## Netball tryouts

**Working within our community to develop elite netballers of the future**

For the better part of the last 20 years we have developed players that have gone on to represent Victoria and Australia both in junior and senior ranks, the likes of Jess Thomas, Briony Cargill and Renae Hallinan just to name a few. Renae, was part of Australia's gold medal winning team at the recent Commonwealth Games. Our record speaks for its self, but it takes effort and dedication. We are here to help you along the way.

Last year we merged with Monash University Storm. This direct association offers developing netballers a potentially seamless pathway into the Victorian Netball League.

Another cracking weekend for football and netball last week and more close and exciting results were the order of the two days. Great sporting entertainment at all our venues was the result.

Having said that we need to get a couple of issues addressed early on this week.

Firstly, while we have the greatest respect for club volunteers who man scoreboards, host clubs need to ensure there is more than one person keeping score and operating the scoreboard at their venue. As was evident in the Casey Cardinia League last week, close games can be very emotional and we all know that draws now mean extra time will be played, so accuracy on the scoreboard is imperative.

Secondly, Team Managers please ensure all information on the finals team sheet supplied before the game is 100 per cent accurate. This was an issue in a Peninsula League final last weekend and it created confusion for both competing clubs. Any alterations MUST be communicated BEFORE the game – it's that simple.

The league and all members and supporters wish to congratulate all Casey Cardinia League award winners who were presented at last Monday night's vote count evening at The Sandhurst Club. There were some very exciting counts – none more than in the senior grade which produced a tie between Pakenham's Dom Paynter and Beaconsfield star Scott Meyer for the Norm Walker Medal. Other major individual recipients included Bill Williamson medallist Jack Kowarzik from Pakenham, George Gilmore medallist Tristian Rosario and Under 17 Medal winner Jarryd Trait both from Berwick. Scott Meyer also won the 2014 MVP award.

The evening was a great success again and particular congratulations for all who attended and represented their clubs with pride and respect. The behaviour and attention given to the callers and the winners of awards throughout the night was excellent, and demonstrated

## Office Talk

the professional attitudes now being promoted through our clubs from the top down.

The combined Peninsula and Nepean League event will be held this Monday, 15 September at Mornington racecourse. The night start at 6.30pm and tickets are available by contacting your club.

Clubs are now winding their seasons up and that is an important part of the preparation for next season. Many will be looking for new committee members for 2015 and also coaches to replace on-field leaders who are moving on. There are already a number of coaching positions being advertised across our region and the office is happy to assist this effort through our records or various electronic communication platforms.

We are entering what is often called the 'silly season' and the focus for those in charge must be to complete the legal and constitutional requirements of their clubs, in particular on their finances and auditing, and then conduct any and all business in a professional and open manner.

Again we remind patrons to be mindful of enjoying the finals series with respect for all others who are attending.

All PCNSA finals venues will be strictly monitored by police and security staff to ensure no alcohol is brought into any venue and that any alcohol purchased is consumed responsibly in the appropriate 'wet' areas at grounds by persons over the age of 18.

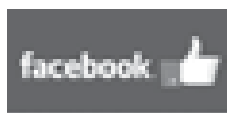

Good luck to all finalists this weekend.

## MID-STRENGTH APPROACH AT CHFL GRAND FINAL

Huge crowds are expected to gather at Eureka Stadium in Ballarat this weekend for the Central Highlands Football League Grand Final.

As they will at venues across country Victoria, supporters will pile into grounds to witness the battle for the Premiership Cup, with some enjoying alcoholic beverages as they cheer on the men in the middle.

While traditionally alcohol consumption has been part and parcel of these occasions, a recent research project commissioned by AFL Victoria and conducted by La Trobe University's Centre for Sport and Social Impact shows cultures can, and are, changing.

A violent incident at the 2009 Central Highlands league Grand Final in which police were injured and the SWOT team was forced to attend, was the catalyst for the league implementing an Alcohol Management Plan.

A key part of the plan was serving only mid-strength beer, a move that research shows has improved the overall culture at one of the Ballarat region's most popular sporting events.

The nine point alcohol management plan included the following:

- Sale of mid-strength alcohol only
- Zero tolerance of underage drinking and misbehaviour
- Visual presence with increased security and police, and bag checks at the gate
- Posters detailing offences and penalties relating to alcohol
- Regulation of car parks, with a club allocation to be given to the elderly and families with pre-school children only
- Large 'dry areas' implemented in trouble spots

The research included surveys with football spectators at the 2013 CHFL Grand Final and interviews with key stakeholders within the CHFL and Central Highlands Netball League.

While some stakeholders and clubs in the league thought the 2009 incident was an isolated one, the overwhelming consensus was that the results had been positive and the plan worthwhile.

There was almost complete agreement that the action taken had benefited the league and transformed the culture of Grand Final day.

There has been no major incidents since the introduction of the mid-strength alcohol policy and coupled with other strategies such as dry areas and increased secu-

urity checks, most believe the event is now more family friendly than ever.

These changes have also coincided with an increase in attendance while having minimal impact on bar sales.

