week have kept the senior team in contention for the double chance and the reserves entrenched within the top 5. Today sees the highly respected Tooradin outfit travel up the Cardinia creek to take us on at Holm Park Reserve and if recent form is any indication then we, as spectators are in for a real treat today as both clubs are running into some good form. Last Friday night saw a massive crowd attend our annual Club 30 event at our Social Club and the Moroccan themed night had everything bar sand and Camels... A great night was had by all in attendance, well done to the organizers and our catering staff.

Join us after the game today and stay on till 7.00pm tonight to see the drawing of our major fundraiser for the

year with the brand new Honda CRV 2WD up for grabs. For a last minute ticket, see Geoff McGowan or any committee member for a ticket. This week we celebrate the priceless contribution that our fantastic volunteers make to the club every week. From the smallest job to the biggest, we couldn't operate the club without you. Thank you for your support and everything you do. Good Luck to all footballers and netballers today.

## Tooradin Seagulls

Last Saturday the club travelled to Berwick where the seniors continued to show their improvement in the latter part of the season beating Berwick in a massive come from behind victory. After a disappointing first quarter where the game looked to be already over been down 6 goals, the boys got the game back on their terms and confidence was growing by the minute as we cut down the lead. During the third term we held them strongly against the wind keeping them to one goal in the gusty conditions. As it rolled over into the last quarter the boys put the foot down and hammered home 7 goals to 1 in the last quarter, in our greatest victory of the season. The highlights of the match include U/17 Troy Dolan taking out best on ground playing a vital role in the midfield and up forward Patty Chin produced his best game of the season snagging 6 goals in a great effort. In the other matches, the reserves went down by 62, the 19s lost by 87 and the 17s tried but couldn't keep up with Berwick as they ran away for a 150 point win. On Saturday night the club held its Sportsman's night which was a great success, the night included a host of stars including Ricky Nixon, Wayne Johnson and Shelley O'Donnell. Thankyou to all those who helped organise the night.

## Hampton Park Red Backs

Round 16 we travelled down to Pakenham for some hard played football. After a slow start the Under 19's fired up after half time and played some great football but Pakenham had the jump on them and ran away with the win. Great games to L O'Brien, B Batt and M Williams. Our Reserves came out firing and played a great 1st quarter but fell away after this and Pakenham proved to be too strong on the day - great efforts to J Robertson, J Kein & K Mobourne. By all accounts the seniors played a great game of football and did the club proud they fought hard all game right up until the last term where Pakenham

joined in and ran away with the game - great games to B Keyzer, D Jamieson and C Phillips. Everyone at the club is also sending our best wishes to Coxy's and we are hoping his knee injury isn't too serious and he makes a speedy recovery!

"The strongest factor for success is self-esteem. Believing you can do it, believing you deserve it believing you will get it"

Round 17 we celebrate Volunteers Week and we all know without our volunteers who work tirelessly every-day to build our club the club would not be were it is today - so be sure to say Thank you today to all our volunteers who all wear the red and the black with pride and honour and remember "Volunteers are not paid because they are worthless but because they are priceless"

### **Berwick Wickers**

After a couple of weeks without a game, our 17's were back doing what they do best, playing some quality football with a strong focus on sharing the football around which we hope will see them playing deep into the upcoming finals series. With plenty of talented brothers at our club the younger Segiti finished with 7 majors for the day with a clinical display of marking and goal kicking. Jarrod Trait finished the day with a best on ground performance with a polished display, other good performers were Bishop and Thomas. The 19's with 11 different goal kickers also got the four points, Nic Hillard finished with 3 goals for the day and seems to be a smooth mover on and off the field. Jonsey continues his very good season with a dominate ruck display while Jed Dexter continues to win plenty of the footy. Rama while playing some good footy just needs to get rid of that ridiculous beard. The Reserves with a number of changes and in a very scrappy game finished the day with 62 point victory. Our European travelers Mitch and Gunny returned to the track and both got through the game and look set to add some depth for the rest of the year, Tip Rat Parker again among the goals, while #clay #the club #empire #the entertainer was outstanding while Weighy finished the day with best on award with a terrific 4 quarter effort. This Saturday night is our last function at the club with a Super Hero and Villian night lets get their in numbers. Go Wickers!

