Our winter season is over, and for many a well deserved break. For those not in the know we had a very successful finals campaign for A and B grade with both teams winning their respective Grand Finals. Our 19/U team also qualified for finals and was only knocked out in the second last round.

Netball Trials:

We have commenced planning for 2015 and you can see our Trial dates have been announced for seniors and juniors – please mark them in your diaries. We would like to encourage any interested and eligible juniors to trial for senior squads, and encourage those girls coming out of junior ranks this year to trial for senior squads as well as the 19/U squad in 2015. Further information can be found on our club website including registration forms at:

Club Awards:

Congratulations to all those players who won awards at our presentation evenings. A special congratulation to Courtney Stack for winning the Mark West Award. This is the first year netball have been included in the nominations for the Mark West Award and it is a testament to Courtney's value at the club to see her win the award in 2014.

Summer Netball:

We have multiple teams playing at Kardinia Park over the summer – a thank-you to all parents who have put their hands up to coach the girls over the summer. We also have a team playing at Geelong Basketball Netball Centre in the 19/U competition. So if you want to see our juniors in action and having fun – do come along.