More than 50 per cent of people interviewed on Grand Final day thought the mid-strength trial was a good idea, with one third of the drinking crowd reporting that they now drink less at the event.

AFL Victoria Cultural Strategy Manager John Strachan said taking a responsible approach to drinking was important for all leagues.

"The focus of clubs and leagues needs to be on creating healthy, safe and welcoming environments for participants, whether they be players, coaches, umpires, volunteers or supporters," he said.

"This research project identifies the outcomes that can be achieved by developing a comprehensive plan for alcohol management."

"It's not about eliminating alcohol altogether but rather taking steps to ensure it is consumed responsibly and that it doesn't detract from the many positive social benefits that stem from community football."

## Drawn Finals

**NO FINALS WILL BE REPLAYED  
IN CASE OF A DRAW IN ANY FINALS GAMES  
EXTRA TIME WILL BE PLAYED**

In the event of scores being level at the elapsed time, the timekeepers are instructed to sound the siren. The field umpires shall then.

- a) Direct the goal umpires to consult with each other as to the correct score. Teams are required to stay on the ground until goal umpires confirm scores correct.
- b) On receiving confirmation that the scores are level instruct both captains that the match shall recommence with the teams kicking to the same end as in the final quarter and that two five minute periods (with time on) shall be played with teams exchanging ends after the first five minute period immediately after the siren sounds.
- c) Consult both captains as to their readiness to recommence the match.
- d) Hold the ball aloft to indicate to the timekeepers that the match is about to recommence.
- e) The timekeeper shall then sound the siren and the match will recommence.
- f) In the event of scores being level after the two five minute periods, a further two five minute periods (with time on) shall be played with clubs exchanging ends after the first five minute period.

This process shall continue until there is a result.

Coaches are not permitted to address players at any stage after the three-quarter time interval

## What just happened?

Last weekend Beaconsfield had a dream that they would down Casey Cardinia League super side Narre Warren and move into the 2014 Grand Final with a week's break. On paper it was far-fetched and akin to wishing for world peace. That hope was expected to remain until the final siren of the second semi-final when the Eagles players would wake up and find themselves in a preliminary final. Well unbelievable as it may seem – the dream is alive after the Eagles caused the upset of the year.

Even the scoreboard attendants were thinking that Narre Warren would win at the end of the game but a quick check saw the Eagles with the week's break courtesy of the barest margin.

Berwick bowed out of the finals race on Sunday courtesy of a comprehensive dismantling at the hands of Cranbourne. The Wickers have had an interesting season that has ranged from brilliant to confusing to downright disappointing. The big plus for Rhys Nisbet's side is that they now present as a team off field and, more often than not, play like one on it. This augers well for next year but unfortunately for the lads from the Edwin Flack Reserve, they will be watching on with envy over the next two weeks.

## Preliminary Final

Narre Warren will go into this weekend's game as strong favourites against bitter rivals Cranbourne but that will be cold comfort for Magpie fans after last week's shock finals loss to Beaconsfield. Despite finishing the game full of running the Magpies went down and the fact that

they have been head and shoulders above the rest for the season meant nothing in the end. Cranbourne's effort to bounce back against Pakenham was full of merit and the game was as good as over at half time. Beaconsfield's Holm Park Road Reserve creates a neutral venue that will favour neither side so fans can expect a close and, more importantly desperate affair.

Eagles supporters had plenty to cheer about on the weekend and the Magpie brains trust would have been taking notes. High on the list of plusses was the superb performance of star midfielder Curtis Barker, who often looks unfashionable but always has a major influence on every contest he is part of. He is one of those players who maintains his feet and composure as others fall away and that is gold in modern football. Barker had assistance around the packs from tough team mate Leigh Holt together with Matt Weller and the Wickers simply capitulated in the clinches.

Narre Warren's reaction to the shock second semi-final loss will decide how this week's match is contested. While the Magpies edge in class is undeniable, there is an elephant in the room and that is injuries. Josh Tonna is absent and interleague centre half-back Kain Baskaya looked proppy after the weekend's game and a huge hole will be made if he does not come up for the cut-throat final. As suggested last week the Magpies do have great depth so there will be no panic. The positives from last weekend included the top-notch performances of Jake Richardson, Ryan Morrison and under 19 prodigy Hayden Stagg.

Given good conditions it is anticipated that this week's game will be highlighted by attack because both sides will be out to prove that the other can be dismantled by forward pressure.

The Magpies have goal scoring options led by century spearhead Kerem Baskaya, Aaron McIver, Chris Collins,

Nick Scanlon and his brother Stewart. The battle between Baskaya and Cranbourne blanket Brandon Osborne will be worth watching particularly if the game is close. Inform star Nick Scanlon will likely spend time in the mid-field and could run in to Eagles half-back playmaker Nick Barker when he is forward, so he will need to include a defensive string to his bow this week.

The Eagles attack boasts the strength of Marc Holt and secondary marking forward Michael Theodoridis, together with the finesse of elusive star Ryan Jones. Those names would put fear into any defensive unit and how the Magpies line up to take on the task of stopping them will be interesting to watch. The job will fall to reliable youngster Ben King along with Lee Boyle, Ben Wragg and Kain Baskaya if he plays. They may need a serious chop-out from the side's midfielders if the pressure is applied.

