We knew it was a massive game for us with a win meaning a lot for a number of reasons, we had a couple of spots up for grabs and if we were to keep developing as a team we needed to back up from a good performance the week before. For the second week in a row I thought our consistency for 4 quarters was the best it's been all year. Things we have been working on with our game style at training all year seem to be paying off and it's pleasing to see the improvement. I felt we controlled the game and we probably should have won by more. The challenge for us now is to keep backing it up and not drop off.

A combination of injury, illness and unavailability Sunday saw the depth of the Roos Twos seriously tested for the first time for the season. We started the warm up with 17 fit, 2 half fit, and 2 under 18s who had already played a game. We lost one of our 'fit' players in the warm up, so needless to say the workload grew for the rest of the team. Thanks to Sam Crow and Jack Oswald from the U/18s who were more than handy, especially when we had another player out for the match in the second quarter. Our first quarter set the match up, leading by 28 points at quarter time, with the eventual margin being 30, as Port Fairy, to their credit, wouldn't go away as we tired in the second half. The highlights this week was Ryan Fischer returning from Thailand with 3 goals and a hanger in the goal square, while Ben Oswald also got 3 after having to be talked into playing with a corked thigh. While the lowlight was the performance of some of the younger members of the team at the beach post match, who managed to get their ankles wet and nothing else.

It was fantastic I to get back on the winners list on Sunday! Playing only 16 a side to help Port fairy out probably worked in our favour more than anything.. Opening the game up to implement our game style to the finest.

Although a favourable score line showed our dominance, it was the way the boys stuck to the game plan, shared the ball and executed their skills that was most. 15 individual goal kickers for the day was something I don't think I have ever been involved in as a player or coach myself.

I believe it has started to click with the boys in what we are trying to teach them. A fast paced team oriented game style. Well done boys, keep striving for improvement and success

The A Grade girls played a very good 4 quarters of netball today. The game started with us going goal for goal with Port Fairy but that only lasted a short time. We broke their centre pass and scored and never looked back. We were patient bringing the ball out of defence into attack and Kelsey and Clare combined very well in the circle. We had some great passages of play down the court and was finished off with great accuracy. From Rhianne, Amanda and Renae in defence and Ally Feely and Bec in mid court all players did the job they were asked to do.

It continued in the second quarter as well except for a lapse in the last 5 minutes. At half time Aly Smead came into GD and I asked the girls to keep pushing and they did that. At the final break I spoke to the girls about the lapse they had last time we played Port and to make sure they don't take the foot off the pressure. They set themselves a target to hit and they made that and more. They scored over 20 goals in this quarter and played some really good netball. They can all be very happy with the game they played.

In round 13 vs Port Fairy unfortunately we had our second loss for the season going down by 21 goals. Due to illness and absence of Zoe Van Kalken and Emily Kermeen so we had Nicky Lowe and Chelsea Glare fill in for us. The Port Fairy team had a few new players from the last time we met them and it proved quite difficult to my girls to adjust to these changes. First quarter wasn't too bad as we only lost this quarter by 3 goals as well as the last. The defence end never gave up and never stopped working, but it is hard to stop a team that barely misses goals. Unfortunately for us we couldn't do the same down our attacking end, our shooting percentages were off and our constant driving became stand-still. The main thing for us now is to get our mentality back in order and get our game back on track for the rest of the season, especially with only 5 rounds to go. The last few weeks have been up and down for us having illnesses and absences at training and at the game on a Saturday. Hopefully this week we are back to full force and this loss forces the girls to strive to where they want to be. A big few weeks for the A2 girls to prove to themselves they can do it. Libby Murray was absolutely instrumental on Saturday, defensive pressure was impeccable, her constant drives and moves were fantastic, improvement from her from the start of the season has been huge. Also Jami Luhrs and Nicky Lowe worked together well and never let the shooters get on top of them. So well done defenders. Also a big thank-you to Chelsea And Nicky for filling in for us and doing a great job when put on the court. Let's hope for a better result next week vs Terang Mortlake.

We lined up against a very different Port Fairy side compared to Round 4. Our defensive pressure all over the court was a highlight of the game. We made Port Fairy work hard for each of their 20 goals. In offense we timed our leads well and were patient when feeding into the goal circle with the goalers converting well. We are looking forward to the next two rounds at home.

The girls played a really strong first half but fell back into bad habits during the third quarter to be down by 1. After I gave them a bit of a rev, the girls came out and finished off the game with a solid last quarter to win by 3 goals. We are now two games clear in 5th spot. Let's keep our heads up and keep pushing to cement our finals spot! Go Roos!

Coaches comments – Kira Ryan

Today's game was our first time as a whole team matching up against port fairy. The last time we played we had 4 out with basketball commitments and they gave us a hiding.

This time it was our turn to show them how good we are and how much we've improved.

Sophie and Meg worked brilliantly in the goal circle together after training with Kelsey on Thursday to improve their movement.

Brooke and Eliza were fantastic in defence and kept port shooters goalless in the third.

All the mid courters moved the ball well up the court and overall it was a great display of netball by the whole team!

Goal Scorers

15 Sophie Robinson, 14 Meg Sutherland
