Welcome back to Netball - season 2015 is on its way with our first round on the 11/4/15 against South Barwon on their home courts. Training has commenced for seniors and junior selections will be held in early February.

Carolyn Hall will be stepping down as junior coordinator by the end of February having successfully gotten into a course at Latrobe University – we wish her all the best with her studies, her commitment to the club and enthusiasm will be missed. Lee Doherty is extending her involvement and will be the junior coordinator for the 13's, 11's and 9's, and Peter Taylor will be managing the 17's and 15's.

### Junior Netball Trials:

Junior netball trials are only 2 weeks away. Again I have attached the registration forms and details to this newsletter. We ask that everyone return the netball registration form with nominated positions as soon as possible, ideally before the 10<sup>th</sup> of February.

This will allow us to have the game plays already planned so it is more efficient on the day and we can get through more court time for selectors. If people are late in submitting the form we cannot guarantee court time in both nominated positions. The selectors may also ask players to trial in positions they have nominated to look at other skills. This is the system we use for senior trials.

If you are unable to attend trials please let us know. We will then discuss a method of assessing your netball skills either before the trials or in the early part of the pre-season.

### Club Registration Day:

Our Annual Club registration day will be Sunday 22/2/15 between 10.00am and 2.00pm. This is the day to get along and pay club membership and VNA for all.

### Volunteers:

We are always on the lookout for volunteers, and if you have an interest in assisting in any of the following please contact myself or Lee Doherty (lee.doherty@bigpond.com):

- ☺ Junior Coaching
- ☺ Team Managers
- ☺ Junior Coordination Support

We also need volunteers to assist with Thursday night meals – to give up a couple of hours on a Thursday night once or twice over the season is a great way to meet other parents and families. If anyone is interested please let someone from the committee know.

Looking forward to a successful and fun season for all.

Go Eagles
