# International Cup

**Over the past week we have seen the preliminary rounds of the 2014 AFL International Cup, an event being staged in and around Melbourne that has drawn together 25 teams from 18 countries playing 62 matches with more than 1000 people involved.**

Held every three years, the AFL International Cup continues to develop and expand with new teams in both the men's and women's sections.

It was a marvelous experience to see all 18 competing country's flags on display as players, coaches, staff and volunteers were welcomed by senior Wurundjeri elder Aunty Joy Murphy-Wandin and Premier Dr Denis Napthine at the official opening in Federation Square last weekend.

Just as spectacular was the sight of all the teams following their respective flag through Birrarung Marr to the MCG where there was a parade of nations before the Melbourne/Hawthorn match.

It illustrated in more ways than one just how popular our great game has become with so many different country's now playing the game. It's also a great advertisement for our code.

There's little doubt that Australian Rules appeals to a large, diverse consumer base not just around our country, but also overseas.

The opportunity to link up with a unique blend of traditional and no-traditional fans is something that can only further foster the game.

What should not be lost in the conversation is that 47 per cent of Australians come from a multicultural background.

Opening up cultural doors is something Australian Rules has done with great success over the years and the continued drive to make the game more accessible to everyone is something that will be pursued with passion.

As the week progressed games were played between the teams, comprising solely of amateurs who are nationals in the country they represent, at Royal Park, Parkville.

An exciting addition to this year's AFL International Cup is the Community Football Round this weekend where the International Cup will go to community leagues around Melbourne and some regional centres.

The VFL will also host two International Cup games, with India playing Pakistan after the Essendon versus Richmond match, and China plays Finland as the curtain raiser to the North Ballarat and Williamstown clash.

Certainly, the support of community leagues and clubs is much appreciated. As is their gesture to host the teams at the after match function as well as provide dinner.

It is an initiative which enables all International Cup teams to experience what a community football club has to offer, build networks and engage with the local community.

Next Saturday both the Grand Finals of the women and men's section will be played. The Women's Grand Final will be played at Punt Road while the Men's will be played as a curtain raiser to the Geelong/Hawthorn night match at the MCG.

If you get the chance, drop in and witness who in the world is embracing Australian Rules. It's something we should all feel excited and proud about it.

# Young Guns

**One of the undeniable positives of the Peter Jackson VFL is watching young, aspiring players grow, develop and mature into quality players.**

It's a perennial each season as emerging players from all different backgrounds seek to make themselves better players.

The VFL is an opportunity for up and coming young players to showcase their talent in a bid to gain selection from an AFL club at the various forms of the AFL Draft.

It is also an opportunity to test themselves against a unique mix of AFL listed and rookie players and experienced VFL players.

Some will gain another chance to impress in the Young Guns match on Preliminary Final day.

Below is a snapshot of three young players - Adam Saad, Nicholas Newman and Elliot Le Grice - who've made an impact this season not only their respective clubs, but also the VFL competition.

## NICHOLAS NEWMAN

Simon Goosey muses whether today's Gen Y expect too much, too early.

The Frankston coach delightfully notes that many kids nearly have everything they want by the time they're 12.

"You're left scratching your head and thinking 'what do I get them for Christmas?'" Goosey quipped.

It can't be levelled at Nicholas Newman, who's been forced to work hard for everything he's achieved in his football.

Curiously overlooked at TAC Cup level as a 17 and 18-year-old before playing as a 19-year-old for Dandenong Stingrays, Newman managed just three games last year for Frankston, and they were as the 23rd player.

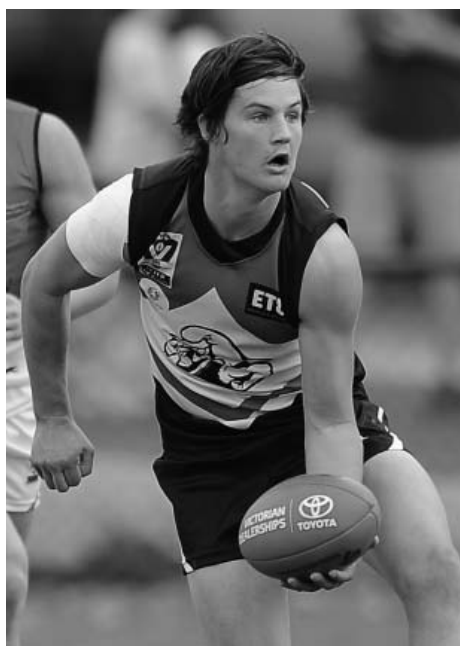

During the off season, Newman went head first into giving himself every chance to capitalise on his ability. It has been a stunning turnaround with Newman playing every game for the Dolphins.