Cranbourne coach Scott Sutherland was the first to devise a successful plan to down the Magpies after 44 straight wins and, while it may not be a big thing, it will be in the back of the mind of his Magpie counterpart Chris Toner. Toner will not allow any complacency to creep in to this group of players, that is for sure.

Cranbourne oozes class with strong marking big men Michael Boland, Stuart Morrish and Troy Tharle, supported by experienced team mates Mat Rus, Mat Fletcher and Luke Bee-Hugo as the side's prime movers.

However the Magpies have just as many, if not more players in that boat. Names like Michael Collins, Steve Watson, Col McNamara, Dylan Quirk, Justin Marriott and Jackson Parker are among many Fox Road household stars that football fans expect to see listed as game-breakers.

These two foes would not have expected to see each other before the grand final after Cranbourne's qualifying final loss a fortnight ago so there will be a fair degree of nervous energy about this game. The head-to-head score for 2014 stands at one-all, with the margins being six points to the Eagles and 10 points to the Magpies. Their last meeting gives a small pointer to this weekend's result with Narre Warren having 10 more shots at goal in round 18. The feeling is that last Sunday's loss was an aberration on the way to the grand final and that the Magpies will take their place in the big dance and meet Beaconsfield for the ultimate prize.

## Football Preview

### Reserves

As predicted Narre Warren catapulted into the grand final but only after a real battle last weekend, leaving Berwick and Pakenham to argue the point about who challenges them for the silverware. This weekend's game could be the highlight of the reserves finals series.

Pakenham outran Cranbourne last weekend with coach Darren Sidebottom giving players like Sean Winsall, Chris Cardona, Jake Kowarzik and veteran Chad Shooter license to take the game on. That they did and that they will have to do again with even more vigour on Sunday. Matt Castricum's Wickers were beaten but not disgraced and will be keen to earn another week's training. With the seniors out of the running, there might be a change or two in line, but with Mitch Talbott, Jayden Joyce, Todd Harold and Nick Macente leading the charge, there is no reason to believe that will not happen.

The key to this game will be which side starts quickest and then controls the tempo. Berwick maintains a slight edge.

### Under 17s and Under 19s

Berwick and Cranbourne will fight it out for the honour of playing hot premierships favourites Narre Warren this weekend and another crackerjack match should be the result. These two sides have been vying for this spot for most of the season and the one that makes it will give itself a really good show of taking the year's ultimate prize. Berwick should have learned its lesson and is tipped to be the one.

The Under 17s script was another one that did not follow its lines and this weekend Narre Warren must make amends for a second semi-final defeat and down Doveton as they did a fortnight ago. The Magpies are a top quality side but the Doves are good learners and might just surprise their opposition with a grand final berth on the line. Berwick awaits in the big one and that will be enough incentive for Narre Warren to get the win.

## Narre Warren Magpies

Today sees Narre playing for a grand final berth in both the seniors and Under 17s, with our places in the Under 19s and Reserves grannies already locked in after their outstanding wins last week. Again, a superb effort by all our players, coaches and support crews throughout 2014, to have all our four Narre teams still in the mix at this second-last hurdle, and all playing good footy.

Our Seniors played below par last week, but fell just a point short against Beaconsfield. After a great week on the track we'll aim to change things up against Cranny today for a chance at the major prize.

Narre's Under 17s also lost a close one in a last-kick-of-the-day semi-final result against Berwick, and go in to today's clash confident that our best footy is as good as anyone's in this competition.

To our coaches – Chris Toner, Stuey Stephenson, Matt Shinnars and Peter Hoffman – NWFNC's committee, members and supporters never underestimate the enormous time commitment and passion you bring to your roles, and from here we know the players will draw deep to reward you with premiership success.

Narre's Club Presentation Nights are booked in:

- Under 17s/19s Football and Under 17s Netball at Berwick Bowling Club, Friday 10 October. \$50 per person.

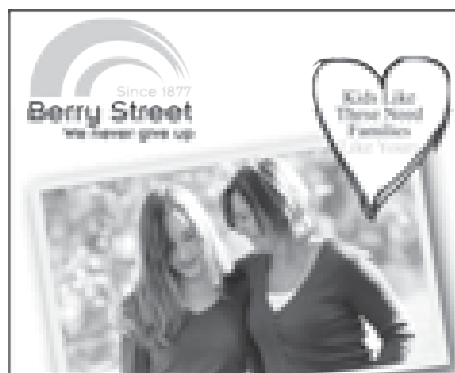

- Seniors Football and Netball Presentation at Cranbourne Golf Club, Saturday 11 October. \$70 per person.

Tickets are available until this Wednesday 17 September. To book see Janette McGill at the club or phone her on 0438876040.

