It is essential that all players register ASAP at the following link.

http://www.foxsportspulse.com/assoc_page.cgi?c=1-4583-0-0-0&SID=321519

We have only registered two teams, although there seems to be a lot of players listed above not all of them attended the trials, if your name is on the list and you intend not to play, please inform the relevant coach. History tells us with this many names we will only get 2 teams once things settle down.

If you intend to play and you're not on the list then please inform Scott Herriman that you wish to play and please feel free to attend on the Monday night at Mawson lakes.

Kind Regards

Scott Whitmore
