

SOCIAL MEDIA POLICY

Introduction

The North Brunswick Junior Football Club has a priority responsibility to protect the interests of its members both on and off the field. The committee therefore reinforces that offensive behaviour and blatant disregard for the rules will not be tolerated.

Social media can be, when appropriate, an effective tool which is commonly used by the AFL community to express their views, comments, ideas and criticism on a whole range of issues.

The North Brunswick Junior Football Club expects its members to communicate online in a respectful and responsible manner and uphold the ethos of the club in all social media interactions. Social media should not be used to insult, present offensive or inappropriate content or to misrepresent the club or any member of NBJFC or the external YJFL and AFL community.

NBJFC Responsibility to our Community

In an increasingly “Social” world, electronic communication is essential for sharing club news and information with our football community.

The North Brunswick Junior Football Club and all of its members must adhere to an appropriate Social Media Policy that protects its junior players, officials, club members, umpires and the wider AFL community.

This Policy is intended to outline the rules and provide guidelines for posting appropriate club information and to ensure that all communication will be timely, appropriate and related to club business.

The North Brunswick Junior Football Club utilises a range of electronic tools to communicate effectively with our players and members, including but not limited to the following:

- North Brunswick Junior Football Club website
- North Brunswick Junior Football Club Facebook page
- North Brunswick Junior Football Club App
- YouTube

As a club, the North Brunswick Junior Football Club will ensure that our Social Media sites and all communication channels will:

- Protect members’ privacy;

- Not tolerate abusive, racist, discriminatory, sexist, intimidating and offensive statements under any circumstances. Offending posts will be removed and those responsible will be blocked or removed from the relevant site;
- Ensure that written posts, photos and videos will be family-friendly and feature positive club news and events;
- Not make any statements that are misleading, false or likely to injure the reputation of an organisation or a person's;
- Ensure that all content posted on our social media sites is respectful and does not reflect poorly on the NBJFC or any individual associated with the club.

NBJFC FACEBOOK

The North Brunswick Junior Football Club Facebook page is for parents, junior players and friends of the North Brunswick Junior Football Club. It is a place where you will find important information that is relevant to the club's operation, teams, upcoming events and social calendar. It is also a place for members to share photos, anecdotes and reflections throughout the year.

The Club wishes to keep our Facebook page a positive site for our members to visit. When using Social Media, we expect everyone who is a part of our club to show courtesy and respect to others, including those within our Club and the wider community.

If you have a complaint against a committee decision or require answers pertaining to any of the club's administrative issues, the North Brunswick Junior Football Club Facebook page is not the forum to air your grievances. We simply disseminate information to keep you informed. You are well within your right to take up any issues of concern directly with the relevant personnel or committee responsible - but please go through the proper grievance channels set up by the club.

To ensure that we keep this page a relatively positive and safe space for our junior members and families, we have set up a few guidelines for the successful interaction between our members. When using Facebook, club members are expected to ensure that they:

- Do not offend, intimidate, abuse, humiliate, harass, threaten or bully another person;
- Do not make defamatory, racist or sexist comments;
- Do not use obscene or offensive language;
- Do not harm the reputation and good standing of the Club or bring any of its members into disrepute.

Any breach of our Facebook guidelines will result in the following actions being taken against the member:

1. The offending post/comment will be deleted.
2. A 'Private Message' from the Facebook Administrator informing of the breach of policy and a 'Warning' will be issued to the offending member.
3. A second breach will result in the member being 'Blocked' from the NBJFC Facebook page.

4. The Committee will then be informed of the recurring breaches and will deal with each case on a case-by-case basis.