## Doveton Doves

What a thriller last week's under 17 first semi final turned out to be! The boys broke away to a four goal lead in the first quarter with some great hard at it football and looked to be back to their best form. They carried their good form into the second with the first goal, but Cranny came back with two late goals to cut the boys lead to seventeen points at half time. The second half saw Cranbourne claw their way back to level the scores and set up an exciting last few minutes. With only seconds to go Josh Battle takes a great pack mark and kicks the ball straight through the middle for a great win (every players dream). Well done boys everyone put in a great game. Also well done to the under thirteen netballers advancing to the preliminary final. The A Graders suffered their first defeat for the season and will also be playing in the Preliminary for a chance to advance to the grand final. The Doveton Football Netball Club presentation night is on the 26th September starting at 7pm at the rooms in the form of a cocktail party. Dress code is semi-formal with strictly NO denim. Please see Debby Henwood for tickets as numbers will be limited, DJ and food provided - "No ticket - No entry" Best of luck to all teams today A special thanks to our sponsors in Agee Panels, Allcar Towing, AusReo, Booran Motors Dandenong, Botanic Homes, Burton Partners, Endeavour Cellars, Intertrading Australia, R&A Concreting, SBG and VicMix. Go Doves.

### Cranbourne Eagles

Two out and two remain after a mixed weekend in Week 2 of the Finals. The U/17's suffered the heartbreak of defeat after the siren and the Reserves were very competitive but ran out of legs. Both sides have been hindered by injury and selection pressures and can be very proud of their efforts during the year. The U/19's get another chance after falling short on Saturday, again injuries hindered their chances but hopefully today see's them bounce back to push through to the GF next week. The seniors were rarely troubled by Berwick and probably should have won by more. What a day today promises to be against Narre, no second chances. Get back to the club tonight to hopefully celebrate today's success. Congratulations to the Super Rules Reserves who are through to the Grand Final tomorrow at Casey Fields, get along and support the boys. Don't forget tickets to the Cranny Cup footy club marquee are on sale and selling fast, \$125 per head. Your ticket includes beer, wine, soft drink, food, entry topped off by being entertained by Mark Seymour. Get your tickets now for this and for Presentation night (October 4 - \$65 per head at the newly renovated Turf Club) from Sue Rus. Good luck to our two footy sides and three netball teams this week. Follow our progress on Facebook, Instagram and Twitter @Crann-FNC. Go Eagles.

### Berwick Wickers

Mixed results for the weekend with our the season over for our Seniors but the remaining teams still well in contention. A late goal secured a GF appearance for Traity's boys, the future looks terrific for our club with a number of talented boys running around in the 17's. Moon and Bishop leading from the front with a relentless attack at the footy, Nelson and Thomas both continue their great seasons while Harrison was also among the better players. The 19's booked a spot in the Prelim, Segiti 5 goals and some strong marking was outstanding. Webby controlled the back half while Shaw and Zeeman were also among the better players. If the 19's put another 4 qtr performance this week a GF spot is up for grabs. The Reserves after a solid start fell away in the second half and will need to regroup this week to make their 3rd consecutive GF appearance. On the weekend Joycey was best on never beaten in the contest, he had plenty of help down back with Westy, Mitchy, Macente, Zimby and Todd Harold all performing well. The Seniors finished the weekend going down to an experienced finals opponent, Mitchy 4 and Waite 3 were the major goal scorers, "the little gladiator" PVS was impressive, Yieldsy continues to show experience way above his years, Mozza and Barnsey were again terrific capping of a very good final series for them. The Senior team will now rally around and support our other Football and Netball teams in their efforts to secure a Premiership Flag. Go Wickers

## Pakenham Lions

With only the Reserve's left in the finals series for the Pakenham Football Club, it was up to them to win their 1st Semi Final against Cranbourne last week, so that Pakenham could have a team represented on Preliminary Final Day. In what was a fantastic day for finals football, the Reserve's came out on top of Cranbourne to book a spot against Berwick this afternoon. We wish the Ressie's all the best on their quest of a Grand Final berth for next weekend.

**CONDOLENCES -:** The Pakenham Football Club wish to pass on our sincere condolences to the Webster family on the sad passing of Noel Webster. Noel was not only a Premiership Player with the football club, but also a Life Member and Lions Tamer member of the football club.

**PLATINUM SPONSOR NEWS FOR 2015 -:** On behalf of the Pakenham Football Club, we would like to announce that PROFINE Building Group has agreed to be our Platinum Sponsor for season 2015. The partnership between PROFINE Building Group commenced at the start of the 2013 season and we are truly grateful that this partnership will continue into next year.

**PRESENTATION NIGHT -:** Presentation night for season 2014 is on Friday the 26th of September at 7pm in the function room at the club. Tickets are \$60 per couple, which includes a 2 course meal and drinks at bar prices and dress code is formal. At the conclusion of the awards ceremony, we have DJ Scot from Seraphim Events to entertain the attendees'.

## Beaconsfield Eagles

Well, Well, Well, a week off for our Senior team this week after a hard fought victory against a fast finishing Narre in a classic contest last Saturday at Pakenham. Games like these illustrate why people are flocking to local Footy in droves & abandoning the AFL corporate offering that is dished up to us by an out of touch regime at AFL headquarters. LONG LIVE GRASSROOTS FOOTY.