"Nick probably worked harder than anyone over preseason," Goosey said.

"He was disappointed he didn't get senior games, but he understood why and what he had to do and he took everything on board.

"He (Newman) just had to learn a lot, he always had the talent.

"When kids come out of the TAC Cup they have to get their heads around understanding the game. There's more set

ups, structures and more to do with a game plan.

"Even for kids who get drafted you see how big a jump it is. A lot of kids become really impatient.

"It's really like an apprenticeship. You don't become a tradesman after one year. The more we can do to educate the kids to the system it will ensure we don't lose them."

Newman said he worked really hard during pre-season so he could present himself as a viable senior selection from the opening round.

He added he set mini-goals from the time pre-season began.

"All I wanted to do was have a good preseason, impress the coaches, get a game in the first practice match in the seniors and from there it was to do enough so I stayed in every week," Newman said.

"Then I tried to make sure I was in the seniors in Round 1. After Round 1, I set myself another goal of still being in the team for the ANZAC Day game.

"The more games you play the more comfortable you feel and the better player you are going to be.

"After Round 6 or 7, I started to feel comfortable being in the team and you don't tend to stress too much about your form and it's all about the team.

"The biggest thing was playing consistent footy over a period of time and getting that consistency into your game."

Goosey noted how players like Sam Mitchell, Sam Dwyer and Tory Dickson had evolved into quality AFL players after learning the game at the VFL, even in the Development League.

The Frankston coach said players who do endure the hard yards appreciate the success more when it comes.

He believes there is untold upside to the 21-year-old Newman, a 187 cm, 81kg defender.

"Nick is a natural footballer. Last year he would zone off his man and we've worked with him about being on his opponent's case," Goosey said.

"He reads the play well, he's a good mark and he sets up a lot of the play for us. He's got football smarts."

That talent is starting to shine through.

### ADAM SAAD

Peter German doesn't need any think time to rattle off the facets that he likes about Adam Saad's game.

There's speed, agility, poise, vision, aggressiveness, decision making and good finishing skills.

It's an impressive assessment for a 20-year-old, who continues to make an impact in this his second VFL season.

What underscores Saad's improvement, according to German, is that opposition clubs are now highlighting him as one of the Lion's most potent weapons.

"The real testament as to how he's gone this season is that many clubs this year have put a tagger on him to try to take him out of the game," German said.

"It shows the impact he's had on our team this year. For opposition teams to put a defensive forward on him, it speaks volumes of what he's been able to achieve and how influential he's been in our team."

Saad views such a tactic as a "compliment", but also something that has made him work harder to become a better player.

German recalled that when he saw Saad last year, whether at VFL or Development League level, it had been as a small forward.

Pre-season, coach and player talked about the role the Calder Cannons TAC Cup graduate would play.

"I asked if I could play off half back and he (German)

looked at me pretty surprisingly. He said 'are you sure' and I said 'yeah'," Saad said.

"I've tried to add the dimension of playing in defence, locking down opponents, working on spoiling and locating.

"As the season has moved on, I'm become more effective in trying to break the lines, run and carry and create play from the back line for the team."

German said Saad had faced "some big challenges on some really quality small forwards", but risen to the occasion.

"I came to the club knowing he was a man with a bit of talent and who was still learning the game.

"He has an exceptional turn of speed. We have seen it on a weekly basis."

Asked if Saad had the scope to take his game to the next level, German replied: "Oh, yeah. Definitely. He's still a kid, he's got upside."

Saad said the move to a standalone club had allowed him and other players to find the consistency required to play at VFL.

He noted last season, when the club was affiliated with Richmond, he was up and down like a yo-yo as he went from the VFL to Development League seemingly on a weekly basis.

"It has been a big positive not just for me, but for all the young players," Saad said.

"We can really build our club and culture and build the brand as how we want people to see us."

It's something Adam Saad wants to drive.

### ELLIOT LE GRICE

At a pre-season goal setting discussion, Sandringham coach Simon McPhee thought rookie Elliot Le Grice needed to revisit his targets.

McPhee thought the Sandringham Dragons graduate had

set the bar too high for the number of games he wanted to play in his first VFL season.

Le Grice told the coach he wanted to play between eight to 10 games, a mark the coach initially thought was excessive.

"He (McPhee) thought that was too much, he wanted me to make it six," Le Grice said.

"Macca (McPhee) said given I was coming in as a key position player, it was more realistic given it usually took a couple of seasons to get your body size up to be competitive against bigger forwards.

