Suspension Of Coach By-law

A coach (playing or non-playing) of a team in the Omeo District Football Netball League who is suspended by the League Independent Tribunal will be subject to the following conditions;

The coach shall be prohibited from coaching in any way, shape or form on game day

This to include but not limited to:

- **Addressing the players before, during or after the game**
- **Sitting on or near (20 meters minimum) the coach's bench**
- **Communicating with the bench/players verbally, in writing or via any form of electronic media**

Any breach of these conditions will result in the coach being referred to the League Independent Tribunal by the ODFNL Executive. Should the coach be found guilty of breaching these conditions the Tribunal will have the power to add any additional penalty as it sees fit.

The ODFNL Executive will also hold the coach's Club responsible for any breach of these conditions. If a coach is found guilty by the League Independent Tribunal of breaching their original suspension the Club will be fined \$2,000 (no suspended amount).

This By-law is to come into effect from the start of the 2013 season.