The U19's went down to a very accurate Berwick on Sunday in a disappointing end to a promising season. These boys need to look no further than their coach Kris Fletcher for a perfect example of how to prepare for the best chance of playing good disciplined football. A good hard honest look at yourselves boys & come back next year with a more mature outlook & the results will come. The Club would like to congratulate Scott Meyer on his second consecutive League Best & Fairest Award & also acknowledge Dom Paynter from Pakenham who tied with Scotty for the award. With both our Senior Football & Netball teams in the Grand Final we look forward to a massive turn out at Berwick next Saturday to cheer on our teams to victory. Don't forget to get down to the Club on Thursday for a meal & a drink with our players and supporters as we announce the teams to represent our club in their Grand Final games. **PRESENTATION NIGHT -** Seniors & Reserves 26th Sept & U17's/U19's 3rd October. **COX PLATE RACE DAY** 25th Oct, **ANNUAL FAMILY DAY** 30th November. ## Finals Are Here!!

Just a short piece this week, and it is just a bit of house-keeping. The Board of Management are continually looking for ways to improve record keeping, as we have lost a lot of umpiring statistics for many reasons over the course of our 50-plus year history. So we are asking for members to come forward if they believe they have knowledge or records to show the number of matches you have umpired. Whether it is diary records, or you have printed every appointment slip for the past 10 years, we would like to know. We are also asking for umpires, who believe they have umpired for 15 years or more, and qualify for Life Membership, and may have some records to substantiate this, to also make us aware. If you head to the website, there will be a link with contact information. We are hoping this will begin the process of sound record keeping, so in the future we have accurate records of Life Membership, Games Records and Milestones. Thank you for your honesty and help with this.

\*\*\* Stay tuned next week for the bumper grand final edition where we will have a recap of the year with the one and only Peter 'Fossil' Marshall. He will give us his insights to the year and how he saw all things umpiring. Will also include the final Umpire Profile for the year, which should not be missed! \*\*\*

### Upcoming Events

PCNSA Grand Final Appointments Night: Wed, 17th September 2014 @ 7.30pm @ Seaford. The night where we find out who the lucky umpires are who will officiate in the PCNSA Grand Finals in the 17's, 18's, 19's, Reserves and Seniors in all 3 Leagues! The night begins with the Life

Member and Sponsors Function from 6pm, and then with presentation to begin from 7.30pm with guest speaker, former Olympian Peter Blackburn.

VSHL-SUA Presentation Night: Sat, 18th October 2014 @ 7pm @ Cranbourne Turf Club. The annual SUA Presentation Night is coming. The venue will be at the Cranbourne Turf Club and this year is shaping to be one of the biggest ever - with a three course meal and the presentation of many different awards in each discipline. Save the date on your calendar and be sure to secure your spot by seeing Steven Richards for a ticket when he is at Fountain Gate or Seaford. Running members receive their ticket for free and guests are \$50. - More information at the SUA Website or the TeamApp.

AGM: Wed 26th November 2014 @ 7pm @ Seaford. The VSHL-SUA Annual General Meeting will be held tonight at 7pm at Seaford HQ. We ask all members to attend, or send their apologies to office.sua@gmail.com.

## Stingrays News

### *Geelong Falcons stung by Stingrays....*

The Dandenong Southern Stingrays continue to prove the experts wrong with a frantic 53 point win against the Geelong Falcons in the TAC Cup Semifinal, which was played on Sunday at Visy Park Carlton in slightly windy but perfect Spring like conditions. The Falcons had the wood over the Stingrays in season 2014 with strong wins, the most recent a 10 goal win two weeks ago in the final home and away game. But a 20 goal turnaround from the last outing two weeks ago has plenty scratching their heads. Even dominating early and matching the Stingrays on inside 50 entries it wasn't to be the Falcons day with their season coming to a crashing end, with most experts having them easily through to next week to take on the Calder Cannons. In perfect conditions the Stingrays kicked against the swirling breeze but defended gallantly denying the Falcons any goals, which would be the theme for the remainder of the day. The start of the game was a low scoring affair, with the ball bouncing between the arcs until Aaron Wilson kicked truly for the first goal of the match from a coast to coast movement at the thirteen minute mark. The Falcons were dominating the play and we went forward often enough, but they didn't use the ball anywhere near good enough for TAC Cup level allowing the Stingrays defenders to pick off the high ball and continue to rebound it forward who in turn were wasting their opportunities. Jack Lonie added the Stingrays second goal moments before the siren sounded giving the Stingray a 10 point lead at the first break. The second term was similar to the first with the game played at a fast pace with all goals being setting up from rebound entries. The first goal going to the Falcons after a poor inside 50 entry, but two quick replies went to the Stingrays before a 50 metre penalty allowed the Falcons to kick their second bringing the margin back to 2 straight kicks. It was shaping up for another cracking game. The Stingrays playing group seemed to lift and movement inside the Stingrays 50 became more measured and direct with goals coming through Lachlan Williams and Mitch Cox to go to the long break with a handy 24 point led. At half time Dandenong Stingrays Coach Craig Black asked his players to continue to take the game on, but directed them to lower their eyes more and look lateral for the spare and to honor the runners. The Stingrays had led at every break, finally putting the game beyond doubt in the premiership quarter, powering

