Well done DuMonte Trophy Winners – West Coast Hawks, a great club effort dedicated in memory to Brenton Joyce.

In stepping down from the Presidents role I wish all the new office holders the best into the future, and trust the clubs will support you as they have me. I urge them, with the full support of our clubs, to maintain a strong voice at the Eyre Peninsula Zone table. Mid-West has been well heard way before my tenure in this role, it is important in shaping the direction of Mid-West Football and Eyre Peninsula football as a whole that this continues.

Rick Du Bois  
PRESIDENT

Notes from EP Zone & Mortlock Meeting

Held 3<sup>rd</sup> November at Wudinna

- Clubs need to monitor all the funding opportunities that are available
- Far West are already in planning for Mortlock and are holding a preseason camp for target association players
- Far West and Eastern Eyre continue to push the amalgamation concept. I feel the Eastern Eyre discussion paper does warrant further consideration, first at club level and then back at the League table.
- State Country Championships in Kadina 5<sup>th</sup> & 6<sup>th</sup> July 2013

- Roy Milligan is Head EP Trainer, any trainers wanting to have a go at this level should submit their names to Roy
- Rob Kerin in attendance (SACFL board) - Discussion about Port Adelaide and the EP Zone – this will change as at 2015. Resolved to put a submission together stating that EP should not be split (no early indicators that this will happen) and outlining what EP leagues would desire in a zoned club. Decision due mid 2014.
- Interleague some discussion re Great Flinders and Port Lincoln wanting to be part of round robin concept. Resolved that 2014 will be EE, FW and MW in a round robin at Wudinna, however GF & PL have been asked to submit a proposal on how they see a round robin working (considerations being travel, netball, junior and senior teams, Lincoln City & Lincoln Districts commitment, with view to them taking part in 2015, which may mean an adjustment to the current EE, FW, MW commitment
- Ryan Du Bois nomination for Mortlock life membership – submitted for approval at March 2014 Mortlock meeting
- Viterra have reduced sponsorship levels (from \$15K to \$10K) – Mortlock Exec believes they have a new sponsor close to the line which will bring in \$15K per year over 3 years. Needs a commitment from Leagues to fund a new set of guernseys with the new sponsor – payback being through greater profit distribution from Mortlock proceeds. Mid West committed pending announcement.
- Leagues asked to canvas Silver \$5K and Bronze \$2.5K sponsors as well (can print logos on new jumpers)
- Propose that we use current Viterra jumpers for U17's
- Upgrade of honour board in Port Lincoln league rooms @\$1600 sponsorship if anyone interested.
- Considerable time formalising the constitution and bylaws of Mortlock – no major change in principal – just formal recognition of Mortlock as an incorporated body as it wasn't before.
- Andrew Taheny and Darryl Montgomerie zone reports included in Club correspondence

## **16. Umpires Report**

The regular umpires for this year were Andrew Buckham, Robert Carcuro, Ian Harrowfield, also received good support from Gus Bower and Craig Walladge. Club based umpires who I called on regularly were Wade Shepperd, Ash Joyce, Ian Montgomerie and Rodney Hutchison. It was also good to see club umpires generally step up again, we would not have got through the season without them.

Our panel officiated at Far West 2<sup>nd</sup> Semi and Prelim and Eastern Eyre Prelim & Grand Final as well as local colts and B Grade finals, it was good to see Wade Shepperd travelling away and tackling the B grade finals.

I urge clubs to continue to promote and support the need for umpires, I don't see our panel numbers increasing so it will be inevitable that we call on clubs more and more, so the more people, in particular players, that can get a start umpiring colts and B grade the easier this will be in the future.

I am hoping to arrange an umpire's windup at some stage (possibly January at Venus) club umpires (or prospective umpires) will be most welcome.

Rick Du Bois