"I had a big pre-season and tried to put on a bit of weight. It's worked well and I've been able to adjust.

It turns out both coach and player got it wrong. Le Grice has played 12 games and there's still a couple of rounds plus, possibly, finals to come.

"After leaving the TAC Cup, It was my goal to play eight to 10 games and to exceed that has been great," Le Grice said.

Whatever way you look at it, reaching double digit VFL games in a first season out of Sandringham Dragons in the TAC Cup is an accomplishment.

Le Grice noted the transition from playing against teenagers, many of whom he was older, to suddenly standing against guys like ex Western Bulldog/Adelaide/Brisbane and Collingwood's Ben Hudson, who was 16-years his senior, involved some adjustment.

The recently turned 19-year-old, listed at 194 cm and 90kg, has given away age, height and weight, but for Le Grice it is all part of the learning curve.

"Coming from the TAC Cup where it is not as physical to facing stronger and bigger bodies, I've definitely found the physicality a lot harder on the body," Le Grice said.

"Also, having to play against players who have played a lot more football at this level and higher than me ... it's been a massive transition.

"It's been a bit of an eye-opener, and it's made me enjoy footy a lot more. It has given me more challenges this year than I've had in previous years.

"And, I think I've got the best out of myself."

Elliot Le Grice has every reason to look forward to future seasons with the confidence that there shouldn't be a ceiling as to how many games he'll play.

# Field umpire McCoy reaches milestone

**From a young age Andrew McCoy was fascinated by umpiring and initially wanted to be a basketball referee.**

While McCoy played basketball, his elder brother Michael and friends were umpiring football so he decided to “give it a try”.

“The officiating side of things always interested me,” said McCoy who has recently umpired his 100th VFL match.

McCoy started umpiring 16 years ago at Essendon District Football League.

“From the moment I went down there I found it was something that I was passionate about,” McCoy said.

“I’m not sure what made me take up field umpiring. When I started I was 11 going on 12 and I was too young to be a boundary umpire and they were always looking for a field umpire.

“Once I got into the training, understood all the rules, I’ve never looked back.”

After eight seasons in the EDFL, McCoy was invited to train with the VFL squad, where he spent five seasons on the development panel.

Six years ago he was elevated to the VFL panel and along the journey he’s umpired the 2010 VFL Development League Grand Final and five VFL senior finals.

While football can be a mesmerising, magnetic potion for some, McCoy said he’s not someone who’s consumed by the game.

“I’m passionate about what I do, but I’m not somebody that needs to know every player and what they’ve done. That’s not me,” McCoy said.

“Some weekends I don’t even know the results of the AFL. I come into the office on Monday and go ‘what happened on the weekend?’.”

Comments fly thick and fast in football, from both sides of the fence, but McCoy said he doesn’t take them personally. He’s heard some “crackers” from some diehard female supporters from one particular club, but uses them more as something to dine out on than taking them to heart.

“Some of them you stand back and think ‘wow’, but I don’t let it worry me,” he said.

“It’s not a personal attack. It’s just that you are doing a job.”

McCoy said because he’s umpired at the VFL level for so long now he’s able to enjoy banter with players.

He said Coburg captain Nick Carnell and he have had some good laughs.

“I don’t mind having a joke with the players out on the field,” McCoy said.

Reaching the game’s elite level is something that McCoy would like to achieve, but he wonders at his age (28) if time may be against him.

“I’ll be pretty happy to walk away when I’m finished and say I’ve done 100 VFL games,” McCoy said.

# 100 Games for Kyrkou

**When Anthony Kyrkou attended his first training night he was given the choice of being a boundary or goal umpire.**

Kyrkou, seeking something to do during winter, ventured down with some of his cricketing buddies from St Andrew's, Gardiner.

As more of his mates were goal umpires, Kyrkou chose this facet of umpiring. It's a decision that's led him to joining the ranks of goal umpires with 100 VFL games to their credit.

"It's been filled with highs and lows. With anything there have been some disappointments, but that only serves to make the highs and achievements greater once you get there," Kyrkou said.

"It's been a bit of a roller coaster."

Certainly, Kyrkou's rise through the ranks can only be described as meteoric. He began in 'D' section in the Victoria Amateur Football Association in 2005, but by the end of the year he was umpiring in 'A' grade.

Kyrkou said his youth (he was 15) was seen as a real positive and thanks to the guidance of some experienced umpires he made the rapid transition.

After three seasons with the VAFA umpiring panel, Kyrkou moved to the VFL in 2008 after he completed his Year 12 studies.

