

Join us on Friday, 5th September from midday to 4.30pm for our annual Sportsman's Lunch at Hotel Steyne, Manly Beach.

This year's event celebrates the northern beaches' sporting pedigree, recognising the success of our local teams across AFL, Rugby League and Basketball.

Kevin Sheedy will entertain, enthral and most likely say something just a little contentious as he hosts a brief panel discussing what it is that makes for a successful club culture, with insights from panellists representing our local sporting organisations.

The event is also raising funds for a multi-function scoreboard for our home ground at Weldon Oval, Curl Curl, which will also be utilised by the Manly Warringah Cricket Club throughout summer.

So get online today to book your tickets!