### **Doveton Doves**

Not much one can say about the clubs trip to Cranbourne with all four sides being well and truly belted, we could

## **Club Notes**

only manage eleven goals between all four teams while Cranbourne kicked fifty nine goals between their teams. Well done to Matthew Cram on being selected for his first game in the seniors. The Doveton Football Netball Club presentation night is on the 26th September starting at 7pm at the rooms in the form of a cocktail party. Dress code is semi-formal with strictly NO denim. Please see Debby Henwood for tickets as numbers will be limited, DJ and food provided. Today we have our sponsors day in the rooms from 12.30 to 2.30pm with special guest Adam Chicken Palmer attending the function. The Doveton FC would like to take this opportunity to thank all our sponsors for their support during the past and present seasons and hope we have their continued support into the future. Our final function is on Sunday 24th August which is a family day with a \$2,500 raffle to be drawn (the Sunday after our last game) at the rooms starting at 12 noon with snacks provided, please see any committee members for tickets. This week's "Sponsor of the Round" is Botanic Homes situated in Hallam - call Craig Garvey on Ph 97965775 or visit [www.botanichomes.com.au](http://www.botanichomes.com.au) Quote of the week: The 5 "S" of football are stamina, speed, skill strength, but the greatest of these is summed up in one word "Spirit" Good luck to all teams -

Go Doves.

### **Narre Warren Magpies**

Another of Narre's most consistent and loyal senior players Col McNamara clocks up his 150th this week. He's perhaps under-rated by some, but definitely not by his coaches and team-mates. Well done on 150, mate. We love your work.

Last Saturday we hosted ROC - and the Narre machine kept rolling on. Our Seniors' 48 scoring shots to ROC's ten reflects a game played mainly on our terms. Watto and Jordyn Flannery dominated the stoppages; Collo, Quirky and Jacko Parker (4 goals) commanded the mid-field and Big Bas bagged another 11.

Our classy Twos won their contest by 15 goals. Our forward structure with Dylan Piening and Sam McLean will test most defenses, and our midfield runners Mitch Cowan, Dean Scanlon and Andy Ray dominated.

Narre's Under 19s had a big win, playing some slick footy in difficult conditions. Corey MacHaya with 3 goals, Jackson Bianco and Hayden Egerton were among our best; Josh Dowling kicked 3.

'I Luv Narre' Night #3" (Ladies Night) is next Saturday 23 August at Fox Road. All members and supporters

### **Cranbourne Eagles**

Four for four from the weekend, as we retained the Garrett/Mitchell cup as we hosted our old rivals Doveton. Apologies to them for the late change of venue to Oval 2, Casey Council make these decisions not us. Fantastic day for our coterie group and sponsors with our amusing guest speakers, Simon Marshall and Julian Holland. This week we have a classic 8 point game with second spot up for grabs as we welcome Pakenham. They are the only team we haven't beaten this year, a big day for sure. We are scheduled to play at Oval 1, who knows where we will end up. This week we play for the Heart Kids Cup, a cause close to one of our players, raising money for kids with heart issues. Money raised goes to a camp which gives sick kids a chance to go away with Doctors and fully trained Nurses. As we approach the end of the year it is time to get your tickets for two big social events, Presentation Night this year will be held on Saturday October 4 at the Cranbourne Turf Club's prestigious new function centre. See Sue Rus for tickets. Time now for all senior players and supporters to get their Cranbourne Cup tickets. A big day is assured on Saturday, October 11. Limited tickets are available at \$125/head which includes entry, race book, food, beer, wine, soft drink and spirits. This will be a great day, book early, see either Sue Rus or Shane Baker. Follow us on Twitter @Cranbourne FNC, on Face book and Instagram. Good luck to all of our teams this weekend, Go Eagles.

### **Pakenham Lions**

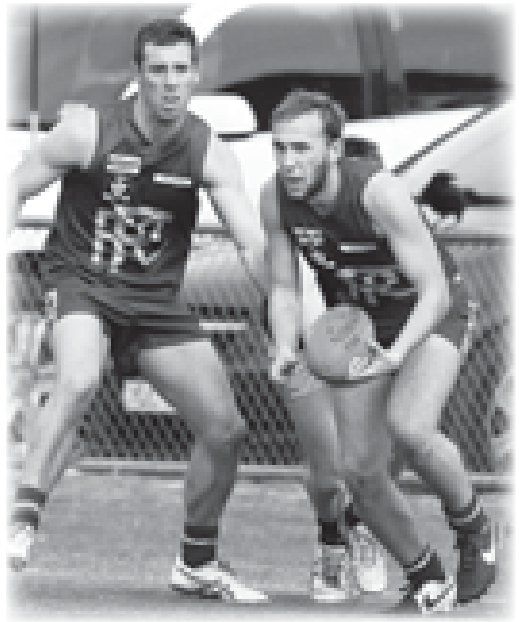

Last week against Hampton Park, we did what we had to do and won all three games in the Under 19s, Reserves and Seniors. We used this game which we were expected to win, to try and implement some strategies for the coming weeks against Cranbourne and Beaconsfield. With the fact that we still have a number of players out in all grades due to our injury toll, its been the opportune time to try players in different roles. This week we take on