The ascension continued. Within three seasons he had reached the ultimate at VFL level.

Kyrkou officiated in the last North Ballarat's premiership three-peat in 2010 and followed up a year later to be one of the goal umpires in Port Melbourne's historic undefeated season.

He has no regrets in choosing goal umpiring.

"When I see all those boundary umpires running around and realise how you have to be a freak athlete, I'm happy with my choice," Kyrkou said.

But, there's more to goal umpiring than just waving a couple of white flags and entering goals or behinds into a small note pad.

Kyrkou noted umpires are judged each and every week by a panel of observers on accuracy, positioning, presentation, composure and, yes, flag waving.

Each goal umpire receives a score every week and by the end of the season that score equates to a ranking and that determines whether you participate in finals.

While those two Grand Finals were undoubted 'highs', Kyrkou would have liked to graduate to the game's elite level.

He notes with goal umpiring it can be a case of being in the right place at the right time, and he hasn't.

"You have to be lucky. A spot has to open up at the time you happen to be doing the Grand Final," Kyrkou said.

"In 2010 I finished (ranked) No 2 and there was one spot and then in 2011 I finished (ranked) No 1 and there was no spot.

"You have to be very lucky, but you have to keep putting yourself there and one day it will open up.

"I suppose it can still happen if I push hard enough. It is certainly achievable."

# Energy Safe Round

**Energy Safe Victoria (ESV) is reminding country football fans to look up and live and stay safe around electricity at the upcoming Energy Safe round on August 23rd and 24th 2014.**

As part of the round, ESV will be handing out "Look up and Live" re-usable coffee cups at country football matches, in the hopes that those working near electricity will keep the cups handy and remember this vital message.

Leongatha Football Netball Club will be hosting a special "Look up and Live" round event, with giveaways and activities at their game against Traralgon on the 23rd August.

The Look up and Live campaign raises awareness about the dangers of power lines and the precautions that must be taken when working in their vicinity. By educating workers to steer clear of the three metre "no go zone" ESV is hoping to reduce the amount of injuries and literally save lives.

ESV would like to remind everyone to not take risks with power lines, think of your loved ones and your family. Follow the below safety precautions and Look up and Live. Identify all electrical hazards and power lines before starting work, specifically at dawn or dusk when there is low visibility.

Remember that electricity can jump gaps. If in any doubt contact the local electricity distribution company

- Ensure an ESV registered spotter is on hand when working anywhere near overhead power lines
- Monitor weather conditions as power lines can sag in extreme heat and sway in strong winds
- Relocate bulk delivery storage sites to a safe area away from power lines
- Only tip material near power lines as a last resort when there is no other location and never raise the tray of tipper trucks when underneath power lines
- Suppliers of bulk materials must ascertain, when taking orders, the delivery point on the farm for the load, the proximity of power lines and the safety precautions in place when working near power lines
- Drivers should refuse to deliver loads if their safety is compromised in any way
- Display LOOK UP AND LIVE stickers on any machinery or equipment which is to be raised overhead

Remember – everyone involved in the delivery of material has a duty of care to ensure the safety of themselves and others

# St Pat's claims Herald Sun Shield title

**Ballarat's St Patrick's College has over powered Box Hill Secondary College to secure a record breaking fifth consecutive Herald Sun Shield title.**

A dominant first term saw St Pat's sprint to a five goal lead and while they never quite broke the shackles, their class in the end proved too much for a gallant Box Hill SC.

The 12.12 (84) to 5.5 (35) victory at the MCG last Friday night was built largely on St Pat's drive off half back that so often came from the dashing Tom Templeton (Nth Ballarat Rebels).

The silky-skilled left-footer played with poise that enabled his team to sit more than five goals clear for the majority of the night.

Joel Cowan (Nth Ballarat Rebels) was also instrumental with his long kicking, while twin towers Jesse Palmer (Nth Ballarat Rebels) and Brenton Payne (Western Jets) caused plenty of headaches up forward.

The class of captain Liam Duggan (Western Jets), who pulled down mark of the day in the final term, and Dan Butler (Nth Ballarat Rebels) was also important for the winners.

Palmer and Butler joined fellow Rebels team mates Jacob Wheelahan and Jacob Hopper with two goals apiece, with the latter's finishing a feature.

Box Hill Secondary College, aiming to be just the second State school to prevail in the prestigious competition, was far from disgraced and after quarter time showed their willingness to compete.

Key forward Rob Maibaum kick started his side with two goals in a minute early in the second term, after a goalless opening stanza.

