Overall our club finished the Spring Season with two Teams finishing on top of the ladder - U13s Section 1 (Kaye Noble Coach) and U13s Section 4 (Jane Collins Coach).

Well done again to the U13s Section 1 team for finishing on top of the ladder, coming from a Grand Final win of the winter season can sometimes be a hard task to win in spring with different teams and players. What a fantastic effort by everyone involved.

Congratulations to *U13 Section 1 Team and Coach, Kaye Noble*

U13s Section 4 team played extremely well over past two seasons. After coming second last in winter season we were graded with the same teams along with Croydon Hills who won the Winter Grand Final. The improvement in these girls has been phenomenal, congratulations to everyone involved and what a fantastic finish to the Season.

Congratulations to U13s Section 4 Team and Coach, Jane Collins
