

## FORMER SUNS CAPTAIN JOINS WOLFPACK

"The Wanneroo Basketball Association & Ben Ettridge, Head Coach of the Merriwa Tavern & Bistro Joondalup Wolves, is pleased to announce that Joel Questel will continue his 154 game SBL career out of the Joondalup Basketball Stadium."

**Head Coach Ben Ettridge** *"We are extremely excited for Joel to join the Pack. He is a high Character, high IQ guy. Being a pass first, knock down three point shooter with a nose for the ball on defence, he is a great fit in our back court with Seb Salinas & Triant Iliadis. Joel is also a perfect role model for Ben Ironmonger. Joel has already shown a great work ethic. Joel brings excellent leadership to the Wolfpack".*

Joel, Captain of the Kalamunda Eastern Suns for the past 3 seasons, finished the 2014 SBL season as the league's leader in steals with 2 per game, Joel also averaged 8 points, 4 rebounds and nearly 6 assists per game in 2014.

In both the 2011 (47.6%) and 2012 (43%) SBL seasons, Joel was the league leader in 3-Point percentages.

Joel was named Kalamunda Most Valuable Player in 2012

**Joel Questel** *"I'm excited to be a part of the Wolfpack for the upcoming State Basketball League season. The playing group is full of talent and experience which has made the transition for me a lot easier. I'm looking forward to a successful season and I can't wait for it to get underway."*