With Jayden Collins (Eastern Ranges) battling hard in the ruck, and Kyle Margaritas and Jarrod West winning plenty of the ball, Box Hill SC took it right to their more fancied opponents.

Speedy half forward Tieren Barbera was another making an impact and by at half time the margin was back to 32 points.

Despite keeping the pressure up in the second half, an effort typified by the work of Captain Liam Kinsella

(Oakleigh Chargers), Box Hill SC's turnovers prevented the underdogs from ever mounting a serious challenge.

The large contingent of St Patrick's students who made the trip from Ballarat made plenty of noise at the final siren as the players in the middle celebrated a 49-point victory and a remarkable fifth consecutive Herald Sun Shield title.

The streak puts St Pat's clear of Assumption College, who won four straight titles from 1987-90 and according to Duggan was a very special achievement.

"To win the School's fifth straight title is really special and to do it with your best mates is just a dream come true," he said.

"It's hard to put into words but we knew the whole School was behind us and we were really keen to do them all proud."

## St Pat's 12.12 (84) d Box Hill SC 5.5 (35)

### Goals

St Pat's: Wheelahan 2, Palmer 2, Butler 2, Hopper 2, Weightman 1, Simpson 1, Spiteri 1, Stuhldrier 1

### Best

St Pats: Templeton, Cowan, Payne, Palmer, Duggan, Butler

# Last Round Wrap: Round 18

**Let's take a look back at all of the Peter Jackson VFL Round 18 action:**

## Collingwood one win away from finals

Collingwood is another step closer to returning to the VFL Legendairy Finals Series after defeating Essendon by 17-points.

Essendon jumped out to a 12-point lead as Shaun Edwards and Jason Ashby gave them the start they needed. It went goal for goal before Tim Allan got the Magpies within three points at quarter time.

It did not take long in the second term for Collingwood to take the lead, Cory Gault and Brodie Grundy made the most of their opportunities up forward. Patrick Karnezis was influential in the middle with 17 disposals as the home side led by nine points at half time.

While the Bombers dominated the final term keeping the home side goalless, they were only able to add two final term majors themselves to fall short by 17-points.

Brodie Grundy was the major goal kicker for Collingwood with three, and was among the best along with Karnezis and Nick Gray.

Tom Bellchambers and Leroy Jetta kicked two each for Essendon, with Nick O'Brien the best in the middle for the Bombers, along with Ariel Steinberg and Anthony Tipungwuti.

## Zebras still in the mix

Sandringham has kept it finals hopes alive with a 45-point win over Coburg.

Coburg kicked the first goal of the game, but it sparked Sandringham's run of eight unanswered goals to complete the first quarter. Spencer White, Will McTaggart and Trent Dennis Lane all kicked two goals to give the home side a 50-point quarter time lead.

Terry Milera and Dennis Lane extended the lead to 61-points at half time, Coburg unable to find a major during the second term.

After Sandringham opened the second half with the first two goals, Coburg finally added its second major – having added 10 behinds between goals.

The Lions fought back in the final term, finishing with five of the last six goals to cut the eventual result to under eight goals.

Dennis-Lane and White led the way up forward for Sandringham with five each, while Sam Dunell, Clint Jones and Myke Cook were among the best.

Ben Clifton was the major goal kicker for Coburg with three, while the best were Cody Mance (20 disposals), Nathan Thomas (25) and Nick Linton.

## Win 14 for Port

Port Melbourne is a win away from locking in a top two spot after a 108-point win over Casey Scorpions.

Just nine points separated the two teams at quarter time, before Port Melbourne went on a six goal to nil second term run to lead by 51-points at half time.

Dan Connors led the way up forward with three of his match high five goals kicked during this term. Toby Pinwill amassed over half of his eventual 33 disposals in the first half, and was a key to the Borough's dominance in the middle along with Shannon Lange who had 23 of his 30 disposals to half time.

After an even third term that provided Port with a 54-point lead at the final change, the home side went on a 10-goal unanswered run in the fourth quarter, with Casey kicking the final goal of the game to end a devastating display by the Borough.

Lange kicked four goals to go with his 30 disposals, and was among the best along with Pinwill and Wooffindin (31 disposals).

Christian Salem and Jack Fitzpatrick kicked two each for Casey, with Bryce Rutherford, James Harnes and Ed Morris the Scorpions' best.

## McBean helps Tigers to win

Richmond claimed its sixth win of the season, with a 98-point victory over Bendigo.

After Bendigo registered the first goal of the game, Richmond replied with the next 10 in a row.

Liam McBean kicked his first two goals of the game in the early stages of the second term, but it was Bendigo's Devin McFarlane who brought the 10 goal run to an end.