away to establish a match-winning 40-point lead which they continued to increase that in the final term. There was intense pressure around the uncontested ball and courage called upon time and time again, with the Stingrays playing group growing in confidence after numerous individual acts. It was led by Dandenong' Co Captain, the ever dangerous pocket dynamite Jack Lonie who did the damage kicking three of his five goals. The Falcons tried three different opponents on him in an attempt to nullify his influence but Lonie was back to his MVP Vic Country best slicing the opposition and stamping his mark on the big stage. Jack was supported superbly by Tom Lamb who was dangerous wherever the coaches moved him to, kicking two beautiful goals. There were 7 other individual goal kickers, 5 being midfielders making it hard for any team to close down the scoring. The Stingrays backline was solid all day with Kyle Gray and Mitch White raising their hands as key utilities, along with a match winning performance by Dan Moloney on the ever dangerous Alan Christensen limiting him to less than 10 possession and no goals which hasn't been done many times this year. Remarkably, the Falcons finished with 9 more inside 50 entries than the Dandenong Stingrays but they were unable to take their opportunities and that ended up being the difference in the finish. The win now sees the Stingrays one win away from a back-to-back Grand Final appearances, which would be a huge effort after finishing outside the top 4. This week's game for the Stingrays is a repeat of last year's Preliminary Final match against the Calder Cannons, which will be played at Visy Park, Carlton on Saturday 13th September at 11.30am. Entry is free. After the game Stingrays Coach Black said, "Couldn't be happier for the players at this stage...a few weeks ago they got a reality check, we the coaching group gave them the advice needed and for two weeks in a row they have followed our instructions to a tee." Black went onto say, "Today as the game went on I think we got better...we were lucky in the first half the Falcons didn't put us away on the scoreboard as they had more of the footy and more inside 50's...we did defended well though and take they missed probably two of their best players this year." "The boys will be sick of hearing it from me but I say to them if the effort is there the result will come....22 players gave us effort today so we now get to play in another round of finals where anything can happen, as long as we turn up to play."

# Netball Preview

**S**emi Final action continued in bright, sunny conditions at Pakenham and Beaconsfield over the weekend. The top of the ladder sides got an opportunity to hit the court after a week off.

The 13 Red and 13 White 2nd Semi Finals were both decided by four goals on Saturday. Top of the ladder Narre Warren put together a strong second half to combat Beaconsfield's early lead and earn their place in the Grand Final. In the 13 White section Beaconsfield moved straight through to the Grand Final after defeating Doveton. The 1st Semi Finals saw through Doveton win to score another chance against Beaconsfield in the 13 Red Preliminary Final. Pakenham were convincing winners over ROC to progress to the 13 White Preliminary Final. In the 15 Red section, Narre Warren scored the first upset of the day defeating top of the ladder, Beaconsfield by nine goals. Beaconsfield will face Pakenham in the Preliminary Final, after their resounding win over ROC. In the 15 White section, Narre Warren continued their unbeaten run with an impressive second half that saw them defeat Pakenham 33 -15. ROC progressed to the 15 White Preliminary Final after a one goal win against Berwick.

The 17 Red match shaped up to be the best display of clean, skilled netball for the day with Narre Warren providing an upset over the undefeated ROC side. Narre Warren built on an early lead to win by eight goals and earn a spot in the Grand Final. In the 17 White match, Narre Warren held an early lead before Pakenham closed it up to make for a nail biting last quarter. Narre Warren secured a one goal victory on the final whistle and place in the Grand Final.

After a defensive, low scoring first quarter, Beaconsfield surged ahead to be convincing winners over Cranbourne in D Grade. Berwick won the knock out semi-final against Pakenham to earn a chance in the Preliminary Final against Cranbourne.

Beaconsfield were convincing winners over Berwick in the C Grade semi-final. The unchanged line up built their lead to score a 16 goal resounding win. Cranbourne scored an upset defeating Narre Warren by six goals to progress to the Preliminary Final where they will be aiming to keep their final campaign going against Berwick.

After an even first quarter in the B Grade Semi Final, Keysborough's unchanged team built a ten goal lead, capitalising on Narre Warren's inaccuracy. With the margin at seven goals at ¾ time, a determined Narre Warren pegged back the lead to level the scores with six minutes remaining. After a timely injury break, Keysborough regained composure to record a four goal win and earn their place in the Grand Final. Following their gallant win in the Elimination Final, Tooradin took on Berwick in the Sunday Semi Final. The first quarter was tight and defensive before Berwick stepped up their intensity to win by eight goals. They now face Narre Warren in the Preliminary Final.

The much anticipated A Grade match lived up to the expectation of a hard fought contest. Beaconsfield begun strongly against Doveton, capitalising on the unsettled

Doves line up and building a 13 goal lead. With some mid court shuffling and the injection of youth into the goal circle, Doveton fought back to two down to make for a thrilling last quarter. Led by their experienced finals campaigners, Beaconsfield steadied to win by two goals in a tough, physical encounter. Narre Warren took on Berwick in the crucial A Grade semi-final. After trading goal for goal for the first three quarters, Berwick took a narrow two goal lead into the final term. Narre Warren shuffled their mid court line up and goal ring to try and gain an edge but couldn't match it with Berwick who pulled away to an eight goal lead. The determined Berwick unit now face Doveton in the Preliminary Final for a chance to play in the Grand Final.