last years Grand Finalists in Cranbourne at Casey Fields Cranbourne. Massive game for both clubs in all grades. In the Seniors, a win over Cranbourne will cement the double chance. We certainly will be doing our best not to let it slip. In the Reserves, we can also secure a top 3 spot while in the Under 19s, a win over Cranbourne will push us into the top 3 and gives us a huge chance to secure a top 3 spot next week against Beaconsfield.

Pakenham Football Club's Presentation Night will be held in the function room on Friday 26th of September at 7pm. Tickets are on sale now. \$60.00 a couple, which includes a 2 course meal, drinks at member's prices and music by DJ Scot from Seraphim Events at the conclusion of the awards ceremony. Dress code is formal and it would be fantastic to have everyone that has supported us during the year to attend this fantastic night. Tickets are available now.

Next week is our last home game against Beaconsfield. Get there for a massive last home game for season 2014.

## Casey Scorpions News

### Casey Scorpions v Port Melbourne

By John McLaurin

The Casey Scorpions have been dealt a huge reality check after being severely beaten by 108 points against an all-conquering Port Melbourne side at North Port Oval in round 18 of the Peter Jackson VFL on Saturday afternoon. The Scorpions did well enough in the first term kicking three goals to the home side's four. Jack Fitzpatrick looked to be thriving in the absence of Max Gawn booting two goals in the first term. The Casey boys went into the quarter time huddle fairly happy with what they had produced.

However, spurred on by a sizeable home crowd the Borough ramped it up a few gears in the second term to show us who was boss. In this quarter they kicked six goals to our nothing.

Under Gary Ayres, Port have become a well-drilled side over a number of years and are the competition yardstick for a reason. They have a plethora of seasoned high quality VFL footballers and a good running game with the skills to match.

Our boys tried hard but found it hard to contain Dan Connors (five goals) and Shannon Lange (four goals). The forwards were well fed by a rampaging midfield containing Tom O'Sullivan, Shane Valenti, Toby Pinwill, Mitch Woofindin and James Magner.

In the third term we held our own but the last stanza became an absolute massacre. Kicking with the wind the locals were in a punishing mood and were keen to let us know all about it slamming home ten last quarter goals. Whilst the game became an absolute blowout in the end it was a chance for our younger players to put their stamp on the game. In a big plus for the Scorpions utility Bryce Rutherford was named best and rover Ed Morris was superb especially early on in the match. Christian Salem provided his trademark class with a couple of goals to go with his 20 plus possessions whilst James Harmes kept pushing hard all day, learning how to break a tag in the process.

Defender Alex Georgiou was a doing a good job on giant Borough forward Adrian Bonaddio. The former Norwood premiership player ended up getting some rough treatment from his opponent which saw him leave the ground just before half time. Georgiou will be assessed this week.

Next week we are back to Sunday football this time against Footscray at the unusual time of 11am. The game will be played at Highgate Reserve in Craigieburn.

#### The AFL Victoria Development League

The AFL Victoria Development League Scorpions game was not too dissimilar to the the seniors in that we got off to a good start kicking with the wind in the opening term but ended up getting trounced by 112 points. Losing Matt Rennie to the seniors was always going to prove a difficult adjustment, but Joe Fisscher took up the mantle and jagged two majors in the first quarter.

After this however, the joys were few and far between. Ruckman Jake Thomas was impressive but we were a bit light on for personnel after losing Brenton Hillard, Nick Lang, Rennie and Sean Corrigan to the seniors. Sam Waters' absence robbed the side of another quality tall and as we know they don't grow on trees. Half forward flanker Daniel Jackson had some good moments in the game and will be hoping that he has done enough to get a crack in the firsts before the season is out. Jackson Anderson and Tom Corry played their hearts out through the middle as did Gavin Pears and Harry Smith.

Next Sunday George Morgan's lads can have a sleep in for a change as their game is also at Highgate, but against Williamstown and it doesn't start until 2pm.

