The closer it gets towards the end of the season the more important games get. Losing this one for us would have spelled the end of any chance we have of making finals, so it was a must win game. I thought we played fairly well for the first 3 qtrs but we were leaking easy goals to south to keep them in the game. The last quarter was enjoyable to pile on the goals and enjoy the win. It helps our percentage which will help us if we were to sneak into the top 5. Had a really good spread of players contributing which is always pleasing.

### Coaches comments – Angus Brown

After a disappointing match against Terang Mortlake the reserves bounced back. From the start we had a RHG (red hot go), in the third quarter we OTFG (opened the flood gates), and by the end we BIT (back in town).

This weeks highlight was post quarter time straight kicking, posting 17-3. The lowlight was a personal one, having received a switch 50m in the clear I was told to 'go for a run old boy' by our ruckman. He should have been dragged. Next weeks game against Camperdown will be a real challenge, as injuries continue to disjoint our finals preparations.

**Best Players:** L. Uebergang B. Oswald, A. Noske, A. Linke, S. Richards. T. McCann

### Under 18.5's Football

Hamilton Kangaroos 4.4.28

**Lost to** South Warrnambool 12.8.80

### Goal Scorers

1 Damian Monaghan, Jack Cullinane, Tim Goodman, Dakin Morris

### Coaches comments – Jason McIntosh

Another disappointing loss to a much bigger/stronger and faster side in south on the weekend. There isn't too many under 18.5 teams I've seen of late that have 4 players 6ft3 and above.

Whilst they were a very well drilled side I thought it was our lack of hunger for the ball and contest which was most frustrating. Although we fired in the last and won that qrt, the game was out of our hands by then. The boys will continue to work hard and improve. This is a young developing side and the difference between our best and worst is too great.

**Best Players:** L. Watt, J. Byrne, T. Fehsler, D. Morris, J. Cullinane, S. Addinsall

The A Grade girls had a tough physical encounter against South. We started the game strongly putting 3 goals on the board before South scored. South then settled and came back at us to draw level and that's how the first quarter went. We took a narrow lead into quarter time. Some changes were made at the break as I thought we needed more drive in attack and defensive pressure. The second quarter went the same as the first. Goal for goal and then we would get a few ahead to then have south come back at us. We took a very slender lead into half time. The team remained the same but the girls did not have a good third quarter. We started not too bad and again got a bit of a lead but south again came back and started to over run us. We became a bit flat footed and stopped driving. South got a 3 goal lead on us and seemed to be more aggressive to the ball. After an injury time the girls settled a bit but could not peg the lead back so went into the last quarter down. We made another change in defence and the girls were asked to lift and put more pressure over the ball. They did what I asked and started to make inroads into the south lead. The intensity in the game lifted and we started to force south into making mistakes and missed shots which we were able to rebound. The girls fought back hard and had a good last quarter to win by 2 goals.

Against South Warni in Round 15, unfortunately we suffered our third loss for the season. The girls came out firing in the first quarter and won this by 4 goals (8-4). We worked for the 4 goal buffer. The second quarter was just the same winning this one by another two goals (9-7) bringing the half time score to 17-11 and were sitting comfortably, maybe a little too comfortable. I think in the second half and towards the last bit of the second quarter we became complacent, we became quiet and we forgot how to fight for a win. Unfortunately in the third quarter we lost by 4 goals and the last by 3, we only ended up losing the game by just one goal. In the end they won because they wanted it more than us and there determination paid off. This week we will go back to the training track and work really hard to get everything back to normal before our finals series comes around. Jami Luhrs was once again instrumental in defence and she just keeps going from strength to strength. Libby Murray was once again in the bests, think she has really hit form for the season and hope she keeps up her work rate right until the end. We have another couple of tough games left in our rounds so hoping we can get up and do our club proud. Girls- keep your heads held high, our hard work will pay off.

The much anticipated clash against South Warrnambool was a close encounter all day. We began the game strongly taking an early lead but then unforced errors dried up our scoring opportunities and South capitalized on these mistakes. South held the lead at quarter time by one and maintained this narrow lead in the second and third quarter. With six minutes to play in the last scores were level. We then found something extra and broke the game open, winning the game by 5 goals.  
Well done A1!

After a stern talking to 17 & Under's came out firing. We jumped to a 3 goal lead. South started to find their feet and played strong netball. Threw out the whole game it was goal for goal. Changes were made in Roos team and the game was amazing to watch. South came out winners by 3 goals after a hard fought game. Roos need to be proud of the way they conducted themselves on court because as their coach I was beaming with pride. A real team effort with all 9 players contributing.

The girls were up against a very talented and well drilled team from South Warrnambool. The girls played a fantastic first half. Only down by 3 at the main break. But they had a lapsed in the third, only scoring 5 goals to South's 11. We ended up going down by 12 but it was huge improvement since the last time we met. Keep your heads up girls, you now know you can take it up to the top teams.  
Go Roos!

#### **Coaches comments – Kira Ryan**

This week was a do or die game for the 13 & Under's and they had to win to keep their finals chances alive. South got the jump on us but we hung on to trail by 1 goal at the first change. The second quarter we let South get away and at half time they were leading by 5 goals.  
After a few changes at the half, which gave us some different combinations than we're used to, the Roos came out firing and got the first four goals of the quarter. The defensive pressure of South proved to be too much for the Roos and we lost by 3 goals. The girls should be so proud of themselves because the last time we played they beat us by 6, and the whole team has showed so much improvement over the season.