**W**ith Preliminary Finals the final chance to make it through to the main stage, all teams will be throwing everything at the chance to contest the big prize. Holm Park will be a sea of colour with Beaconsfield, Berwick, Cranbourne, Doveton, Narre Warren and ROC all represented in the Preliminary Round.

## **Doveton Doves**

What a great weekend of weather and netball finals. The weekend commenced without 13's white playing Beaconsfield. The girls started slowly against a polished Beaconsfield side. Once the nerves wore off the girls closed the margin. Unfortunately going down by only 3 goals in the end. Our goalers worked well together as did the defence end. You should all be proud of your efforts this year. This week you have Pakenham for a spot in the grand final. Our 13's red played on Sunday and took on ROC. The girls played the netball we know they are capable of. It was a fantastic display and well deserved 8 goal win. You have earned your right to play off for a spot in the grand final this week when you take on Beaconsfield. Our A grade ladies took on Beaconsfield on Saturday and unfortunately suffered their first loss of the

year going down by 2 goals in a very low scoring affair. The ladies had a very slow start to the game and a large amount of turnovers in the second term cost the side. At the final break the ladies were 13 goals behind. Some big changes were made and the ladies put it together in the last term, closing the margin and coming to within 1 goal late in the game. Unfortunately the damage had been done, and the side went down by 2. This week we take on Berwick for a spot in the grand final. You have been the best team all year and need to finish what you have set out to do. Good luck today to all football and netball teams. Go Doves.

## **Beaconsfield Eagles**

Last weeks finals weekend was a ripper for Beacy!!

4 Teams straight into the Grand Final - A Grade, C Grade, D Grade and Under 13s White - a huge congratulations to you all

This weekend down at Beacy, we have Under 17s White, Under 15s Red and Under 13s Red playing to get into the Grand Final. We wish you all the best of luck and encourage everyone to get down and support the girls.

We love finals time at Beacy and this year hasn't disappointed - 10/10 teams made finals which is such an amazing effort by all involved. We look forward to another super elimination final weekend and bring on the grannie!

## **Club Notes**

## **Pakenham Lions**

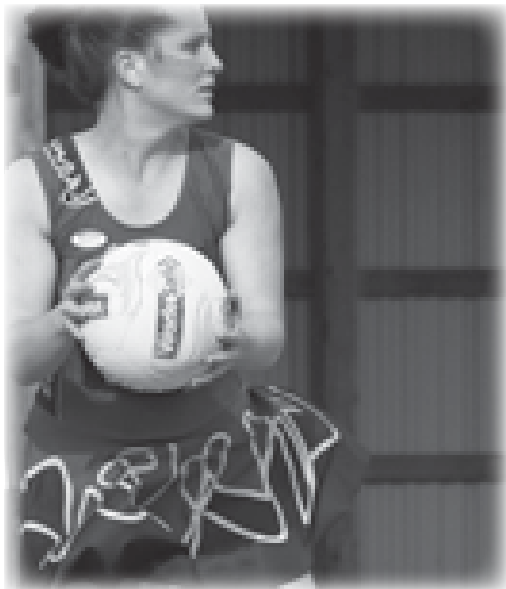

Another great weekend of netball competition just past and we would like to sincerely thank all the hard working team that pulled together and helped with our club hosting the semi finals on Saturday. To our U17 Red and D Grade teams and coaches whose season finished on Sunday - a great effort and we are very proud of you all - thank you for your commitment and hard work throughout the season to make finals! To all our players who played over the weekend proudly in their Paky Lions uniform in particular our U13 white being all new this year, we witnessed some awesome games of netball, all girls should be congratulated on their sportsmanship and encouragement of each other. To our coaches thank you for your ongoing commitment and development of our players.

Congratulations to all our players that were invited to the League's Presentation night.

We are looking forward to being back at Beaconsfield this Saturday for the Preliminary Finals with our U13 White, U15 Red, U15 White and U17 White teams.

## Club Notes

Good luck to all our coaches & players from these teams, the club will be there to support and cheer you on - let them hear the lioness roar loud & proud - Go Paky!

### **ROC Kangaroos**

Congratulations to all junior ROC teams on making the semi finals this year. It was a disappointing outcome on Saturday having 5 of our 6 teams going down to stronger oppositions on the day. Our U/17 Red team will be working harder than ever this week at training, reflecting on their performance, getting ready to play some of their best netball yet this coming Saturday. Congratulations

to our fabulous U/15 White team who have improved out of sight and defeated Berwick to secure a place in the Preliminary Final this Saturday. A huge Good Luck to both our U/15 White and U/17 Red teams this week - GO ROC!!!

Under 15 White - Another great start to a final for the ROC girls, and another tight finish when Berwick came fighting back. Luckily, the girls prevailed under pressure yet again and have a Preliminary Final to look forward to. It is a credit to the improvement of each and every player that they have made it to this point as a team - good luck girls and GO ROC!!!