## MICHAEL THOMPSON – CRANBOURNE

### Big Gains for Berwick

Berwick Football Club just keeps producing talented footballers and 2014 has seen the Wickers launch one of its best prospects in recent memory in teenage ruckman Jake Gains. The 18 year-old star-in-the-making is the latest player to earn a nomination for the 2014 Young Gun award.

The lanky big man started his career with the Berwick Junior Football Club in 2004 in the Under 9s and has made his debut with the senior side as a 17 year-old last season.

Jake was a late developer and was considered to be a battler through his junior years. He maintained his desire and worked hard and in 2012 in his first year of under 18 football, became the number one ruckman playing a key role in Berwick winning the under 18 premiership.

In 2013 Jake made his senior debut as a 17 year-old showing a lot of potential with his ability to provide a contest in the ruck and provide first use of the ball to his midfielders.

He joined the Stringays TAC Cup development squad in 2013 and this year was selected in the Casey Cardinia League representative ruckman. He has a high

level of fitness and is strong and a good ball-user.

Jake says his ambition is to play at the highest level possible and be part of a successful Berwick side.

Berwick coach Rhys Nisbet said Jake was an outstanding prospect and a worthy nomination for the award.

"Jake has been an outstanding player for Berwick in 2014. His ability to play as the number one ruckman at a young age and compete with more mature and bigger opponents and have a key influence in the performance of the team has been a credit to his attitude and desire," he said. "He is very well respected within the club as a mature young man with an exciting future in football ahead of him."

**A**ccreditation!!

We have been harping on about accreditation all year. All umpires, field, boundary and goal are required to complete their umpire accreditation, whether you are in your first or fifty-fifth year. Level 1 Accreditation requires you to complete 3 steps: an online assessment, diary entries and then coach's observations. We thank all umpires who have made it a priority to get their accreditation completed and congratulate those who have received their certificates. We still urge all umpires to see their coaches and complete their diary and observation entries.

### Upcoming Events

**MPJFL Grand Final Appointments Night:** Wed, 10th September 2014 @ 7.30pm @ Seaford HQ. All the grand final appointments for the MPJFL competition will be presented.

**MPNFL Grand Final Appointments Night:** Wed, 17th September 2014 @ 7.30pm @ Seaford. The night where we find out who the lucky umpires are who will officiate in the MPNFL Grand Finals in the 18's, Reserves and Seniors in all 3 Leagues!

**VSHL-SUA Presentation Night:** Sat, 18th October 2014 @ 7pm @ Cranbourne Turf Club. The annual SUA Presentation Night is coming. The venue will be at the Cranbourne Turf Club and this year is shaping to be one of the biggest ever - with a three course meal and the presentation of many different awards in each discipline. Save the date on your calendar and be sure to secure your spot by seeing Steven Richards for a ticket when he is at Fountain Gate or Seaford. Running members receive their ticket for free and guests are \$50. - More information at the SUA Website or the TeamApp.

**R**ound Seventeen  
As we get closer to September action, the ladders are taking shape and teams are striving to lock in the double chance positions.

The 17 & Under Red match between ROC and Narre Warren was a showcase of junior netball talent. ROC capitalised on Narre Warren's slow start to take an early nine goal lead. Narre Warren worked hard to remain competitive but ROC remained in control to run out winners by twelve. This impressive ROC unit will be aiming to keep their unbeaten run in tact as they enter the 2014 finals series. Cranbourne and Doveton played out a close match with third placed Cranbourne winning by three to make Doveton's chance at finishing in the top five a difficult challenge with two rounds to go. There was only one 17 & U White match at the weekend and it was a nail biter. Narre Warren defeated ROC by the

narrowest of margins to maintain top spot.

Narre Warren, Tooradin and Cranbourne all recorded wins in the 13 Red section while Tooradin and Berwick played out an exciting draw in the 13 White competition.

13 Red - Up against the top team Narre for the second time this year & unfortunately we didn't bring our A game which was needed. A slow start found us 8 goals down after the first qtr, our middle two qtrs were a lot better but we were still outplayed. The Narre defenders were tall & made us shoot from far out giving us no chance for rebounds, while at the other end we couldn't get enough pressure on the ball coming in. I'm sure that our best game can beat them we just need to find it against the top teams. Award this week to Jenna who battled hard all game.

15 White - Both sides came out playing great netball in the first qtr, Narre took control from qtr time & secured a solid win.

