Club Notes

Beaconsfield Eagles

So here we are, the Grand Final. Hard work and nothing else has got the boys here today and what a game it shapes up to be. With the 2nd semi and preliminary finals being decided by a total of just 6 points, it showcases what is great about local football and we as spectators have been witness to some top notch matches this final series. Clint Evans and his match committee are to be congratulated on their efforts this year, as they never gave up on trying to find a way forward after a disastrous pre-season where a number of senior players were injured and we started the season with massive losses to Berwick and Narre. The future of our club is our up and coming players and a total of 10 players from our under 19's were given extended runs in the seniors to help plug the gaps until the team could be settled by late in the season. This has benefited the club enormously and hopefully keeps us heading in the right direction long into the future. So, good luck to all Beaconsfield teams in Grand Finals today & just a reminder to ALL spectators today regardless of your club, let's not let our words or actions take the shine off what should be a great day's football.

Scoop.

Cranbourne Eagles

It is fitting that in our Clubs 125th Anniversary Year we could produce a performance that hopefully people are still talking about at our next milestone anniversary. Against our greatest rivals the boys produced a comeback that had to be seen to be believed to move into the Grand Final. Commiserations to Narre, we now focus our full attention on Beaconsfield, all or nothing is the focus for today. Good luck also to the D Grade netballers also who have taken all before them and are into the GF. Get back to the club tonight to hopefully celebrate today's successes. Don't forget tickets to the Cranny Cup footy club marquee are on sale and selling fast, \$125 per head. Your ticket includes beer, wine, soft drink, food, entry topped off by being entertained by Mark Seymour. Get your tickets now for this and for Presentation night (October 4 - \$65 per head at the newly renovated Turf Club) from Sue Rus. Thanks to all our sponsors for their support this year, in particular to our marquee sponsor Mayfield Estate - visit the web site at mymayfield.com.au for more info and make the most of the special offer to our club members (See Shane Baker for further details). Follow our progress today on Facebook, Instagram and Twitter @CrannFNC. Go Eagles. A reminder to supporters of all clubs to act properly, we don't want our big day spoiled by an irresponsible few

Cranbourne

Cranbourne Eagles

3 Ray GEORGE - A wily veteran who offers plenty of experience. Could Razor return from injury in time for a call up?

4 Max GEARON - After last year's Grand Final performance the boy is proven on the big stage....let's hope he doesn't lose his keys again. That must have been some party Max!

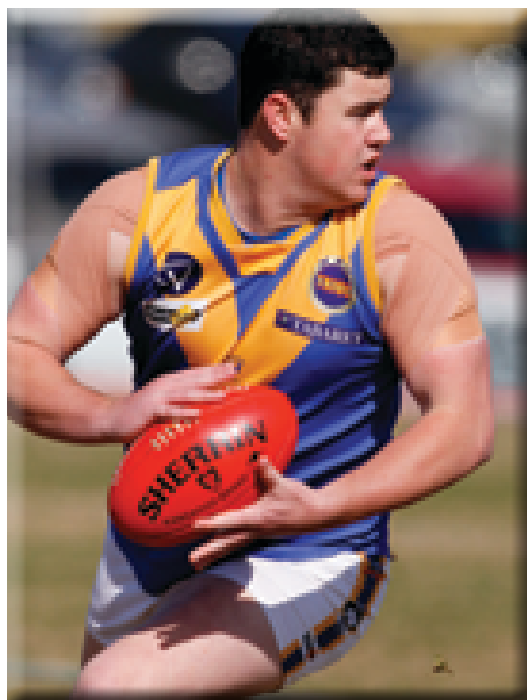

5 Mathew FLETCHER - Finally gets another grand final chance after missing last year. Been wrapped in cotton wool all year so ready to explode.

7 Marc HOLT - Does anything need to be said? Our great leader is raring to inspire his team to glory once again. Once again, a member of the CCFL Team of the Year and century goalkicker.

9 Matt WELLER - The X factor. Can play either end of the ground and will look to put his stamp on the game. His girlfriend won the CCNL C Grade B&F so clearly she is more talented.