### **Cranbourne Eagles**

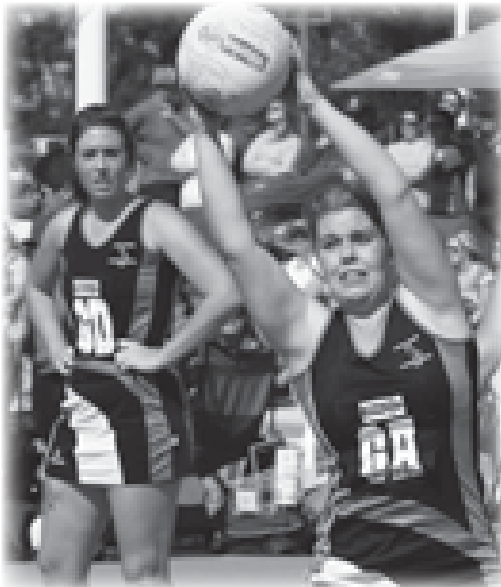

Last week in the Semi Finals Cranbourne had three teams in finals. On Saturday D Grade went up against Beaconsfield for a chance to head straight into the Grand Final. There was some great sets of plays but unfortunately we could not get over the line. This week we will play against Berwick for the last chance into the Grand Final. On Sunday the 17's started out strong and kept on going proving that they want to be in finals. They ended up coming away with a very nice win against Pakenham. C grade also played on Sunday and they came out working hard as a team to come away with a convincing win over Narre Warren. Well Done to all 3 teams. We now have all three teams in the Preliminary Final and hopefully we can come away with three wins to take all through to the Grand Final. Good Luck Girls!!

### **Narre Warren Magpies**

Narre Warren began the weekend in a positive fashion with all five junior sides winning their way through to Grand Final Day. The black and white crowd were in full voice of the Narre Warren sides on Semi Final weekend. The 15 Red and 15 White sides move on to Grand Final

Day after two strong wins. The 15 Red played a steady four quarters against Beaconsfield, winning by nine. The 15 White girls dominated the second half of their match to run out resounding winners against . The 17 Red girls showed their finals determination, starting well and concentrating until the final whistle. Their eight goal win against the undefeated ROC, earns them a place in the Grand Final. The 17 White survived a nail biter to win by one goal. B Grade faced Keysborough in their Semi Final. After a close first quarter, Narre Warren found themselves chasing down a twelve goal deficit. The team battled away to have the scores level with six minutes remaining. With our momentum interrupted by an injury break, Narre Warren were overrun by Keysborough in the final minutes. B grade will be keen for redemption in the Preliminary Final against Berwick. A and C Grade contested must win Semi Finals on Sunday. C Grade went down in a disappointing manner to Cranbourne. A Grade put on a gutsy show against Berwick and despite all the combination changes, couldn't get an edge over Berwick. With all five junior sides through to the Grand Final, all support is appreciated to help B Grade get over the line!

## **Berwick Wickers**

It was another round of perfect finals weather with all our teams a little more prepared for the heat. Our C grade girls unfortunately went down to Beacy on Saturday, but will be back this weekend with more fight in them as they take on Cranbourne with their second chance. Our 15's white team lost out in the elimination final by just 1 goal on Sunday, a tight fight right until the end. These girls have come a long way this season so they should be proud of their efforts in making it this far.

The rest of Sunday was Berwick all the way, with D grade, B grade and A grade all taking out strong wins in their respective grades. The A grade match was a top quality match going goal for goal until the final 10 mins of the game where our girls pulled away in true fighting spirit,

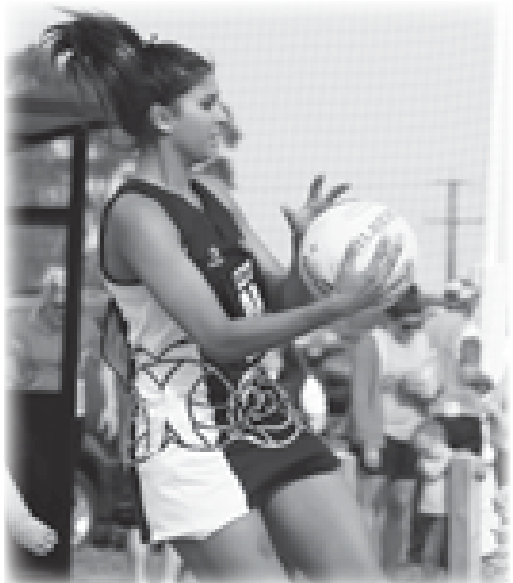

## **Club Notes**

coming away with a 10 goal victory.

This week we will be out supporting all our senior grades, with A, B, C and D grade all playing off for a position in the Grand Final. This should be an intense day of quality finals netball for all involved.

Congratulations to Jodie Cranston who will be playing her 150th senior game for the club today. This is a huge achievement & the first player to have played 150 games in A grade alone.

Best of luck to all of our senior teams this weekend (and to the BFC 19's and Reserves footy boys). But also another huge thank you to our amazing supporters who helped get our girls over the line last weekend - your support is very much appreciated by all. #blueisthecolour
