

BREAKER TRAIN ONS [Reserves]

The following is important for all players listed as “Train-ons” to note:-

- You will not be required to attend training this week.
- This week all players named in a Breaker team have to confirm their commitment to the 2015 by a registration payment by the weekend.
- Following the Melbourne Cup weekend the Breaker sub committee will determine if any family has either failed to make a registration payment or advised they no longer want to be part of Season 2015.
- Should there be any vacancies Coaching Director De Marcus Berry will determine players to be recommended to move from “Train-on” [Reserves] to “Breaker 2015”.
- By Thursday 6th November Breaker Teams 2015 will be finalised by De Marcus and signed off by the Breaker’s sub committee.
- Friday 7th November all Breaker teams will be entered into the VJBL practice games. Despite this being a practice game VJBL rules do not allow players to change teams from this date until the end of Phase 1 Team Grading on Friday 12th December.

Until teams have been fully finalised – which will be next week – it is worth simply waiting to determine whether or not there are any vacancies for the “Train-ons” [Reserves]