C Grade - We definitely stepped it up to Narre and held a narrow lead at half time, however Narre came out composed in the 2nd half and ran away with the win.

D Grade - We should be pleased with our efforts this

week, coming home strong in the last qtr & beating Narre by 6 but not enough to win the match, losing by 9. The defence end strived all day against accurate goalers with the mid court working it patiently into attack & the whole team maintaining possession & composure to allow a better feed to the goals. There were some terrific passages of play which showed how far you have come this season. Well done.

## Keysborough Burra

No notes supplied.

## Beaconsfield Eagles

Beaconsfield c grade and b grade teams traveled to keysborough on Saturday!

C grade came away with a very convincing win over keysborough taking the game by 27 goals! The girls played extremely well given the windy conditions.

The b grade game was set to be a fantastic game and it proved just that! Leading by 3 goals at quarter time the girls worked tirelessly to continue but unfortunately couldn't hold onto the lead. The girls fought hard all game and should be extremely proud of their efforts!

Good luck to all teams against tooradin this week!

Go beacy!

## Tooradin Seagulls

Last weekend we headed to Berwick and the day could not have started any better. Our 13's red team won their first game for the season & our 13's white team playing a great game and ending with a draw!! All players and coaches were extremely excited and over the moon with the result. Well done!! Unfortunately, the wins stopped there! C & D grade were beaten convincingly by strong Berwick sides, B grade started well and scores were even up until half time but Berwick took advantage of many errors made and lead for the remainder of the game. Our A grade girls started slowly and allowed Berwick to get a jump on them and had to play catch-up for the rest of the game, going down by 20. Awards from round 16 went to the following players: 13's red - everyone!! 13's white - Emilee Jones & Lily Howes, 15's red - Ebony Mason & Rachel Sculley, 17's - Katey Rudolph & Tayla Ostrom, D Grade - Melinda Smith (BOC), Katelyn Pinal (coaches), Laura Harney (MVP), C Grade - Jamieson Rendall (MVP), B Grade - Shannon Williams (BOC), Julia Hobbs (Coaches & MVP), A Grade - Laura Firbank (BOC & MVP). Well done to all players!

## Hampton Park Red Backs

It was a cold and windy day out at Pakenham, but credit to the girls, they continued to give their all.

There wasn't much to report from the Under 15s game. It was a convincing loss, which was disappointing considering how much improved they have been.

D Grade won in a close game. It was exciting to watch. It's great to see D Grade having success.

Unfortunately C Grade lost in a close game. Even more depressing was losing Alisha during the week to a broken arm.

B Grade played really well. They lost, but still played really well. Best on court this week went to Kaitlin and Anita.

Thank you again to all the A Grade girls who continue to play each week. Ebony was nominated best on court. Michelle Deeley will play her 100th game this week, and possibly Claire Waite (if she plays both A and B Grade). Congratulations ladies, excellent effort!

Sorry the notes are so short this week girls!

Good luck to all grades this week and enjoy the last home game. GO REDBACKS!

## Berwick Wickers

Last week Berwick hosted Tooradin at home. It was an exciting day of netball for the club with wins across most grades. Our senior girls all took convincing wins showing glimpses of what they have in store for coming weeks going into finals. Our juniors were all on song with just the one loss for the day for our 13's Red team. Well done to all our teams for last weeks effort.

## **Narre Warren Magpies**

Narre Warren welcomed ROC to Kalora Park for ten competitive matches. The junior netball was of a high standard with ROC and Narre taking three wins each. The 13 Red continue to improve, recording a strong victory against tough opposition. The 15 White continued their unbeaten run and remain in top spot. The 15 Red showed improvement from their first encounter ROC, narrowing the margin to four. The 17 White scored a narrow one goal victory. The 17 Red girls fought back after a slow first quarter to win the second and third quarters. Unfortunately, the lead was too big to chase down with Narre Warren going down by 12. D Grade made it two strong wins in row to claw their way into the five. After a slow start, C Grade built a steady lead at 3/4 time and continued their improved form to win by ten goals. B grade were determined to turn their form around after a disappointing loss earlier the season. They improved over the course of the game to stretch the margin to a convincing 29 goal win. Brittany Mashado was a steady influence in the mid court and feed the goalers accurately. A Grade was a tight contest, before Narre Warren jumped to a ten goal lead at half time. A determined ROC fought back to make for a close second half before the lead stretched out to nine. Congratulations to Bec Potalej, Emma Pansow, Rebekah Booth, Terri-Lee Brettoner, Holly Booth and Erin Clark who were presented with their 100 Games Awards. Good Luck to all ten teams who take on Doveton today!