Despite Richmond kicking another two goals for the term, Bendigo finished strongly with back to back goals to finish the half, trailing by 51-points.

McBean provided a master class in set shot goal kicking in the third quarter kicking three, helping the Tigers extend their margin to 71-points at the final change.

A five goal to one final term completed the win for Richmond, with captain Ross Young finishing the game with 29 disposals, Chris Knights 28, Ben Lennon 25 and Sam Lloyd 23 and four goals.

*Williamstown and Northern Blues battled it out in blustery conditions.*

Tyrone Downie kicked three goals for the Gold, with Sam Heavyside, Jesse Wallin and Brandon Hayes in the best

### Seagulls secure double chance

Williamstown overcame a slow start to defeat Northern Blues by 40-points at Burbank Oval.

The Blues jumped out to a 22-point quarter time lead with the breeze.

But Williamstown answered in the second term, kicking seven goals to one to jump out to a 20-point half time lead - Ben Casley kicking three goals for the term.

With the breeze in the third term the Northern Blues were unable to hit back, trailing the Seagulls by two points at three quarter time.

The final term was all Williamstown though, as they kept the Blues scoreless while adding five of their own to run out 40-point winners.

Willie Wheeler continued his positive return from injury to again be among the best players, along with Adam Marcon and Anton Woods.

Sam Cattapan was the best for the Blues with 33 disposals, along with Jack Anthony and Nick Holman.

### Roosters finals bound

North Ballarat is now two games clear inside the top eight, after defeating Geelong by 17-points at Eureka Stadium.

It was a slow start for the Roosters as Dom Gleeson, Lincoln McCarthy and Josh Walker helped Geelong to a 28-point quarter time lead.

This was quickly reversed in the second term as North Ballarat kicked five unanswered goals to lead by five points at half time.

The Roosters were out to a 16-point lead half way through the quarter, but two late goals to the Cats cut the margin at three quarter time to under a goal.

After Mitch Wilkins extended the Roosters lead with the first major of the last, it was left to the Jackson's of Thurlow and Hollmer to give the visitors a one point lead nine minutes into the final term.

Wilkins then regained the lead for the Roosters, Nick Couch extended it to 11-points then Wilkins finished the game with his third after the siren to give the Roosters a 17-point win.

Lachie George was best afield for North Ballarat with 33 disposals and two goals, and was joined in the best by Liam Anthony (25) and Tony Lockyer (21).

Walker, Jordan Schroder and Thurlow were the best for Geelong, with Hollmer the only multiple goal kicker with two.

### Another flying start for Footscray

Footscray continues to charge towards a top two finish, with a 40-point win over Werribee Tigers.

Footscray kicked the first eight goals of the game, opening a 49-point quarter time lead with Jarrod Grant the key target early with three goals.

Majak Daw finally kicked the first goal of game for Werribee in second term, before leaving the ground on a stretcher later in the quarter with a leg injury. Footscray extend their margin to 59-points at half time.

It was a more competitive performance by Werribee in the second half, kicking eight goals to five – finishing with a six goal final term – but the damage had been done.

Grant finished with five goals for the Bulldogs, Jason Tutt 3, with two each to Tory Dickson 2 and Ayce Cordy 2. Fletcher Roberts, Tom Young (30 disposals), and captain Nick Lower (28) were the best for the Bulldogs,

Kieren Harper, Jarrod Moore and Nathan Laracy were the best for Werribee, Mason Wood and Addam Maric the only multiple goal kickers with two each.

### Hawks challenged but get points

Box Hill Hawks overcame a third quarter challenge from Frankston to come away with a 30-point win.

In a low scoring affair, the Hawks kept the home side goalless in the first half, taking a 14-point lead into the second half.

In the third term Box Hill jumped out to a five goal lead, as Frankston recorded its ninth behind without scoring a major. But the Dolphins suddenly found the goals and they got to within eight points with the likes of Michael Lourey and Khan Haretuku registering majors.

The final term however belonged to the Hawks, Jonathon Ceglar kicked his second to join Tim O'Brien as the Hawks multiple goal kickers, as the visitors settled to kick three final term goals to win by 30-points.

Kyle Cheney was a rock in defence with 20 disposals, and was among the best along with Mitch Hallahan (28) and Ceglar.

Nick Newman had a huge 40 possessions, and was best on ground with Ben Cavarra and Josh Newman.

