Head Coach Vlad Alava *"I'm Very pleased to have Casey back in the green and white after taking 2014 off. She is very keen to help our group in any way she can and with Casey that involves plenty of areas that coaches and team mates really appreciate and value. Casey is a Team member who I expect to contribute significantly and definitely provides us with more depth in our post rotation".*

Casey Lockwood *"I am stoked to be returning to the Wolves. After some much needed time off I felt called back to the court and I couldn't be happier with my decision to play again. I'm very excited about the team this year--it will be awesome to share the court again with NZ teammates Noni and Toni, former Townsville Fire teammate Bec Mercer, as well as a core group of girls who were on the team two years ago. We also have some additions from last year as well as some talented young blood which will make this an exciting and fun season. Looking forward to it!"*