## **Doveton Doves**

Last week we travelled to windy Cranbourne. There were some close games all round with the 13's and 17's going

## **Netball Notes**

down by small margins. The loss may have cost the 17's red a finals berth and they will have to wait on the outcome of some other games to win a spot. D and C grade were outplayed and struggled in the windy conditions. B Grade was a great game with the lead changing several times late in the game, again Cranbourne coped better with the windy conditions and came away three goal winner. A Grade started quickly and got away to a strong lead. This was assisted with the return of Rata who combined well with Rhani in goals. Liz covered for the loss of Maggie and played an amazing game in defence, showing she can play at either end of the court with ease. There were some more changes after half time and the side slowed a little. The girls pulled together again in the last term and came away with the win. Remember we only have two games left training is compulsory for all players regardless of where your team is sitting on the ladder. This week we host Narre Warren who are a power house club in all the grades and should prove challenging for all teams this week. Looking forward to some great netball GO DOVES.

## **Cranbourne Eagles**

Last week we welcomed Doveton down to Casey Fields for what was a pretty good day of netball. The Under 13's had a great team effort going in with only 7 girls. They knew what they needed to do and they did it. The whole team received best on court this week. The Under 15's played in some very windy conditions so getting a goal wasn't easy. It was a good win 23-9. Best On Olivia Corrigan. The Under 17's started slow but were able to come away with a win. D Grade had a fantastic game last week with a win on the board. We are now even more excited for the next two weeks and finals. Best On Alana Haslett. In C grade it was a must win to keep a chance at finals alive. The girls came out and ran out 4 quarters of netball. Everyone put in 110% which was great to see. Well Done on a 20 goal win! Best On Jodie Pike. B Grade played a solid 4 quarters against a very physical Doveton in tough conditions. We were able to run out and fight to the end of the game to secure the win. Best On Jodie Holt. A Grade were up against an exceptional Doveton side and we had an unfortunately slow start. Credit to the girls who came out for the next 3 quarters and kept fighting even winning the 3rd quarter. With such a young side, we have the potential and exciting future. Best On Bela Willis. This week we welcome Pakenham for our last home game.

## Pakenham Lions

A Grade played a great team game on Saturday and did very well with maintaining intensity and focus. A big thank you to the Hampton Park players for their super effort in fielding senior teams in all games, with some players even playing 3 games! Much appreciated.

It was a hard fought win by B Grade. Everyone lifted and worked together to get the valuable four points. Our defenders worked tirelessly all game and stayed positive. The goalers grew in confidence as the game went on. The midcourt fed the goalers beautifully. It was great to have Maddy back on court. We look forward to playing Cranbourne this week.

An awesome win for our C Grade girls. A great team effort the girls put in a solid effort of four quarters of netball.

Great game for D Grade going goal for goal but unfortunately a lack of concentration allowed Hampton Park the win. Great defence by the girls.

15 Red's came away with a strong win on Saturday. Many changes were made with all players testing out playing combinations and showing just how versatile we are. The timing of our leads were great as was our defensive pressure. Keep up the hard work girls!

## Young Rising Netball

### Ally on the attack

Pakenham teenager Ally Johnson has been described as a netballing dynamo and is the latest nomination for the 2014 netball Young Rising Star award.

The 16 year-old mid-courter started playing netball in the Under 11s and is currently involved in her fifth season with the Pakenham Lions Netball Club.

Her ability has been recognised from an early age and she won the club best and fairest in Under 13s and again as a bottom aged Under 15. She also won the runner-up best and fairest in top age Under 15s.

Ally has been named captain of her respective teams for the past five years at Pakenham and in both her seasons in the Under 15s she was placed third in the league's best and fairest vote count.

Her highlight to date has been selection in the MPNFL Sharks team over the last two years, representing the league at tournaments for her top age Under 15 season and bottom age Under 17 season. This year, Ally has also received the Spirit of the Sport Award.

Pakenham under 17 coach Jodie Hanssen gave Ally's nomination a strong tick of approval.

"Ally is a fast, dynamic player with excellent ball skills and a fantastic vertical leap," she said. "A player with much influence on the game, Ally has the ability to control the court for her team mates in regard to the style of game required at the time. Ally's strongest position is wing attack and she is clearly a play maker. She is often the focus of opposing coaches who do their best to shut her down. She is a worthy nomination for this award."