**BENDIGO:** At three-quarter time last Saturday night Coach Aussie Jones instructed the players to 'take the game on', keep learning from the experience and play it hard. To the credit of every Bendigo Gold player on the ground, that's exactly what they did. They ran, chased, tackled, led and, when it counted, didn't take a backward step. Although the Tigers were too good, the scoreboard didn't do justice to the effort every one of our players put in. Our Round 19 sponsorship partners include the White Hills Animal Hospital, Jenny's Early Learning Centres, Drilling Solutions Australia, Bendigo Coach Lines, Poyser Motors, Harrison Building, Share Media and North State Security. Their support throughout the season has been highly valued and we encourage all our members to give them their whole-hearted support. Today's match against Box Hill Hawks is another challenge and a great opportunity for the players to showcase their talents against high quality opposition. Irrespective of the result, Box Hill will face a genuinely committed, hard at the ball team, so Go Gold. Bendigo Football Club will hold their Presentation night on Saturday 23rd August at Silks (Bendigo Racecourse). This event will be Bendigo Gold's finale. Anyone interested in attending should contact Laura Naughton on 0400 532 090 or [laura.naughton@afccentralvic.com.au](mailto:laura.naughton@afccentralvic.com.au)

**BOX HILL HAWKS:** With both teams having solid victories over the weekend against Frankston, our seniors turn their attention to Bendigo, in what should be a thrilling encounter between both clubs. We look forward to seeing all our loyal Box Hill Hawks supporters down at City Oval to cheer on the lads. Development League has a bye this weekend. Our final President's Luncheon for 2014 will take place on the 23rd August v Northern Blues starting at 11:30am (ABCTV Fixture). Tickets are \$70 p/head (includes: two course meal, guest speaker, beer wine and soft drink and entry to ground) Tickets can be purchased by contacting the office on 9890 9442. Our 2014 Online Auction has now commenced and there are terrific items up for grabs. To view all auction items, please log on to [www.clubbid.com.au/boxhillhawks](http://www.clubbid.com.au/boxhillhawks). Go Hawks!

**CASEY SCORPIONS:** As the season draws to a close for us for this year the club would like to acknowledge all of our corporate partners for the 2014 season. Their support throughout this year has been fantastic, it's greatly appreciated and we look forward to their continual support for next season. Our annual golf day is next Friday at the Sandhurst Club, the field is nearly full and some spots are still available. Hopefully we will see some Rory McIlroy magic on the day and by the looks of some of the handicaps this is a possibility. Last year's event was a huge success so we are looking to bigger things this year. Next week is our final game for 2014 at Casey Fields against Coburg, so hopefully we can finish the season on a winning note. Friday 19th September is the date the Gardner Clark Medal where we recognise all of this year's player achievements and crown our best player for the year. Pencil in this date and come and celebrate 2014 with us. For all bookings, the latest news and events from the Club head to our website [www.scorpions.com.au](http://www.scorpions.com.au) or you can call the club on 5996 1111. Don't forget also you can get up to the minute news on the Scorp on Twitter and Facebook.

**COBURG:** Congratulations to Daniel Venditti on his 50th VFL senior game this weekend. Ditti's been a wonderful servant over the last three years, including a Jim Sullivan Best and Fairest win last year, and a 3rd place in 2012 to add to his 41 games in the WAFL before coming across to Coburg. Wishing you the best Ditti. We'd also like to congratulate Adam Saad and Michael Hartley for being invited to the AFL State Combine in the lead up to the 2014 AFL Draft. It's a testament to their hard work and extraordinary efforts this season. The Jim Sullivan Best & Fairest will be held on Friday 12th of September at L'Unica Receptions in Brunswick. Tickets are \$100 a head or \$190 per couple, and we're hoping to see a season of many accomplishments celebrated with many people attending. The major raffle for the year is also out, with a \$33,000 caravan courtesy of Supreme Caravans, a Queensland escape, a V8 hot lap, VISA gift cards and many other great prizes up for grabs! Tickets are \$10 and proceeds are going towards the construction of a new gym. For information on these items, contact the

club on 9354 8228, or email us at [info@coburgfc.com.au](mailto:info@coburgfc.com.au)

**COLLINGWOOD:** The VFL Magpies saluted in what could be described as a scrappy win over a desperate Essendon outfit fighting to keep in touch with the 8.