11 Matthew RUS - Solid defender who plays without fear. Tough as nails and one of the leaders of the club.

13 Jarrod MURPHY - An experienced finals campaigner who is finding form at the right time. Like his idol Joel Selwood, is dangerous around goals who leads with his head. Actually just did it once when he got his jaw broken years ago!

14 Stuart MORRISH - The Rooster is having his best year and is an integral part of our backline. Along with being a very good looking man, he is a very important part of our side.

15 Tim SMITH - A great pick up this year. Runs as if he is on a treadmill, is clever and deft around goals. Has great skill and can tear the game apart in an instant.

16 Brad HERMANS - The debt collector is used to racking up the possessions and handing out the disposals. Tough in and under who has no fear, particularly when collecting fines on a Thursday night.

17 Ryan JONES - Another of our CCFL Team of the Year players who has pace to burn. Hitting form at the right time and ready to peak.

18 Troy THARLE - The wonderful Wizard of Moz. Wears his heart on his sleeve and is a massive focus for us across half forward.

19 Blake PEARCE - Has a penchant for KFC, so let's hope for a "finger lickingly" good display today....whatever that means! With lightening pace can open the game up.

20 Michael BOLAND - Made the CCFL Team of the Year but only on the bench. Hopefully we can find a spot for him in our starting 18. A super player who's return to the club has been a major factor for success.

21 Brandon OSBORNE - The shadow was also named in the CCFL Team of the Year at full-back. The best defender in the business and good luck to anyone who thinks they can beat him.

22 Leigh HOLT - If Marc is the train then Leigh is the diesel engine. His experience and determination is so important to this side. Was an "ageing veteran" in 2011 so not sure what that makes him now!

23 Michael THEODORIDIS - The Greek God was also deservedly named in the CCFL Team of the year after a stellar year across the forward line. Desperate for his chance for glory after missing 2011 with injury.

24 Glenn OSBORNE - Super tough and fit stopper who racks up the possessions at will. Versatile who can run as a stopper or playmaker.

26 Nick BARKER - Brother of Lucas. Clean and calm defender with polished skills. Reliable with the onus of taking the kickins and making Lucas breakfast when he returns from the USA.

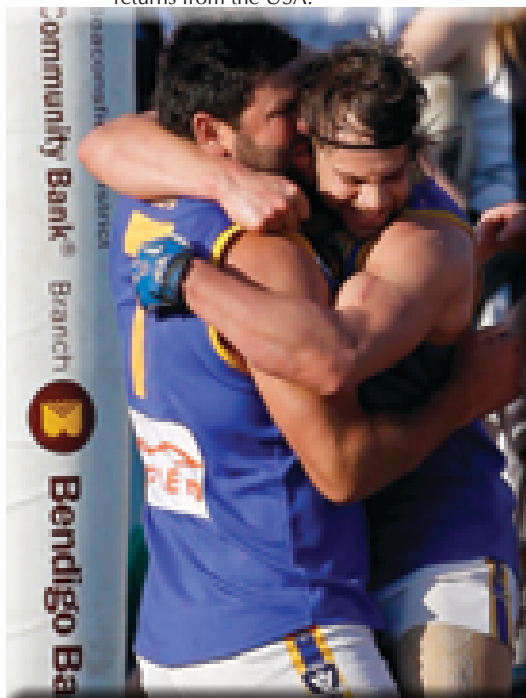

27 Curtis BARKER - Brother of Lucas. Highly talented and skilled on baller who has the poise and class of the best of them. A quaiity leader who commands respect. Massive collector of the ball as well as Lucas when he returns from the USA.

30 Anthony VELLA - With a raking left foot and an endurance to run all day, Vel can get the footy in long and direct to give our forwards the first option.

32 Luke BEE-HUGO - Another great recruit for us this year. Loves nothing more than gathering the footy and going on a run through the middle of the ground; that and a good Sunday recovery session! Avatar is from out there somewhere.

38 Michael THOMPSON - The identical player to his older brother Matt, except shorter, quicker and younger. Tough as they come.

49 Mitch LINDSAY - The big fella has improved his ruckwork this year under the tutelage of the legendary Simon Clark. Bones is a terrific bloke who played 30 senior games for Richmond and who is also a legend of the VFL. Oh yeah, yay Mitch!!