In what was our second ABC TV game of the year - Collingwood fans would've been delighted to hear the dulcet tones and humour of one Ben Hudson as he provided Special Comments. With a very early start this morning at the cattery, we're expecting a Geelong team turn up with their claws out as their season is well and truly on the line. It will provide a really good test for the group as Geelong has been a highly competitive team for a long time at VFL level. Tickets are still available for the Collingwood Forever Gala on August 27th from the club, check the website for more details. Collingwood fans can follow the live blog of all VFL games as well as find plenty of content by heading to [collingwoodfc.com.au](http://collingwoodfc.com.au) Follow us at [twitter.com/CollingwoodFC](https://twitter.com/CollingwoodFC). **ESSENDON:** This week we play Richmond at Highgate Recreation Reserve. The Dons are still mathematically alive for the finals, however will have to rely on

other results falling our way. It will be a tough game against Richmond who are coming off a solid performance against Bendigo last week. This week we also celebrate VFL Multicultural Round and the International Cup at Highgate with the India v Pakistan game to follow the VFL game under lights. This is a fantastic initiative by AFL Victoria to showcase part of the AFL International Cup. For all other information on Essendon's VFL side please visit [www.essendonfc.com.au](http://www.essendonfc.com.au) or follow us on twitter @EssendonVFL.

**FOOTSCRAY:** The Casey Scorpions may be out of finals contention but their recent string of performances proves the Footscray Bulldogs will

need a four quarter effort to overcome the determined 14th placed outfit. Mixed results in 2014 have hampered

the Scorpions but two of the side's wins have come from the past four rounds, showing an increased competitiveness on the run home. A number of Melbourne Demons' listed players have been prominent in Casey's recent lift in form and will give the Bulldogs emerging players the opportunity to test themselves once again against AFL listed talent. Footscray will be looking to make it four from four wins, as they firm as one of the form teams of the competition heading into their first VFL finals campaign as a standalone side. The Bulldogs are giving members and fans the chance to win a host of prizes in their annual Bonanza Raffle in 2014. With all proceeds going towards the improvement of facilities at VU Whitten Oval, including the upgrade of opposition change rooms, you will also be contributing to the VFL side. Purchase tickets to the Bonanza Raffle now via the Bulldogs official website. **The Roosters**

**NORTH BALLARAT:** The Selkirk

Roosters are aiming to make their first VFL Finals appearance in three years and with a very hard fought win over a gutsy Geelong outfit, they are getting closer. This week will prove a huge task

as the Roosters take on Williamstown. The game is at Eureka Stadium which has been kind to the Roosters this season, but it will take more than a home ground advantage to get the job done. A curtain raiser is being played too, with the International Cup game between the Finland Icebreakers and the China Dragons commencing from 11.10am. The Roosters are also hosting an AFL Grand Final preview luncheon on Friday September 26th. A wonderful annual event, this year's instalment will feature guest speakers Nathan Thompson and David Schwartz. More information on this event can be found by visiting [www.theroosters.com.au](http://www.theroosters.com.au) or by getting in touch with Mark Bruty at the Club via [markbruty@theroosters.com.au](mailto:markbruty@theroosters.com.au). Places are limited and filling up fast, so make sure you book early. Go Roosters!

**NORTHERN BLUES:** Last weekend the Blues went down to Williamstown by 40-points so we will be looking to bounce back in

our last home game for the year this week against Port Melbourne. As next Saturday is our final game of the home and away season we would love to see as many supporters travel to Box Hill City Oval to show their support for the boys when we take on the Hawks. The club would also like to invite all supporters to our final business breakfast for the year coming up on September 12th held at Bell City, between 7:15am and 9:00am; tickets are \$50 and include a hot breakfast and guest speakers. **WERRIBEE TIGERS:** Welcome to our last home game for 2014. Welcome to the ABC TV team as well, it is always good to have the Tigers live on television across the state. Today we

play Sandringham and a win will ensure we play finals for the fourth year running. Our match day sponsor is Bartercard and today we have thrown the gates open at Avalon Airport Oval with free admission for all. The players, coaches and board have unanimously voted to appoint Jarred Moore as sole captain of the club as we head into the finals for 2014. Don't forget the 2014 Bruce Montgomery Trophy will be presented on Thursday September 25th at the Moonee Valley Racing Club. Bookings are available through Janelle at the club on 97416688. **WILLIAMSTOWN:** Well done to both teams last week for reversing our Round 1 results against the Northern Blues at home. Thanks again to all our supporters who

attended our final home game for the year at Burbank Oval. We look forward to lots of support on the road for our final two home & away matches and of course throughout our finals campaign. Congratulations to Jack Johnstone, Adam Marcon and Jake Owen who have all been invited to the AFL Draft State Combine held in October. This is great recognition for the three players of their form this season and we wish them all the best in their draft aspirations. Our 2014 Presentation Night will be held at the Williamstown Town Hall on Friday the 3rd of October.
